Item 1.01. Entry into a Material Definitive Agreement

On September 13, 2018, AbbVie Inc. ("AbbVie") entered into an underwriting agreement (the "Underwriting Agreement") with Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, Morgan Stanley & Co. LLC and BNP Paribas Securities Corp., acting for themselves and as representatives of the several underwriters named therein (collectively, the "Underwriters"), pursuant to which AbbVie agreed to issue and sell to the Underwriters \$6.0 billion aggregate principal amount of its senior notes, consisting of \$1,250,000,000 aggregate principal amount of its 3.375% senior notes due 2021 (the "2021 Notes"), \$1,250,000,000 aggregate principal amount of its 3.750% senior notes due 2023 (the "2023 Notes"), \$1,750,000,000 aggregate principal amount of its 4.250% senior notes due 2028 (the "2028 Notes") and \$1,750,000,000 aggregate principal amount of its 4.875% senior notes due 2048 (the "2048 Notes," and together with the 2021 Notes, the 2023 Notes and the 2028 Notes, the "Notes") in a registered public offering.

The Notes were sold pursuant to the Underwriting Agreement and were issued pursuant to the Prospectus Supplement, dated September 13, 2018 and filed with the Securities and Exchange Commission (the "SEC") on September 13, 2018, and the Prospectus dated September 13, 2018, filed as part of the shelf registration statement (File No. 333-227316) that became effective under the Securities Act of 1933, as amended, when filed with the SEC on September 13, 2018. The Notes are governed by an indenture, dated November 8, 2012 (the "Base Indenture"), between AbbVie and U.S. Bank National Association, as trustee (the "Trustee"), as supplemented by Supplemental Indenture No. 5, dated as of September [18], 2018 (the "Supplemental Indenture", and the Base Indenture as so supplemented, the "Indenture"), between AbbVie and the Trustee.

The Notes will mature on November 14 of the applicable year. The Notes are unsecured, unsubordinated obligations of AbbVie and will rank equally in right of payment with all of AbbVie's existing and future unsecured, unsubordinated indebtedness, liabilities and other obligations.

AbbVie intends to use the net proceeds from the Notes offering, together with cash in hand: (i) to redeem, satisfy and discharge or repay at maturity all of its 2.000% Senior Notes due 2018 in an aggregate outstanding principal amount of \$1.0 billion, and to pay any premium and accrued interest in respect thereof; (ii) to prepay or repay at maturity the Three-Year Term Loan Agreement, dated September 25, 2015 (as in effect from time to time, the “Existing Term Loan Agreement”), among AbbVie, the lenders from time to time party thereto and Bank of America, N.A., as administrative agent, in an aggregate outstanding principal amount of \$2.0 billion, and to pay any accrued interest in respect thereof; and/or (iii) for general corporate purposes.

Please refer to the Prospectus Supplement dated September 13, 2018 for additional information regarding the Notes offering and the terms and conditions of the Notes. The foregoing summary of the Notes does not purport to be complete and is qualified in its entirety by reference to the full text of (i) the Underwriting Agreement attached as Exhibit 1.1 hereto; (ii) the Base Indenture attached as Exhibit 4.1 hereto; (iii) the Supplemental Indenture attached as Exhibit 4.2 hereto; and (iv) the forms of the Notes attached hereto as Exhibits 4.3 through 4.6, inclusive.

Many of the underwriters in respect of the Underwriting Agreement and/or their affiliates have in the past performed, and may in the future from time to time perform, investment banking, financial advisory, lending and/or commercial banking services, or other services for AbbVie and its subsidiaries, for which they have received, and may in the future receive, customary compensation and expense reimbursement.

* * * * *

The representations, warranties and covenants of each party set forth in the agreements described in this Current Report on Form 8-K have been made only for purposes of, and were and are solely for the benefit of the parties to, the applicable agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. In addition, certain representations and warranties were made only as of the date of the applicable agreement or such other date as is specified in the agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the applicable agreement, which subsequent information may or may not be fully reflected in the parties’ public disclosures. Accordingly, such agreements are included with this filing only to provide investors with information regarding the terms of those agreements, and not to provide investors with any other factual information regarding the parties, their respective affiliates or their respective businesses. These agreements should not be read alone, but should instead be read in conjunction with the periodic and current reports and statements that AbbVie and/or its subsidiaries file with the SEC.

Item 1.02. Termination of a Material Definitive Agreement

In connection with its consummation of the Notes offering, on September 18, 2018 AbbVie repaid all of its outstanding obligations under, and terminated, the Existing Term Loan Agreement. The Existing Term Loan Agreement provided for a \$2.0 billion unsecured term loan credit facility. Absent termination, it would have matured in November 2018. Borrowings under the Existing Term Loan Agreement, at AbbVie’s election, bore interest at either (a) the base rate plus an applicable margin (“Base Rate Loans”) or (b) the Eurocurrency rate plus an applicable margin (“Eurocurrency Rate Loans”). The applicable margin with respect to such borrowings varied from 0.000% to 0.500% per annum for Base Rate Loans and 0.625% to 1.500% per annum for Eurocurrency Rate Loans, in each case depending on the public debt ratings of AbbVie in effect from time to time.

(iii) Except as permitted by Sanctions, the Company will not, directly or indirectly, use the proceeds of the offering, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other Person:

2. *Agreements to Sell and Purchase.* The Company hereby agrees to sell to the several Underwriters, and each Underwriter, upon the basis of the representations and warranties herein contained, but subject to the conditions hereinafter stated, agrees, severally and not jointly, to purchase from the Company, at purchase prices as set forth on Schedule I, in the respective principal amounts of Securities as set forth opposite its name in Schedule II hereto.

3. *Terms of Offering.* The Representatives have advised the Company that the Underwriters will, subject to the provisions hereof and the selling restrictions disclosed in the Prospectus, make a public offering of their respective proportions of the Securities purchased by the Underwriters hereunder as soon after the Registration Statement and this Agreement have

Payment for the Securities shall be made against delivery, and the Securities shall be registered in such names and in such denominations as the Representatives shall request in writing not later than one full business day prior to the Closing Date. The Securities shall be delivered to the Representatives on the Closing Date for the respective accounts of the several Underwriters, with any transfer taxes payable in connection with the transfer of the Securities to the Underwriters duly paid, against payment of the purchase price therefor plus accrued interest, if any, to the date of payment and delivery.

5. *Conditions to the Underwriters’ Obligations.* The several obligations of the Underwriters to purchase and pay for the Securities on the Closing Date are subject, in the discretion of the Representatives, to the condition that all representations and warranties and other statements of the Company in this Agreement are, at and as of the Closing Date, true and correct, the condition that each of them shall have performed in all material respects all of their respective obligations hereunder theretofore to be performed and to the following additional conditions:

(a) Effectiveness of Registration Statement; Filing of Prospectus. The Registration Statement has become effective and at the Closing Date and no stop order suspending the effectiveness of the Registration Statement shall have been issued under the Securities Act or proceedings therefor initiated or, to the knowledge of the Company, threatened by the Commission, and any request on the part of the Commission for additional information shall have been complied with to the reasonable satisfaction of counsel to the Underwriters. The filings required under Rule 424(b) shall have been filed with the Commission in the manner and within the time period required by Rule 424(b) (or a post-effective amendment providing such information shall have been filed and become effective in accordance with the requirements of Rule 430B). The Final Term Sheet (as defined herein) and any other material required to be filed by the Company pursuant to Rule 433(d) under the rules and regulations under the Securities Act shall have been timely filed.

(b) Opinion of Counsel for the Underwriters. The Underwriters shall have received on the Closing Date an opinion of Davis Polk & Wardwell LLP, counsel for the Underwriters, dated the Closing Date, with respect to such matters as may be reasonably requested by the Underwriters;

(c) Opinion of the Company’s Internal Counsel. The Underwriters shall have received on the Closing Date an opinion of Jennifer M. Lagunas, Vice President, Governance, Legal Operations and Assistant Corporate Secretary (or such other person who shall be a senior legal officer of the Company on the Closing Date), dated the Closing Date, to the effect set forth in Exhibit A hereto;

9

(d) Opinion of Counsel for the Company. The Underwriters shall have received on the Closing Date an opinion of Wachtell, Lipton, Rosen & Katz, outside counsel for the Company, dated the Closing Date, to the effect set forth in Exhibit B-1 hereto, and a negative assurance letter, dated the Closing Date, to the effect set forth in Exhibit B-2 hereto;

(e) Accountant’s Comfort Letter. The Underwriters shall have received on each of the date hereof and the Closing Date a letter, dated the date hereof or the Closing Date, as applicable, in form and substance satisfactory to the Underwriters, from Ernst & Young LLP, independent public accountants with respect to the Company’s consolidated financial statements and certain financial information for the years ended December 31, 2016 and December 31, 2017, containing statements and information of the type ordinarily included in accountants’ “comfort letters” to underwriters with respect to the financial statements and certain financial information contained in the Time of Sale Prospectus and the Prospectus; *provided* that the letter delivered on the Closing Date shall use a “cut-off date” not earlier than the date hereof;

(f) No Material Adverse Change. (i) Neither the Company nor any of its subsidiaries shall have sustained since the date of the latest financial statements included in the Time of Sale Prospectus any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, otherwise than as set forth or contemplated in the Registration Statement, the Time of Sale Prospectus and the Prospectus, and (ii) since the respective dates as of which information is given in the Registration Statement, the Time of Sale Prospectus and the Prospectus, there shall not have been any change in the consolidated capital stock or any increase in the consolidated long-term debt of the Company and its subsidiaries, taken as a whole, or any change, or any development involving a prospective change, in or affecting the business, financial position, shareholders’ equity or results of operations of the Company and its subsidiaries, taken as a whole, otherwise than as set forth or contemplated in the Registration Statement, the Time of Sale Prospectus and the Prospectus, the effect of which, in any such case described in clause (i) or (ii), is in the reasonable judgment of the Representatives so material and adverse as to make it impracticable or inadvisable to proceed with the offering or the delivery of the Securities on the terms and in the manner contemplated in the Registration Statement, the Time of Sale Prospectus and the Prospectus;

(g) No Downgrade. On or after the date of this Agreement (i) no downgrading shall have occurred, nor shall any notice have been given of any intended or potential downgrading, in the rating accorded the Company (if any) or any of the securities of the Company or any of its

subsidiaries by Moody's Investor Services or Standard & Poor's Ratings Service and (ii) neither organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's debt securities;

(h) Officers' Certificate. The Company shall have furnished or caused to be furnished to the Representatives on the Closing Date a certificate of officers of the Company, satisfactory to the Representatives as to the accuracy of the representations and warranties of the Company herein at and as of the Closing Date, as to the performance by the Company of all of its respective obligations hereunder to be

10

performed at or prior to the Closing Date and as to the matters set forth in 5(f) and 5(g); and

6. Covenants of the Company. The Company covenants to each Underwriter as follows:

(a) Compliance with Securities Regulations and Commission Requests. The Company will comply with the requirements of Rule 430B and will notify the Representatives immediately, and confirm the notice in writing, (i) when any post-effective amendment to the Registration Statement or new registration statement relating to the Securities shall become effective, or any supplement to the Prospectus or any amended Prospectus shall have been filed, (ii) of the receipt of any comments from the Commission, (iii) of any request by the Commission for any amendment to the Registration Statement or the filing of a new registration statement or any amendment or supplement to the Prospectus or any document incorporated by reference therein or otherwise deemed to be a part thereof or for additional information relating to the Registration Statement or the Prospectus, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or such new registration statement or of any order preventing or suspending the use of any preliminary prospectus, or of the suspension of the qualification of the Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes or of any examination pursuant to Section 8(e) of the Securities Act concerning the Registration Statement and (v) if the Company becomes the subject of a proceeding under Section 8A of the Securities Act in connection with the offering of the Securities. The Company will effect the filings required under Rule 424(b), in the manner and within the time period required by Rule 424(b), and will take such steps as it deems necessary to ascertain promptly whether the form of prospectus transmitted for filing under Rule 424(b) was received for filing by the Commission and, in the event that it was not, it will promptly file such prospectus. The Company will make every reasonable effort to prevent the issuance of any stop order and, if any stop order is issued, to obtain the lifting thereof at the earliest possible moment;

(b) Delivery of Prospectus. To furnish to the Representatives in New York City, without charge, prior to 10:00 a.m. New York City time on the second business day next succeeding the date of this Agreement and during the period mentioned in Section 6(e) or (f), as many copies of the Time of Sale Prospectus, the Prospectus, any documents incorporated by reference therein and any supplements and amendments thereto as the Representatives may reasonably request;

(c) Delivery of Registration Statement. Before amending or supplementing the Registration Statement, the Time of Sale Prospectus or the Prospectus during any period when a prospectus relating to the Securities is required to be delivered under the Securities Act, to furnish to the Representatives a copy of each such proposed amendment or supplement and not to file any such proposed amendment or supplement to which the Representatives reasonably object, except as may be required by applicable law;

(d) Issuer Free Writing Prospectuses. To furnish to the Representatives a copy of each proposed free writing prospectus to be prepared by or on behalf of, used by, or referred to by the Company and not to use or refer to any proposed free writing prospectus to which the Representatives reasonably object; not to take any action that

11

would result in an Underwriter or the Company being required to file with the Commission pursuant to Rule 433(d) under the Securities Act a free writing prospectus prepared by or on behalf of the Underwriter that the Underwriter otherwise would not have been required to file thereunder;

(e) Continued Compliance with Securities Laws. If the Time of Sale Prospectus is being used to solicit offers to buy the Securities at a time when the Prospectus is not yet available to prospective purchasers and any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Time of Sale Prospectus in order to make the statements therein, in the light of the circumstances, not misleading, any event shall occur or condition exist as a result of which the Time of Sale Prospectus conflicts with the information contained in the Registration Statement then on file, or if, in the opinion of counsel for the Underwriters, it is necessary to amend or supplement the Time of Sale Prospectus to comply with applicable law, forthwith to prepare, file with the Commission and furnish, at its own expense, to the Underwriters and to any dealer upon request, either amendments or supplements to the Time of Sale Prospectus so that the statements in the Time of Sale Prospectus as so amended or supplemented will not, in the light of the circumstances when the Time of Sale Prospectus is delivered to a prospective purchaser, be misleading or so that the Time of Sale Prospectus, as amended or supplemented, will no longer conflict with the Registration Statement, or so that the Time of Sale Prospectus, as amended or supplemented, will comply with applicable law; *provided* that all such amendments or supplements comply with Section 6(c) hereof;

(f) Filing of Amendments. If, during such period after the first date of the public offering of the Securities as in the opinion of counsel for the Underwriters the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is required by law to be delivered in connection with sales by an Underwriter or dealer, any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Prospectus in order to make the statements therein, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, not misleading, or if, in the opinion of counsel for the Underwriters, it is necessary to amend or supplement the Prospectus to comply with applicable law, forthwith to prepare, file with the Commission and furnish, at its own expense (unless such amendment or supplement shall be made more than six months after the date of this Agreement, in which case at the sole expense of the Underwriters), to the Underwriters and to the dealers (whose names and addresses you will furnish to the Company) to which Securities may have been sold by you on behalf of the Underwriters and to any other dealers upon request, either amendments or supplements to the Prospectus so that the statements in the Prospectus as so amended or supplemented will not, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, be misleading or so that the Prospectus, as amended or supplemented, will comply with applicable law; *provided* that all such amendments or supplements comply with Section 6(c) hereof;

(g) Blue Sky Qualifications. To endeavor to qualify the Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions as the Representatives shall reasonably request and to continue such qualifications, if any, in effect so long as required for the underwriting of the Securities by the Underwriters; *provided* that the Company shall not be required to qualify as a foreign corporation or to file a general

12

consent to service of process in any jurisdiction or subject itself to taxation in a jurisdiction in which it is not otherwise subject;

(h) Earning Statement. To make generally available to the Company's security holders and to you as soon as practicable an earning statement covering a period of at least twelve months beginning with the first fiscal quarter of the Company occurring after the date of this Agreement which shall satisfy the provisions of Section 11(a) of the Securities Act and the rules and regulations of the Commission thereunder;

(i) Fees and Expenses. Whether or not the transactions contemplated in this Agreement are consummated or this Agreement is terminated, to pay or cause to be paid the following: (i) the fees, disbursements and expenses of the counsel and accountants for the Company in connection with the registration and delivery of the Securities under the Securities Act and all other fees or expenses in connection with the preparation and filing of the Registration Statement, any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, any free writing prospectus prepared by or on behalf of, used by, or referred to by the Company and amendments and supplements to any of the foregoing, including the filing fees payable to the Commission relating to the Securities (within the time required by Rule 456 (b)(1), if applicable), amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and dealers; (ii) the cost of printing or producing this Agreement, the Indenture, any Blue Sky survey and any other documents in connection with the offering, purchase, sale and delivery of the Securities; (iii) all expenses in connection with the qualification of the Securities for offering and sale under state securities laws as provided in Section 8(g) hereof, including the reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky or legal investment memorandum; (iv) any reasonable fees charged by securities rating services for rating the Securities; (v) the fees and expenses of the Trustee and any agent of the Trustee and the fees and disbursements of counsel for any Trustee in connection with the Indenture and the Securities; and (vi) all filing fees and the reasonable fees and disbursements of counsel to the Underwriters incurred in connection with the review and qualification of the offering of the Securities by the Financial Industry Regulatory Authority, and all other costs and expenses incident to the performance of their obligations hereunder which are not otherwise specifically provided for in this Section 6. It is understood, however, that, except as provided in this Section 6, Section 7 and Section 10 hereof, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, transfer taxes on the transfer of any of the Securities by them, and any advertising expenses connected with any offers they may make; each Underwriter agrees to pay the portion of such expenses represented by such Underwriter's pro rata share (based on the proportion that the principal amount of Securities set forth opposite each Underwriter's name in Schedule II bears to the aggregate principal amount of Securities set forth opposite the names of all Underwriters) of the Securities.

(j) Regulation M. Not to take any action prohibited by Regulation M under the Exchange Act in connection with the distribution of the Securities contemplated hereby;

(k) Use of Proceeds. To use the proceeds from the sale of the Securities in the manner described in the Time of Sale Prospectus and the Prospectus;

13

(l) Delivery of Documents. During the period of one year hereafter, the Company will furnish to the Underwriters, as soon as available, a copy of each of the reports, notices or communications sent to securityholders, if not available on the Commission's Electronic Data Gathering, Analysis and Retrieval system;

(m) Preparation of a Final Term Sheet. To prepare a final term sheet relating to the offering of the Securities (a "**Final Term Sheet**"), containing only information that describes the final terms of the Securities or the offering in a form consented to by the Underwriters, and to file such final term sheet within the period required by Rule 433(d)(5)(ii) under the Securities Act following the date the final terms have been established for the offering of the Securities; and

(n) Restriction on Sale of Securities. The Company also agrees that, without the prior written consent of the Representatives on behalf of the Underwriters, it will not, during the period beginning on the date hereof and continuing to and including the Closing Date, offer, sell, contract to sell or otherwise dispose of any debt securities of the Company or warrants to purchase debt securities of the Company substantially similar to the Securities (other than the sale of the Securities under this Agreement or securities or warrants permitted with the prior written consent of the Representatives identified in Schedule I with the authorization to release this lock-up on behalf of the Underwriters).

7. Covenants of the Underwriters. Each Underwriter severally covenants with the Company not to take any action that would result in the Company being required to file with the Commission under Rule 433(d) a free writing prospectus prepared by or on behalf of such Underwriter that otherwise would not be required to be filed by the Company thereunder, but for the action of the Underwriter.

8. Indemnity and Contribution.

(a) The Company will indemnify and hold harmless each Underwriter, its directors, officers and employees, each person, if any, who controls any Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, and each affiliate of any Underwriter within the meaning of Rule 405 under the Securities Act, from and against any and all losses, claims, damages and liabilities, joint or several, to which such Underwriter, director, officer, employee, controlling person or affiliate may become subject under such Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Time of Sale Prospectus or any amendment or supplement thereto, any free writing prospectus as defined in Rule 433(h) under the Securities Act, any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act, any "road show" as defined in Rule 433(h) under the Securities Act (a "**road**

show”), the Prospectus or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary in order to make the statements therein in the light of the circumstances under which they were made not misleading, and will reimburse each Underwriter, director, officer, employee, controlling person or affiliate for any legal or other expenses reasonably incurred by such Underwriter, director, officer, employee or controlling person in connection with investigating or defending any such loss, damage, liability, action or claim as such expenses are incurred; *provided*, however, that the Company shall not be liable in any such case to the extent

that any such loss, harm, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Prospectus or any free writing prospectus or any amendment or supplement thereto in reliance upon and in conformity with the Underwriters’ Information (as defined in Section 8(b) below) relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use therein, and provided further, that the foregoing indemnity agreement shall not inure to the benefit of any Underwriter from whom the person asserting any such loss, liability, claim, damage or expense purchased Securities, or any person controlling such Underwriter, if the Company provides a copy of an amendment or supplement to the Prospectus or any free writing prospectus as theretofore provided to such Underwriter by the Company (with notice that such amendment or supplement contains additional or different material information from that previously provided) sufficiently far enough in advance of the time of sale in order to enable such Underwriter to convey such amendment or supplement to the purchaser of the Securities, and such amendment or supplement (x) was not conveyed by or on behalf of such Underwriter to such person at or prior to the entry into the contract of sale of the Securities by such person, and (y) would have cured the defect giving rise to such loss, liability, claim, damage or expense.

(b) Each Underwriter will, severally and not jointly, indemnify and hold harmless the Company and its respective directors, officers and employees and each person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act against any losses, claims, damages or liabilities to which the Company or any of its respective directors, officers, employees or controlling persons may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liability (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Registration Statement, the Time of Sale Prospectus, any preliminary prospectus, free writing prospectus, road show or the Prospectus, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary in order to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement, or omission or alleged omission was made in any Registration Statement, the Time of Sale Prospectus, any preliminary prospectus, free writing prospectus or the Prospectus, or any such amendment or supplement, in reliance upon and conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use therein; and each Underwriter will reimburse the Company, or any director, officer, employee or controlling person of the Company, for any legal or other expenses reasonably incurred by the Company, or any such director, officer, employee or controlling person in connection with investigating, or defending any such loss, damage, liability, action or claim as such expenses are incurred, but only with reference to the Underwriters’ Information (defined below) relating to such Underwriter furnished to the Company in writing by such Underwriter through you expressly for use in the Registration Statement, the Time of Sale Prospectus, any free writing prospectus or the Prospectus or any amendment or supplement thereto. The Company hereby acknowledges that the only such information are the statements set forth in the first, second and third paragraphs under the sub-heading “Stabilization and Short Positions,” in each case under the caption “Underwriting” in the Time of Sale Prospectus and the Prospectus (collectively, the “Underwriters’ Information”).

(c) Promptly after receipt by an indemnified party under Sections 8(a) and 8(b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party except to the extent such omission materially prejudices the indemnifying party. In case any such action shall be brought against any indemnified party, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation.

(d) To the extent the indemnification provided for in Sections 8(a) and 8(b) is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities referred to therein (or actions in respect thereof), then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand and the Underwriters on the other hand from the offering of the Securities or (ii) if the allocation provided by clause 8(d)(i) above is not permitted by applicable law or if the indemnified party failed to give notice required under Section 8(c) above, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and of the Underwriters on the second hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other hand in connection with the offering of the Securities shall be deemed to be in the same respective proportions as the net proceeds from the offering of the Securities (before deducting expenses) received by the Company and the total discounts and commissions received by the Underwriters bear to the aggregate offering price of the Securities. The relative fault of the Company on the one hand and of the Underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Underwriters’ respective obligations to contribute pursuant to this Section 8 are several in proportion to the respective principal amount of Securities they have purchased hereunder, and not joint.

(e) The Company and the Underwriters agree that it would not be just or equitable if contribution pursuant to this Section 8 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that

losses, claims, damages and liabilities referred to in Section 8(d) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 8 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

(f) The indemnifying party under this Section 8 shall not be liable for any settlement of any proceeding effected without its written consent but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party against any loss, claim, damage, liability or expense by reason of such settlement or final judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by this Section 8, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request or disputed in good faith the indemnified party's entitlement to such reimbursement prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement, compromise or consent to the entry of judgment in any pending or threatened action, suit or proceeding in respect of which any indemnified party is or could have been a party and indemnity was or could have been sought hereunder by such indemnified party, unless such settlement, compromise or consent (i) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such action, suit or proceeding and (ii) does not include any statements as to or any findings of fault, culpability or failure to act by or on behalf of any indemnified party.

(g) The indemnity and contribution provisions contained in this Section 8 and the representations, warranties and other statements of the Company contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Underwriter, any person controlling any Underwriter or any affiliate of any Underwriter or by or on behalf of the Company, its officers or directors or any person controlling the Company and (iii) acceptance of and payment for any of the Securities.

9. *Termination.* The Underwriters may terminate this Agreement by notice given by Representatives to the Company, if after the execution and delivery of this Agreement and prior to the Closing Date there shall have occurred (i) a suspension of trading of the Company's common shares by the Commission or the New York Stock Exchange; (ii) a suspension or material limitation in trading in securities generally on the New York Stock Exchange; (iii) a general moratorium on commercial banking activities in New York declared by either Federal or New York State authorities; (iv) a material disruption in commercial banking or securities

settlement, payment or clearance services in the United States; or (v) the outbreak or escalation of hostilities or the occurrence of any other calamity or crisis or any material adverse change in financial markets, if the effect of any such event specified in this clause (v) makes it, in the Representatives' judgment, impracticable or inadvisable to proceed with the offer, sale or delivery of the Securities on the terms and in the manner contemplated in the Time of Sale Prospectus or the Prospectus.

10. *Effectiveness; Defaulting Underwriters.* This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.

If, on the Closing Date, any one or more of the Underwriters shall fail or refuse to purchase the Securities that it has or they have agreed to purchase hereunder on such date, and the aggregate principal amount of the Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate principal amount of the Securities to be purchased on such date, the other Underwriters shall be obligated severally in the proportions that the principal amount of the Securities set forth opposite their respective names in Schedule II bears to the aggregate principal amount of the Securities set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as the Representatives may specify, to purchase the portion of such Underwriters' Securities which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase on such date; *provided* that in no event shall the principal amount of the Securities that any Underwriter has agreed to purchase pursuant to this Agreement be increased pursuant to this Section 10 by an amount in excess of one-ninth of such principal amount of the Securities without the written consent of such Underwriter. If, on the Closing Date any Underwriter or Underwriters shall fail or refuse to purchase Securities and the aggregate principal amount of the Securities with respect to which such default occurs is more than one-tenth of the aggregate principal amount of the Securities to be purchased on such date, and arrangements satisfactory to the Representatives, the Company, for the purchase of such Securities are not made within 36 hours after such default, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter and the Company. In any such case, either the Representatives or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement, in the Time of Sale Prospectus, in the Prospectus or in any other documents or arrangements may be effected. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

If this Agreement shall be terminated by the Underwriters, or any of them, because of any failure or refusal on the part of the Company to comply with the terms or to fulfill any of the conditions of this Agreement, or if for any reason the Company shall be unable to perform its obligations under this Agreement, the Company will reimburse the Underwriters or such Underwriters as have so terminated this Agreement with respect to themselves, severally, for all out-of-pocket expenses (including the fees and disbursements of their counsel) reasonably incurred by such Underwriters in connection with this

Agreement or the offering contemplated hereunder but the Company shall then be under no further liability to any Underwriter with respect this Agreement except as provided in Section 6(i) and Section 8 hereof.

11. *Entire Agreement.* This Agreement, together with any contemporaneous written agreements and any prior written agreements (to the extent not superseded by this Agreement) that relate to the offering of the Securities, represents the entire agreement between the Company and the Underwriters with respect to the preparation of any preliminary prospectus, the Time of

18

Sale Prospectus, the Prospectus, the conduct of the offering, and the purchase and sale of the Securities.

12. *Counterparts.* This Agreement may be executed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument, and shall become effective when one or more counterparts have been signed by each of the parties and delivered (by telecopy, electronic delivery or otherwise) to the other parties. Signatures to this Agreement transmitted by facsimile transmission, by electronic mail in “**portable document format**” (“**.pdf**”) form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing the original signature.

13. *Applicable Law.* This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York.

14. *Headings.* The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.

15. *Notices.* All communications hereunder shall be in writing and effective only upon receipt and if to the Underwriters shall be delivered, mailed or sent to the Representatives in care of Merrill Lynch, Pierce, Fenner & Smith Incorporated, 50 Rockefeller Plaza, NY1-050-12-01, New York, New York 10020, Attention: High Grade Debt Capital Markets Transaction Management/Legal; J.P. Section 2.3. [Reserved].

Section 2.4. *Form and Dating.*

(a) *General.* The 2021 Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A1 hereto. The 2023 Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A2 hereto. The 2028 Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A3 hereto. The 2048 Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A4 hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Note shall be dated the date of its authentication. The Notes shall be in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The Notes of each series and any additional Notes of such series subsequently issued under the Indenture will be treated as a single series or class for all purposes under the Indenture, including, without limitation, waivers, amendments and redemptions; provided that, if any such additional Notes are not fungible with the existing Notes for Federal income tax purposes, such additional Notes will have a separate CUSIP number.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Supplemental Indenture, and the Company and the Trustee, by their execution and delivery of this Supplemental Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Supplemental

Indenture, the provisions of this Supplemental Indenture shall govern and be controlling.

The Company hereby designates The Depository Trust Company as the initial Depository for the Global Notes.

(b) *Global Notes.* The Notes will be issued initially in the form of one or more global notes (the “Global Notes”) in definitive, fully registered, book-entry form. The Global Notes will be delivered to the Notes Custodian and registered in the name of the Depository or the nominee of such Depository. The aggregate principal amount of the Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee as hereinafter provided.

(c) *Book-Entry Provisions.* This Section 2.4(c) shall apply only to a Global Note deposited with or on behalf of the Depository. The Company shall execute and the Trustee shall, in accordance with this Section 2.4(c) and pursuant to an order of the Company, authenticate and deliver initially one or more Global Notes that (a) shall be registered in the name of the Depository for such Global Note or Global Notes or the nominee of such Depository and (b) shall be delivered by the Trustee to such Depository or pursuant to such Depository’s instructions or held by the Trustee as Notes Custodian.

Payments in respect of the principal of, premium, if any, and interest on a Global Note registered in the name of the Depository or its nominee will be payable to the Depository in its capacity as the registered holder under the Indenture. Under the terms of the Indenture, the Company, the Trustee and any agent of the Company or the Trustee will treat the persons in whose names the Notes, including the Global Notes, are registered as the owners of the Notes for the purpose of receiving payments and for all other purposes, whether or not the Notes be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Participants, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) *Definitive Notes.* Except as provided in Section 2.6, owners of a beneficial interest in the Global Notes will not have Notes registered in their names, will not receive physical delivery of Definitive Notes and will not be considered the registered owners or “holders” thereof under the Indenture for any purpose.

Section 2.5. *Transfer and Exchange.*

(a) *Transfer and Exchange of Definitive Notes.* When Definitive Notes are presented to the Security Registrar with a request:

(i) to register the transfer of such Definitive Notes; or

5

(ii) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations, the Security Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Definitive Notes surrendered for transfer or exchange:

(A) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Security Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(B) are accompanied by the following additional information and documents, as applicable:

(x) if such Definitive Notes are being delivered to the Security Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect (in the form set forth on the reverse side of the Note); or

(y) if such Definitive Notes are being transferred to the Company, a certification to that effect (in the form satisfactory to the Trustee).

(b) *Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note.* A Definitive Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirement set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Security Registrar, together with written instructions directing the Trustee to make, or to direct the Notes Custodian to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depository account to be credited with such increase, then the Trustee shall cancel such Definitive Note and cause, or direct the Notes Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Notes Custodian, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Definitive Note so canceled. If no Global Notes are then outstanding and the Global Note has not been previously exchanged for certificated securities pursuant to Section 2.6, the Company shall issue and the Trustee shall authenticate, upon receipt of a Company Order, a new Global Note in the appropriate principal amount.

(c) *Transfer and Exchange of Global Notes.*

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with this Supplemental Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor. A transferor of a beneficial interest in a Global Note shall deliver a written order given in accordance with the Depository's procedures containing information regarding the participant account of the Depository to be credited with a beneficial interest in such Global Note or another Global Note and such account shall be credited in accordance with such order with a beneficial interest in the applicable Global Note and the account of the Person making the transfer shall be debited by an amount equal to the beneficial interest in the Global Note being transferred.

(ii) If the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, the Security Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Security Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Supplemental Indenture (other than the provisions set forth in Section 2.6), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(d) *[Reserved]*.

(e) *[Reserved]*.

(f) *Cancellation or Adjustment of Global Note.* At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by the Depository to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Notes Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

7

(g) *Obligations with Respect to Transfers and Exchanges of Notes.*

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate, Definitive Notes and Global Notes at the Security Registrar's request.

(h) Prior to the due presentation for registration of transfer of any Note, the Company, the Trustee, the Paying Agent or the Security Registrar may deem and treat the person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent or the Security Registrar shall be affected by notice to the contrary.

(i) The Company hereby appoints the Trustee as Security Registrar for the Notes. [FORM OF REVERSE OF SECURITY]

This Security is one of a duly authorized issue of securities of the Company (herein called the "Securities"), issued and to be issued in one or more series under an Indenture, dated as of November 8, 2012, as it may be supplemented or amended from time to time (herein called the "Indenture"), between the Company and U.S. Bank National Association, as Trustee (herein called the "Trustee," which term includes any successor trustee under the Indenture), and Supplemental Indenture No. 5, dated as of September 18, 2018 (herein called the "Supplemental Indenture"), among the Company and the Trustee, to which Indenture, Supplemental Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities of this series and of the terms upon which the Securities of this series are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, in an initial aggregate principal amount of \$1,250,000,000.

At any time prior to the maturity date of the Securities of this series, the Company may redeem some or all of the Securities of this series at its option, in each case at a redemption price equal to the greater of: (i) 100% of the principal amount of the Securities of this series to be redeemed; and (ii) the sum of the present values of the remaining scheduled payments (through the maturity date with respect to the Securities of this series) of principal and interest on the Securities of this series to be redeemed (exclusive of interest accrued to the date of redemption) discounted to the date of redemption on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the then current Treasury Rate plus 10 basis points. In each case, the Company will pay accrued and unpaid interest on the principal amount being redeemed to, but excluding, the date of redemption.

If the Company has given notice as provided in the Indenture and funds for the redemption of any Securities of this series called for redemption have been made available on the Redemption Date in accordance with the Indenture, such Securities will cease to bear interest on the date fixed for redemption. Thereafter, the only right of the Holders of such Securities will be to receive payment of the redemption price.

The Company will give notice of any optional redemption to Holders at their addresses, as shown in the Security Register for such Securities, not more than 60 nor less than 30 days prior to the date fixed for redemption. The notice of redemption will specify, among other items, the Redemption Date, redemption price, the principal amount of the Securities of this series to be redeemed and the place or places that payment will be made upon surrender of the Securities of this series to be redeemed.

The Company will notify the Trustee at least 45 days prior to the Redemption Date fixed by the Company (or such shorter period as is satisfactory to the Trustee) of the aggregate principal amount of the Securities of this series to be redeemed and their Redemption Date. If less than all of the Securities of this series are to be redeemed at any time, the Trustee shall select, not more than 45 days prior to the Redemption Date,

which Securities or the portion thereof, that are to be redeemed from the outstanding Securities of this series not previously redeemed by random lot.

"Comparable Treasury Issue" means the United States Treasury security selected by the Independent Investment Banker as having a maturity comparable to the remaining term ("Remaining Life") of the Securities of this series to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the Remaining Life of such Securities.

"Comparable Treasury Price" means, with respect to any Redemption Date, (1) if the Company obtains four or more Reference Treasury Dealer Quotations for such Redemption Date, the average of such Reference Treasury Dealer Quotations, after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

"Independent Investment Banker" means one of the Reference Treasury Dealers that the Company appoints to act as the Independent Investment Banker from time to time.

“New York Business Day” means any calendar day that is not a Saturday, Sunday or legal holiday in New York, New York and on which commercial banks are open for business in New York, New York.

“Primary Treasury Dealer” means a primary United States government securities dealer in the United States of America.

“Reference Treasury Dealer” means (i) J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Morgan Stanley & Co. LLC, BNP Paribas Securities Corp. and their respective successors; provided, however, that if any of them ceases to be a Primary Treasury Dealer, the Company will substitute therefor another Primary Treasury Dealer and (ii) any other Primary Treasury Dealers the Company selects.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 3:30 p.m., New York City time, on the third New York Business Day preceding such Redemption Date.

“Treasury Rate” means, with respect to any Redemption Date, (1) the rate per annum equal to the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15(519)” or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the

A-1-7

caption “Treasury Constant Maturities” for the maturity corresponding to the Comparable Treasury Issue; provided that, if no maturity is within three months before or after the Remaining Life of the Securities of this series to be redeemed, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Treasury Rate shall be interpolated or extrapolated from those yields on a straight line basis, rounding to the nearest month; or (2) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per year equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date. The Treasury Rate shall be calculated on the third New York Business Day preceding the Redemption Date.

The Securities of this series do not provide for a sinking fund.

If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Security or certain restrictive covenants and Events of Default with respect to this Security, in each case upon compliance with certain conditions set forth therein. Sections 13.2 and 13.3 of the Indenture apply to the Securities of this series.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities at the time Outstanding of any series, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture or Supplemental Indenture and no provision of this Security or of the Indenture or Supplemental Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registerable in the Security Register, upon surrender of

A-1-8

this Security for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any registration of transfer or exchange of the Notes, but the Company or the Security Registrar may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charge payable upon exchange or transfer pursuant to Sections 9.6 or 11.7 of the Indenture).

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee will treat the Person in whose name this Security is registered as the owner hereof for the purpose of receiving payments and for all other purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

All terms used in this Security which are defined in the Indenture and Supplemental Indenture shall have the meanings assigned to them in the Indenture and Supplemental Indenture.

THIS SECURITY SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

[FORM OF REVERSE OF SECURITY]

This Security is one of a duly authorized issue of securities of the Company (herein called the "Securities"), issued and to be issued in one or more series under an Indenture, dated as of November 8, 2012, as it may be supplemented or amended from time to time (herein called the "Indenture"), between the Company and U.S. Bank National Association, as Trustee (herein called the "Trustee," which term includes any successor trustee under the Indenture), and Supplemental Indenture No. 5, dated as of September 18, 2018 (herein called the "Supplemental Indenture"), among the Company and the Trustee, to which Indenture, Supplemental Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities of this series and of the terms upon which the Securities of this series are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, in an initial aggregate principal amount of \$1,250,000,000.

At any time prior to the Par Call Date, the Company may redeem some or all of the Securities of this series at its option, in each case at a redemption price equal to the greater of: (i) 100% of the principal amount of the Securities of this series to be redeemed; and (ii) the sum of the present values of the remaining scheduled payments (through the Par Call Date assuming for such purpose that such Securities matured on the Par Call Date) of principal and interest on the Securities of this series to be redeemed (exclusive of interest accrued to the date of redemption) discounted to the date of redemption on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the then current Treasury Rate plus 15 basis points. “Comparable Treasury Price” means, with respect to any Redemption Date, (1) if the Company obtains four or more Reference Treasury Dealer Quotations for such Redemption Date, the average of such Reference Treasury Dealer Quotations, after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

“Treasury Rate” means, with respect to any Redemption Date, (1) the rate per annum equal to the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15(519)” or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption “Treasury Constant Maturities” for the maturity corresponding to the Comparable Treasury Issue; provided that, if no maturity is within three months before or after the Remaining Life of the Securities of this series to be redeemed, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Treasury Rate shall be interpolated or extrapolated from those yields on a straight line basis, rounding to the nearest month; or (2) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per year equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date. The Treasury Rate shall be calculated on the third New York Business Day preceding the Redemption Date.

The Securities of this series do not provide for a sinking fund.

The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities at the time Outstanding of any series, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registerable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

This Security is one of a duly authorized issue of securities of the Company (herein called the "Securities"), issued and to be issued in one or more series under an Indenture, dated as of November 8, 2012, as it may be supplemented or amended from time to time (herein called the "Indenture"), between the Company and U.S. Bank National Association, as Trustee (herein called the "Trustee," which term includes any successor trustee under the Indenture), and Supplemental Indenture No. 5, dated as of September 18, 2018 (herein called the "Supplemental Indenture"), among the Company and the Trustee, to which Indenture, Supplemental Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities of this series and of the terms upon

which the Securities of this series are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, in an initial aggregate principal amount of \$1,750,000,000.

At any time prior to the Par Call Date, the Company may redeem some or all of the Securities of this series at its option, in each case at a redemption price equal to the greater of: (i) 100% of the principal amount of the Securities of this series to be redeemed; and (ii) the sum of the present values of the remaining scheduled payments (through the Par Call Date assuming for such purpose that such Securities matured on the Par Call Date) of principal and interest on the Securities of this series to be redeemed (exclusive of interest accrued to the date of redemption) discounted to the date of redemption on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the then current Treasury Rate plus 25 basis points. In each case, the Company will pay accrued and unpaid interest on the principal amount being redeemed to, but excluding, the date of redemption.

In addition, at any time on or after the Par Call Date, the Company may redeem some or all of the Securities of this series at its option, in each case at a redemption price equal to 100% of the principal amount of the Securities of such series to be redeemed, plus, in each case, accrued and unpaid interest on the principal amount being redeemed to, but excluding, the Redemption Date.

If the Company has given notice as provided in the Indenture and funds for the redemption of any Securities of this series called for redemption have been made available on the Redemption Date in accordance with the Indenture, such Securities will cease to bear interest on the date fixed for redemption. Thereafter, the only right of the Holders of such Securities will be to receive payment of the redemption price.

The Company will give notice of any optional redemption to Holders at their addresses, as shown in the Security Register for such Securities, not more than 60 nor less than 30 days prior to the date fixed for redemption. The notice of redemption will specify, among other items, the Redemption Date, redemption price, the principal amount of the Securities of this series to be redeemed and the place or places that payment will be made upon surrender of the Securities of this series to be redeemed.

A-3-6

The Company will notify the Trustee at least 45 days prior to the Redemption Date fixed by the Company (or such shorter period as is satisfactory to the Trustee) of the aggregate principal amount of the Securities of this series to be redeemed and their Redemption Date. If less than all of the Securities of this series are to be redeemed at any time, the Trustee shall select, not more than 45 days prior to the Redemption Date, which Securities or the portion thereof, that are to be redeemed from the outstanding Securities of this series not previously redeemed by random lot.

“Comparable Treasury Price” means, with respect to any Redemption Date, (1) if the Company obtains four or more Reference Treasury Dealer Quotations for such Redemption Date, the average of such Reference Treasury Dealer Quotations, after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

A-3-7

of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 3:30 p.m., New York City time, on the third New York Business Day preceding such Redemption Date.

“Treasury Rate” means, with respect to any Redemption Date, (1) the rate per annum equal to the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15(519)” or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption “Treasury Constant Maturities” for the maturity corresponding to the Comparable Treasury Issue; provided that, if no maturity is within three months before or after the Remaining Life of the Securities of this series to be redeemed, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Treasury Rate shall be interpolated or extrapolated from those yields on a straight line basis, rounding to the nearest month; or (2) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per year equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities at the time Outstanding of any series, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. [FORM OF REVERSE OF SECURITY]

This Security is one of a duly authorized issue of securities of the Company (herein called the "Securities"), issued and to be issued in one or more series under an Indenture, dated as of November 8, 2012, as it may be supplemented or amended from time to time (herein called the "Indenture"), between the Company and U.S. Bank National Association, as Trustee (herein called the "Trustee," which term includes any successor trustee under the Indenture), and Supplemental Indenture No. 5, dated as of September 18, 2018 (herein called the "Supplemental Indenture"), among the Company and the Trustee, to which Indenture, Supplemental Indenture and all indentures supplemental thereto reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities of this series and of the terms upon which the Securities of this series are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof, in an initial aggregate principal amount of \$1,750,000,000.

At any time prior to the Par Call Date, the Company may redeem some or all of the Securities of this series at its option, in each case at a redemption price equal to the greater of: (i) 100% of the principal amount of the Securities of this series to be redeemed; and (ii) the sum of the present values of the remaining scheduled payments (through the Par Call Date assuming for such purpose that such Securities matured on the Par Call Date) of principal and interest on the Securities of this series to be redeemed (exclusive of interest accrued to the date of redemption) discounted to the date of redemption on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the then current Treasury Rate plus 30 basis points. In each case, the Company will pay accrued and unpaid interest on the principal amount being redeemed to, but excluding, the date of redemption.

In addition, at any time on or after the Par Call Date, the Company may redeem some or all of the Securities of this series at its option, in each case at a redemption price equal to 100% of the principal amount of the Securities of such series to be redeemed, plus, in each case, accrued and unpaid interest on the principal amount being redeemed to, but excluding, the Redemption Date.

If the Company has given notice as provided in the Indenture and funds for the redemption of any Securities of this series called for redemption have been made available on the Redemption Date in accordance with the Indenture, such Securities will cease to bear interest on the date fixed for redemption. Thereafter, the only right of the Holders of such Securities will be to receive payment of the redemption price.

The Company will give notice of any optional redemption to Holders at their addresses, as shown in the Security Register for such Securities, not more than 60 nor less than 30 days prior to the date fixed for redemption. The notice of redemption will specify, among other items, the Redemption Date, redemption price, the principal amount of the Securities of this series to be redeemed and the place or places that payment will be made upon surrender of the Securities of this series to be redeemed.

A-4-6

The Company will notify the Trustee at least 45 days prior to the Redemption Date fixed by the Company (or such shorter period as is satisfactory to the Trustee) of the aggregate principal amount of the Securities of this series to be redeemed and their Redemption Date. If less than all of the Securities of this series are to be redeemed at any time, the Trustee shall select, not more than 45 days prior to the Redemption Date, which Securities or the portion thereof, that are to be redeemed from the outstanding Securities of this series not previously redeemed by random lot.

"Comparable Treasury Issue" means the United States Treasury security selected by the Independent Investment Banker as having a maturity comparable to the remaining term (assuming, for this purpose, that the Securities matured on the Par Call Date) ("Remaining Life") of the Securities of this series to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the Remaining Life of such Securities (assuming, for this purpose, that the Securities matured on the Par Call Date).

"Comparable Treasury Price" means, with respect to any Redemption Date, (1) if the Company obtains four or more Reference Treasury Dealer Quotations for such Redemption Date, the average of such Reference Treasury Dealer Quotations, after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

"Independent Investment Banker" means one of the Reference Treasury Dealers that the Company appoints to act as the Independent Investment Banker from time to time.

"New York Business Day" means any calendar day that is not a Saturday, Sunday or legal holiday in New York, New York and on which commercial banks are open for business in New York, New York.

"Par Call Date" means May 14, 2048 (six months prior to the stated maturity of the Securities of this series).

"Primary Treasury Dealer" means a primary United States government securities dealer in the United States of America.

“Reference Treasury Dealer” means (i) J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Morgan Stanley & Co. LLC, BNP Paribas Securities Corp. and their respective successors; provided, however, that if any of them ceases to be a Primary Treasury Dealer, the Company will substitute therefor another Primary Treasury Dealer and (ii) any other Primary Treasury Dealers the Company selects.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Company,

A-4-7

of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer at 3:30 p.m., New York City time, on the third New York Business Day preceding such Redemption Date.

“Treasury Rate” means, with respect to any Redemption Date, (1) the rate per annum equal to the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated “H.15(519)” or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption “Treasury Constant Maturities” for the maturity corresponding to the Comparable Treasury Issue; provided that, if no maturity is within three months before or after the Remaining Life of the Securities of this series to be redeemed, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue shall be determined and the Treasury Rate shall be interpolated or extrapolated from those yields on a straight line basis, rounding to the nearest month; or (2) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per year equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date. The Treasury Rate shall be calculated on the third New York Business Day preceding the Redemption Date.

The Securities of this series do not provide for a sinking fund.

If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Security or certain restrictive covenants and Events of Default with respect to this Security, in each case upon compliance with certain conditions set forth therein. Sections 13.2 and 13.3 of the Indenture apply to the Securities of this series.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of not less than a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities at the time Outstanding of any series, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration

A-4-8

of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture or Supplemental Indenture and no provision of this Security or of the Indenture or Supplemental Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registerable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only in registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any registration of transfer or exchange of the Notes, but the Company or the Security Registrar may require payment of a sum sufficient to cover any transfer tax, assessments, or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charge payable upon exchange or transfer pursuant to Sections 9.6 or 11.7 of the Indenture).

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee will treat the Person in whose name this Security is registered as the owner hereof for the purpose of receiving payments and for all other purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Re: Current Report on Form 8-K Filed on September 18, 2018

Ladies and Gentlemen:

We have acted as special outside counsel to AbbVie Inc. (the "Company"), a Delaware corporation, in connection with the issuance and sale by the Company of \$1,250,000,000 aggregate principal amount of its 3.375% senior notes due 2021 (the "2021 Notes"), of \$1,250,000,000 aggregate principal amount of its 3.750% senior notes due 2023 (the "2023 Notes"), of \$1,750,000,000 aggregate principal amount of its 4.250% senior notes due 2028 (the "2028 Notes") and of \$1,750,000,000 aggregate principal amount of its 4.875% senior notes due 2048 (the "2048 Notes," and together with the 2021 Notes, the 2023 Notes, and the 2028 Notes, the "Notes").

The Notes were sold pursuant to an underwriting agreement, dated September 13, 2018, by and among the Company and Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, Morgan Stanley & Co. LLC and BNP Paribas Securities Corp., for themselves and as representatives of the several other underwriters named therein.

The Notes were issued pursuant to the Prospectus Supplement, dated September 13, 2018 (the "Prospectus Supplement") and filed with the United States Securities and Exchange Commission (the "SEC") on September 17, 2018, and the Prospectus dated September 13, 2018, filed as part of the shelf registration statement (File No. 333-227316) that automatically became effective under the Securities Act of 1933, as amended (including the rules and regulations thereunder, the "Act"), when filed with the SEC on September 13, 2018 (the "Registration Statement"). The Notes were issued under the Indenture dated as of November 8, 2012 (the "Base Indenture") between the Company and U.S. Bank National Association, as trustee (the "Trustee"), as supplemented by Supplemental Indenture No. 5, dated as of September 18, 2018 between the Company and the Trustee (the "Supplemental Indenture," and the Base Indenture, as supplemented by the Supplemental Indenture, the "Indenture"). The Supplemental Indenture and the form of Notes are filed as exhibits to the Company's Current Report on Form 8-K dated the date hereof.

In rendering this opinion, we have examined and relied on the Registration Statement, the Indenture, the form of Notes and such corporate records and other documents, and we have reviewed such matters of law, as we have deemed necessary or appropriate. We have also conducted such investigations of fact and law as we have deemed necessary or advisable for

purposes of this letter. In rendering this opinion, we have, with your consent, relied upon oral and written representations of officers of the Company and certificates of officers of the Company and public officials with respect to the accuracy of the factual matters addressed in such representations and certificates. In addition, in rendering this opinion we have, with your consent, assumed (a) the authenticity of original documents and the genuineness of all signatures, (b) the conformity to the originals of all documents submitted to us as copies, (c) each natural person signing any document reviewed by us had the legal capacity to do so, (d) each person signing in a representative capacity any document reviewed by us had authority to sign in such capacity, (e) the truth, accuracy and completeness of the information, representations and warranties contained in the records, documents, instruments and certificates we have reviewed, (f) that all Notes will be issued and sold in compliance with applicable federal and state securities laws, including applicable provisions of "blue sky" laws, and in the manner stated in the Registration Statement and the Prospectus Supplement, and (g) the organizational documents of the Company, each as amended to the date hereof, will not have been amended from the date hereof in a manner that would affect the validity of the opinion rendered herein. We have also assumed that the execution, delivery and performance of the Indenture, the Notes and the Underwriting Agreement (collectively, the "Transaction Documents") will not (i) violate, conflict with or result in a breach of, or require any consent under, the charters, bylaws or equivalent organizational documents of any party to such documents or the laws of the jurisdictions of organization or other applicable laws with respect to such parties, (ii) violate any requirement or restriction imposed by any order, writ, judgment, injunction, decree, determination or award of any court or governmental body having jurisdiction over any party to such documents or any of their respective assets or (iii) constitute a breach or violation of any agreement or instrument that is binding on any party to the Transaction Documents. We have also assumed that each party to the Transaction Documents other than the Company (in the case of parties that are not natural persons) has been duly organized and is validly existing and in good standing under its jurisdiction of organization, that each such party (other than, with respect to the Company, the Notes) has the legal capacity, power and authority (corporate or otherwise) to enter into, deliver and perform its obligations thereunder and that each of the Transaction Documents (other than, with respect to the Company, the Notes) constitutes the valid and legally binding obligation of all such parties, enforceable against them in accordance with its terms. As to any facts material to the opinions expressed herein that we did not independently establish or verify, we have relied upon statements and representations of officers and other representatives of the Company and others.

Based on the foregoing, and subject to the qualifications and limitations stated herein, we are of the opinion that the Notes, when authenticated by the Trustee in the manner provided in the Indenture and issued and delivered against payment of the purchase price therefor, will be the valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms.

The opinion set forth above is subject to the effects of (a) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting the enforcement of creditors' rights generally, (b) general equitable principles (including, without limitation, concepts of materiality, reasonableness, good faith and fair dealing) regardless of whether considered in a proceeding in equity or at law, (c) applicable law and public policy with respect to rights to indemnity and contribution, (d) an implied covenant of

good faith and fair dealing, (e) provisions of law that require that a judgment for money damages rendered by a court in the United States be expressed only in United States dollars, (f) limitations by any governmental authority that limit, delay or prohibit the making of payments outside the United States and

(g) generally applicable laws that (i) provide for the enforcement of oral waivers or modifications where a material change of position in reliance thereon has occurred or provide that a course of performance may operate as a waiver, (ii) limit the availability of a remedy under certain circumstances where another remedy has been elected, (iii) limit the enforceability of provisions releasing, exculpating or exempting a party from, or requiring indemnification or contribution of a party for, liability for its own action or inaction, to the extent the action or inaction involves negligence, gross negligence, recklessness, willful misconduct or unlawful conduct, (iv) may, where less than all of a contract may be unenforceable, limit the enforceability of the balance of the contract to circumstances in which the unenforceable portion is not an essential part of the agreed exchange, (v) may limit the enforceability of provisions providing for compounded interest, imposing increased interest rates or late payment charges upon delinquency in payment or default or providing for liquidated damages or for premiums or penalties upon acceleration and (vi) limit the waiver of rights under usury laws. We express no opinion as to whether, or the extent to which, the laws of any particular jurisdiction apply to the subject matter hereof, including, without limitation, the enforceability of the governing law provision contained in the Notes or the Indenture. Furthermore, the manner in which any particular issue relating to the opinions would be treated in any actual court case would depend in part on facts and circumstances particular to the case and would also depend on how the court involved chose to exercise the wide discretionary authority generally available to it. We express no opinion as to the effect of Section 210(p) of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

This letter is given on the basis of the law and the facts existing as of the date hereof. We assume no obligation to advise you of changes in matters of fact or law which may thereafter occur. Our opinion is based on statutory laws and judicial decisions that are in effect on the date hereof, and we do not opine with respect to any law, regulation, rule or governmental policy which may be enacted or adopted after the date hereof.

We are members of the bar of the State of New York. This opinion is limited to the laws of the State of New York and the Delaware General Corporation Law (including the statutory provisions and all applicable provisions of the Delaware Constitution and reported judicial decisions interpreting these laws), in each case as of the date hereof (the "Relevant Laws"). We express no opinion as to the laws of any jurisdiction other than the Relevant Laws that a New York lawyer exercising customary professional diligence would reasonably be expected to recognize as being applicable to the Company, the Transaction Documents or the transactions governed by the Transaction Documents. Without limiting the generality of the foregoing definition of Relevant Laws, the term "Relevant Laws" does not include any law, rule or regulation that is applicable to the Company or the Transaction Documents or such transactions solely because such law, rule or regulation is part of a regulatory regime applicable to any party to any of the Transaction Documents or any of its affiliates due to the specific assets or business of such party or such affiliate.

We hereby consent to the filing of copies of this opinion as an exhibit to the Company's Current Report on Form 8-K dated the date hereof, and to the references therein to

us. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act, and the rules and regulations of the SEC promulgated thereunder.

Very truly yours,

/s/ Wachtell, Lipton, Rosen & Katz
