Notes to Condensed Consolidated Financial Statements (unaudited)

Note 1 Basis of Presentation

Basis of Historical Presentation

The unaudited interim condensed consolidated financial statements of AbbVie Inc. (AbbVie or the company) have been prepared pursuant to the rules and regulations of the U.S. Securities and Exchange Commission. Accordingly, certain information and footnote disclosures normally included in annual financial statements prepared in accordance with generally accepted accounting principles in the United States (U.S. GAAP) have been omitted. These unaudited interim condensed consolidated financial statements should be read in conjunction with the company's audited consolidated financial statements and notes included in the company's Annual Report on Form 10-K for the year ended December 31, 2021.

It is management's opinion that these financial statements include all normal and recurring adjustments necessary for a fair presentation of the company's financial position and operating results. Net revenues and net earnings for any interim period are not necessarily indicative of future or annual results.

During the three months ended March 31, 2022, AbbVie revised its classification of development milestone expense associated with licensing and collaboration arrangements in the consolidated statement of earnings. Milestone payments incurred prior to regulatory approval, which were previously included in research and development expense, are now presented as acquired IPR&D and milestones expense. The reclassification decreased research and development expense and increased acquired IPR&D and milestones expense by \$115 million for the three months ended March 31, 2021. The company believes this presentation assists users of the financial statements to better understand the total upfront and subsequent development milestone payments incurred to acquire in-process research and development projects. Prior periods have been reclassified to conform to the current period presentation. The reclassification had no impact on total operating costs and expenses, operating earnings, net earnings, net earnings attributable to AbbVie, Inc., earnings per share, or total equity. Certain other reclassifications were made to conform the prior period interim condensed consolidated financial statements to the current period presentation.

Note 3 Earnings Per Share

AbbVie grants certain restricted stock units (RSUs) that are considered to be participating securities. Due to the presence of participating securities, AbbVie calculates earnings per share (EPS) using the more dilutive of the treasury stock or the two-class method. For all periods presented, the two-class method was more dilutive.

The following table summarizes the impact of the two-class method:

(in millions, except per share data)	Three months ended March 31,	
	2022	2021
Basic EPS		
Net earnings attributable to AbbVie Inc.	\$ 4,490	\$ 3,553
Earnings allocated to participating securities	22	24
Earnings available to common shareholders	\$ 4,468	\$ 3,529
Weighted-average basic shares outstanding	1,771	1,769
Basic earnings per share attributable to AbbVie Inc.	\$ 2.52	\$ 2.00
Diluted EPS		
Net earnings attributable to AbbVie Inc.	\$ 4,490	\$ 3,553
Earnings allocated to participating securities	22	24
Earnings available to common shareholders	\$ 4,468	\$ 3,529
Weighted-average shares of common stock outstanding	1,771	1,769
Effect of dilutive securities	7	6
Weighted-average diluted shares outstanding	1,778	1,775
Diluted earnings per share attributable to AbbVie Inc.	\$ 2.51	\$ 1.99

Certain shares issuable under stock-based compensation plans were excluded from the computation of EPS because the effect would have been antidilutive. The number of common shares excluded was insignificant for all periods presented.

Note 4 Licensing, Acquisitions and Other Arrangements

Cash outflows related to acquisitions and investments totaled \$185 million for the three months ended March 31, 2022 and \$198 million for the three months ended March 31, 2021. AbbVie recorded acquired IPR&D and milestones charges of \$145 million for the three months ended March 31, 2022 and \$185 million for the three months ended March 31, 2021.

Syndesi Therapeutics SA

In February 2022, AbbVie acquired Syndesi Therapeutics SA and its portfolio of novel modulators of the synaptic vesicle protein 2A (SV2A), including its lead molecule SDI-118 and accounted for the transaction as an asset acquisition. SDI-118 is a small molecule currently in Phase 1b studies, which is being evaluated to target nerve terminals to enhance synaptic efficiency. Under the terms of the agreement, AbbVie made an upfront payment of \$130 million which was recorded to acquired IPR&D and milestones expense in the condensed consolidated statement of earnings in the first quarter of 2022. The agreement also includes additional future payments of up to \$870 million upon the achievement of certain development, regulatory and commercial milestones.

Note 5 Collaborations

The company has ongoing transactions with other entities through collaboration agreements. The following represent the significant collaboration agreements impacting the periods ended March 31, 2022 and 2021.

Collaboration with Janssen Biotech, Inc.

In December 2011, Pharmacyclics, a wholly-owned subsidiary of AbbVie, entered into a worldwide collaboration and license agreement with Janssen Biotech, Inc. and its affiliates (Janssen), one of the Janssen Pharmaceutical companies of Johnson & Johnson, for the joint development and commercialization of Imbruvica, a novel, orally active, selective covalent inhibitor of Bruton's tyrosine kinase and certain compounds structurally related to Imbruvica, for oncology and other indications, excluding all immune and inflammatory mediated diseases or conditions and all psychiatric or psychological diseases or conditions, in the United States and outside the United States.

The collaboration provides Janssen with an exclusive license to commercialize Imbruvica outside of the United States and co-exclusively with AbbVie in the United States. Both parties are responsible for the development, manufacturing and marketing of any products generated as a result of the collaboration. The collaboration has no set duration or specific expiration date and provides for potential future development, regulatory and approval milestone payments of up to \$200 million to AbbVie. The collaboration also includes a cost sharing arrangement for associated collaboration activities. Except in certain cases, Janssen is responsible for approximately 60% of collaboration development costs and AbbVie is responsible for the remaining 40% of collaboration development costs.

In the United States, both parties have co-exclusive rights to commercialize the products; however, AbbVie is the principal in the end-customer product sales. AbbVie and Janssen share pre-tax profits and losses equally from the commercialization of products. Sales of Imbruvica are included in AbbVie's net revenues. Janssen's share of profits is included in AbbVie's cost of products sold. Other costs incurred under the collaboration are reported in their respective expense line items, net of Janssen's share.

Outside the United States, Janssen is responsible for and has exclusive rights to commercialize Imbruvica. AbbVie and Janssen share pre-tax profits and losses equally from the commercialization of products. AbbVie's share of profits is included in AbbVie's net revenues. Other costs incurred under the collaboration are reported in their respective expense line items, net of Janssen's share.

The following table shows the profit and cost sharing relationship between Janssen and AbbVie:

(in millions)	Three months ended March 31,	
	2022	2021
United States - Janssen's share of profits (included in cost of products sold)	\$ 408	\$ 465
International - AbbVie's share of profits (included in net revenues)	299	269
Global - AbbVie's share of other costs (included in respective line items)	64	70

AbbVie's receivable from Janssen, included in accounts receivable, net, was \$336 million at March 31, 2022 and \$294 million at December 31, 2021. AbbVie's payable to Janssen, included in accounts payable and accrued liabilities, was \$401 million at March 31, 2022 and \$509 million at December 31, 2021.

Collaboration with Genentech, Inc.

AbbVie and Genentech, Inc. (Genentech), a member of the Roche Group, are parties to a collaboration and license agreement executed in 2007 to jointly research, develop and commercialize human therapeutic products containing BCL-2 inhibitors and certain other compound inhibitors which includes Venclexta, a BCL-2 inhibitor used to treat certain hematological malignancies. AbbVie shares equally with Genentech all pre-tax profits and losses from the development and commercialization of Venclexta in the United States. AbbVie pays royalties on Venclexta net revenues outside the United States.

AbbVie manufactures and distributes Venclexta globally and is the principal in the end-customer product sales. Sales of Venclexta are included in AbbVie's net revenues. Genentech's share of United States profits is included in AbbVie's cost of products sold. AbbVie records sales and marketing costs associated with the United States collaboration as part of selling, general and administrative (SG&A) expenses and global development costs as part of research and development (R&D) expenses, net of Genentech's share. Royalties paid for Venclexta revenues outside the United States are also included in AbbVie's cost of products sold.

The following table shows the profit and cost sharing relationship between Genentech and AbbVie:

(in millions)	Three months ended March 31,	
	2022	2021
Genentech's share of profits, including royalties (included in cost of products sold)	\$ 178	\$ 159

Note 7 Integration and Restructuring Plans

Allergan Integration Plan

Following the closing of the Allergan acquisition, AbbVie implemented an integration plan designed to reduce costs, integrate and optimize the combined organization. To achieve these integration objectives, AbbVie expects to incur total cumulative charges of approximately \$2 billion through 2022. These costs consist of severance and employee benefit costs (cash severance, non-cash severance including accelerated equity award compensation expense, retention and other termination benefits) and other integration expenses.

The following table summarizes the charges associated with the Allergan acquisition integration plan:

Financial Instruments

Various AbbVie foreign subsidiaries enter into foreign currency forward exchange contracts to manage exposures to changes in foreign exchange rates for anticipated intercompany transactions denominated in a currency other than the functional currency of the local entity. These contracts, with notional amounts totaling \$904 million at March 31, 2022 and \$1.1 billion at December 31, 2021, are designated as cash flow hedges and are recorded at fair value. The durations of these forward exchange contracts were generally less than 18 months. Accumulated gains and losses as of March 31, 2022 are reclassified from accumulated other comprehensive income (loss) (AOCI) and included in cost of products sold at the time the products are sold, generally not exceeding six months from the date of settlement.

In the third quarter of 2019, the company entered into treasury rate lock agreements with notional amounts totaling \$10.0 billion to hedge exposure to variability in future cash flows resulting from changes in interest rates related to the issuance of long-term debt in connection with the acquisition of Allergan. The treasury rate lock agreements were designated as cash flow hedges and recorded at fair value. The agreements were net settled upon issuance of the senior notes in November 2019 and the resulting net gain was recognized in other comprehensive loss. This gain is reclassified to interest expense, net over the term of the related debt.

The company is a party to interest rate swap contracts designated as cash flow hedges with notional amounts totaling \$750 million at March 31, 2022 and December 31, 2021. The effect of the hedge contracts is to change a floating-rate interest obligation to a fixed rate for that portion of the floating-rate debt. Realized and unrealized gains or losses are included in AOCI and are reclassified to interest expense, net over the lives of the floating-rate debt.

The company also enters into foreign currency forward exchange contracts to manage its exposure to foreign currency denominated trade payables and receivables and intercompany loans. These contracts are not designated as hedges and are recorded at fair value. Resulting gains or losses are reflected in net foreign exchange gain or loss in the condensed consolidated statements of earnings and are generally offset by losses or gains on the foreign currency exposure being managed. These contracts had notional amounts totaling \$7.0 billion at March 31, 2022 and \$8.2 billion at December 31, 2021.

The company also uses foreign currency forward exchange contracts or foreign currency denominated debt to hedge its net investments in certain foreign subsidiaries and affiliates. The company had foreign currency forward exchange contracts designated as net investment hedges with notional amounts totaling €4.3 billion at March 31, 2022 and December 31, 2021. The company also had an aggregate principal amount of senior Euro notes designated as net investment hedges of €5.9 billion at March 31, 2022 and December 31, 2021. The company uses the spot method of assessing hedge effectiveness for derivative instruments designated as net investment hedges. Realized and unrealized gains and losses from these hedges are included in AOCI and the initial fair value of hedge components excluded from the assessment of effectiveness is recognized in interest expense, net over the life of the hedging instrument.

The company is a party to interest rate swap contracts designated as fair value hedges with notional amounts totaling \$4.5 billion at March 31, 2022 and December 31, 2021. The effect of the hedge contracts is to change a fixed-rate interest obligation to a floating rate for that portion of the debt. AbbVie records the contracts at fair value and adjusts the carrying amount of the fixed-rate debt by an offsetting amount.

No amounts are excluded from the assessment of effectiveness for cash flow hedges or fair value hedges.

The following table summarizes the amounts and location of AbbVie's derivative instruments on the condensed consolidated balance sheets:

Assuming market rates remain constant through contract maturities, the company expects to reclassify pre-tax gains of \$52 million into cost of products sold for foreign currency cash flow hedges, pre-tax losses of \$1 million into interest expense, net for interest rate swap cash flow hedges and pre-tax gains of \$24 million into interest expense, net for treasury rate lock agreement cash flow hedges during the next 12 months.

Related to AbbVie's non-derivative, foreign currency denominated debt designated as net investment hedges, the company recognized in other comprehensive loss pre-tax gains of \$99 million for the three months ended March 31, 2022 and pre-tax gains of \$382 million for the three months ended March 31, 2021.

The following table summarizes the pre-tax amounts and location of derivative instrument net gains (losses) recognized in the condensed consolidated statements of earnings, including the net gains (losses) reclassified out of AOCI into net earnings. Fair Value Measures

The fair value hierarchy consists of the following three levels:

- Level 1 – Valuations based on unadjusted quoted prices in active markets for identical assets that the company has the ability to access;
- Level 2 – Valuations based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuations in which all significant inputs are observable in the market; and
- Level 3 – Valuations using significant inputs that are unobservable in the market and include the use of judgment by the company's management about the assumptions market participants would use in pricing the asset or liability.

The following table summarizes the bases used to measure certain assets and liabilities carried at fair value on a recurring basis on the condensed consolidated balance sheet as of March 31, 2022:

(in millions)	Total	Basis of fair value measurement		
		Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)

The following table summarizes the bases used to measure certain assets and liabilities carried at fair value on a recurring basis on the condensed consolidated balance sheet as of December 31, 2021:

(in millions)	Total	Basis of fair value measurement		
		Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)

Contingent consideration	14,887	—	—	14,887
Total liabilities	\$ 14,924	\$ —	\$ 37	\$ 14,887

Money market funds and time deposits are valued using relevant observable market inputs including quoted prices for similar assets and interest rate curves. Equity securities consist of investments for which the fair values were determined by using the published market price per unit multiplied by the number of units held, without consideration of transaction costs. The derivatives entered into by the company were valued using observable market inputs including published interest rate curves and both forward and spot prices for foreign currencies.

The fair value measurements of the contingent consideration liabilities were determined based on significant unobservable inputs, including the discount rate, estimated probabilities and timing of achieving specified development, regulatory and commercial milestones and the estimated amount of future sales of the acquired products. The potential contingent consideration payments are estimated by applying a probability-weighted expected payment model for contingent milestone payments and a Monte Carlo simulation model for contingent royalty payments, which are then discounted to present value. Changes to the fair value of the contingent consideration liabilities can result from changes to one or a number of inputs, including discount rates, the probabilities of achieving the milestones, the time required to achieve the milestones and estimated future sales. Significant judgment is

employed in determining the appropriateness of certain of these inputs. Changes to the inputs described above could have a material impact on the company's financial position and results of operations in any given period.

The fair value of the company's contingent consideration liabilities was calculated using the following significant unobservable inputs:

(in millions)	March 31, 2022		December 31, 2021	
	Range	Weighted average ^(a)	Range	Weighted average ^(a)
Discount rate	0.9% - 3.6%	3.0%	0.2%- 2.6%	1.7%
Probability of payment for unachieved milestones	89% - 100%	91%	89% - 100%	90%
Probability of payment for royalties by indication ^(b)	56% - 100%	96%	56% - 100%	96%
Projected year of payments	2022 - 2034	2027	2022 - 2034	2027

(a) Unobservable inputs were weighted by the relative fair value of the contingent consideration liabilities.

(b) Excluding approved indications, the estimated probability of payment ranged from 56% to 89% at March 31, 2022 and December 31, 2021.

There have been no transfers of assets or liabilities into or out of Level 3 of the fair value hierarchy. The following table presents the changes in fair value of total contingent consideration liabilities which are measured using Level 3 inputs:

(in millions)	Three months ended March 31,	
	2022	2021
Beginning balance	\$ 14,887	\$ 12,997
Change in fair value recognized in net earnings	(748)	(343)
Payments	(321)	(132)
Ending balance	\$ 13,818	\$ 12,522

The change in fair value recognized in net earnings is recorded in other income, net in the condensed consolidated statements of earnings.

Certain financial instruments are carried at historical cost or some basis other than fair value. The book values, approximate fair values and bases used to measure the approximate fair values of certain financial instruments as of March 31, 2022 are shown in the table below:

AbbVie also holds investments in equity securities that do not have readily determinable fair values. The company records these investments at cost and remeasures them to fair value based on certain observable price changes or impairment events as they occur. The carrying amount of these investments was \$147 million as of March 31, 2022 and \$149 million as of December 31, 2021. No significant cumulative upward or downward adjustments have been recorded for these investments as of March 31, 2022.

Concentrations of Risk

Of total net accounts receivable, three U.S. wholesalers accounted for 74% as of March 31, 2022 and 75% as of December 31, 2021, and substantially all of AbbVie's pharmaceutical product net revenues in the United States were to these three wholesalers.

Humira (adalimumab) is AbbVie's single largest product and accounted for approximately 35% of AbbVie's total net revenues for the three months ended March 31, 2022 and 37% for the three months ended March 31, 2021.

Debt and Credit Facilities

In January 2022, the company repaid \$2.9 billion aggregate principal amount of 3.45% senior notes that were scheduled to mature in March 2022. This repayment was made by exercising, under the terms of the notes, 60-day early redemption at 100% of the principal amount.

In February 2022, the company refinanced its \$2.0 billion floating rate five-year term loan. As part of the refinancing, the company repaid the existing \$2.0 billion term loan due May 2025 and borrowed \$2.0 billion under a new term loan at a lower floating rate. All other significant terms of the loan, including the maturity date, remained unchanged after the refinancing.

Note 9 Post-Employment Benefits

The following table summarizes net periodic benefit cost relating to the company's defined benefit and other post-employment plans:

As of March 31, 2022, \$15 million of unrecognized compensation cost related to stock options is expected to be recognized as expense over approximately the next two years.

RSUs and Performance Shares

During the three months ended March 31, 2022, primarily in connection with the company's annual grant, AbbVie granted 5.6 million RSUs and performance shares with a weighted-average grant-date fair value of \$145.54. As of March 31, 2022, \$955 million of unrecognized compensation cost related to RSUs and performance shares is expected to be recognized as expense over approximately the next two years.

The program has no time limit and can be discontinued at any time. Shares repurchased under this program are recorded at acquisition cost, including related expenses, and are available for general corporate purposes.

AbbVie repurchased 8 million shares for \$1.1 billion during the three months ended March 31, 2022 and 5 million shares for \$550 million during the three months ended March 31, 2021. AbbVie's remaining stock repurchase authorization was approximately \$1.4 billion as of March 31, 2022.

Other comprehensive loss for the three months ended March 31, 2022 included foreign currency translation adjustments totaling a loss of \$231 million and the offsetting impact of net investment hedging activities totaling a gain of \$130 million, which were principally due to the impact of the weakening of the Euro on the translation of the company's Euro-denominated assets.

The following table summarizes the changes in each component of accumulated other comprehensive loss, net of tax, for the three months ended March 31, 2021:

(in millions)	Foreign currency translation adjustments	Net investment hedging activities	Pension and post-employment benefits	Cash flow hedging activities	Total

Note 11 Income Taxes

The effective tax rate was 9% for the three months ended March 31, 2022 compared to 8% for the three months ended March 31, 2021. The effective tax rate in each period differed from the U.S. statutory tax rate of 21% principally due to the impact of foreign operations which reflects the impact of lower income tax rates in locations outside the United States, tax incentives in Puerto Rico and other foreign tax jurisdictions, business development activities and accretion on contingent consideration. The increase in the effective tax rate for the three months ended March 31, 2022 over the prior year was primarily due to differences in the company's jurisdictional mix of earnings.

Due to the potential for resolution of federal, state and foreign examinations and the expiration of various statutes of limitations, it is reasonably possible that the company's gross unrecognized tax benefits balance may change within the next 12 months by up to \$244 million.

Note 12 Legal Proceedings and Contingencies

AbbVie is subject to contingencies, such as various claims, legal proceedings and investigations regarding product liability, intellectual property, commercial, securities and other matters that arise in the normal course of business. The most significant matters are described below. Loss contingency provisions are recorded for probable losses at management's best estimate of a loss, or when a best estimate cannot be made, a minimum loss contingency amount within a probable range is recorded. For litigation matters discussed below for which a loss is probable or reasonably possible, the company is unable to estimate the possible loss or range of loss, if any, beyond the amounts accrued. Initiation of new legal proceedings or a change in the status of existing proceedings may result in a change in the estimated loss accrued by AbbVie. While it is not feasible to predict the outcome of all proceedings and exposures with certainty, management believes that their ultimate disposition should not have a material adverse effect on AbbVie's consolidated financial position, results of operations or cash flows.

Subject to certain exceptions specified in the separation agreement by and between Abbott and AbbVie, AbbVie assumed the liability for, and control of, all pending and threatened legal matters related to its business, including liabilities for any claims or legal proceedings related to products that had been part of its business, but were discontinued prior to the distribution, as well as assumed or retained liabilities, and will indemnify Abbott for any liability arising out of or resulting from such assumed legal matters.

Antitrust Litigation

Lawsuits are pending against AbbVie and others generally alleging that the 2005 patent litigation settlement involving Niaspan entered into between Kos Pharmaceuticals, Inc. (a company acquired by Abbott in 2006 and presently a subsidiary of AbbVie) and a generic company violates federal and state antitrust laws and state unfair and deceptive trade practices and unjust enrichment laws. Plaintiffs generally seek monetary damages and/or injunctive relief and attorneys' fees. The lawsuits pending in federal court consist of four individual plaintiff lawsuits and two consolidated purported class actions: one brought by Niaspan direct purchasers and one brought by Niaspan end-payors. The cases are pending in the United States District Court for the Eastern District of Pennsylvania for coordinated or consolidated pre-trial proceedings under the MDL Rules as *In re: Niaspan Antitrust Litigation*, MDL No. 2460. In August 2019, the court certified a class of direct purchasers of Niaspan. In June 2020 and August 2021, the court denied the end-payors' motion to certify a class. In October 2016, the Orange County, California District Attorney's Office filed a lawsuit on behalf of the State of California regarding the Niaspan patent litigation settlement in Orange County Superior Court, asserting a claim under the unfair competition provision of the California Business and Professions Code seeking injunctive relief, restitution, civil penalties and attorneys' fees.

In August 2019, direct purchasers of AndroGel filed a lawsuit, *King Drug Co. of Florence, Inc., et al. v. AbbVie Inc., et al.*, against AbbVie and others in the United States District Court for the Eastern District of Pennsylvania, alleging that 2006 patent litigation settlements and related agreements by Solvay Pharmaceuticals, Inc. (a company Abbott acquired in February 2010 and now known as AbbVie Products LLC) with three generic companies violated federal antitrust law, and also alleging that 2011 patent litigation by Abbott with two generic companies regarding AndroGel was sham litigation and the settlements of those litigations violated federal antitrust law. In May 2020, Perrigo Company and related entities filed a lawsuit against AbbVie and others, alleging that Abbott's 2011 AndroGel patent lawsuit filed against Perrigo was sham litigation. In September 2021, the United States District Court for the District of New Jersey granted AbbVie's motion for judgment on the pleadings in the Perrigo lawsuit, dismissing it with prejudice. Perrigo has appealed the dismissal.

Between March and May 2019, 12 putative class action lawsuits were filed in the United States District Court for the Northern District of Illinois by indirect Humira purchasers, alleging that AbbVie's settlements with biosimilar manufacturers and AbbVie's Humira patent portfolio violated state and federal antitrust laws. The court consolidated these lawsuits as *In re: Humira (Adalimumab) Antitrust Litigation*. In June 2020, the court dismissed the consolidated litigation with prejudice. The plaintiffs have appealed the dismissal.

Lawsuits are pending against Forest Laboratories, LLC, an AbbVie subsidiary, and others generally alleging that 2009 and 2010 patent litigation settlements involving Namenda entered into between Forest and generic companies and other conduct by Forest involving Namenda, violated state antitrust, unfair and deceptive trade practices, and unjust enrichment laws. Plaintiffs generally seek monetary damages, injunctive relief and attorneys' fees. The lawsuits, purported class actions filed by indirect purchasers of Namenda, are consolidated as *In re: Namenda Indirect Purchaser Antitrust Litigation* in the United States District Court for the Southern District of New York.

Lawsuits are pending against Allergan Inc., an Allergan subsidiary, generally alleging that Allergan's petitioning to the U.S. Patent Office and Food and Drug Administration and other conduct by Allergan involving Restasis violated federal and state antitrust laws and state unfair and deceptive trade practices and unjust enrichment laws. Plaintiffs generally seek monetary damages, injunctive relief and attorneys' fees. The lawsuits, certified as a class action filed on behalf of indirect purchasers of Restasis, are consolidated for pre-trial purposes in the United States District Court for the Eastern District of New York under the MDL Rules as *In re: Restasis (Cyclosporine Ophthalmic Emulsion) Antitrust Litigation*, MDL No. 2819. In May 2021, the parties reached an agreement to settle this matter that is subject to final court approval.

Lawsuits are pending against Forest Laboratories, LLC and others generally alleging that 2012 and 2013 patent litigation settlements involving Bystolic with six generic manufacturers violated federal and state antitrust laws and state unfair and deceptive trade practices and unjust enrichment laws. Plaintiffs generally seek monetary damages, injunctive relief and attorneys' fees. The lawsuits, purported class actions filed on behalf of direct and indirect purchasers of Bystolic, are consolidated as *In re: Bystolic Antitrust Litigation* in the United States District Court for the Southern District of New York.

Government Proceedings

Lawsuits are pending against Allergan and several other manufacturers generally alleging that they improperly promoted and sold prescription opioid products. Approximately 3,146 matters are pending against Allergan. The federal court cases are consolidated for pre-trial purposes in the United States District Court for the Northern District of Ohio under the MDL rules as *In re: National Prescription Opiate Litigation*, MDL No. 2804. Approximately 257 matters are pending in various state courts. The plaintiffs in these cases, which include states, counties, cities, other municipal entities, Native American tribes, union trust funds and other third-party

payors, private hospitals and personal injury claimants, generally seek compensatory and punitive damages. In March 2022, Allergan reached settlements with the States of Florida and Rhode Island and their political subdivisions. Allergan previously reached settlements with other plaintiffs.

In July 2019, the New Mexico Attorney General filed a lawsuit, *State of New Mexico ex rel. Balderas v. AbbVie Inc., et al.*, in New Mexico District Court for Santa Fe County against AbbVie and other companies alleging their marketing of AndroGel violated New Mexico's Unfair Practices Act. In October 2020, the state added a claim under the New Mexico False Advertising Act.

Shareholder and Securities Litigation

In June 2016, a lawsuit, *Elliott Associates, L.P., et al. v. AbbVie Inc.*, was filed by five investment funds against AbbVie in the Cook County, Illinois Circuit Court alleging that AbbVie made misrepresentations and omissions in connection with its proposed transaction with Shire. Similar lawsuits were filed between July 2017 and October 2019 against AbbVie and in some instances its chief executive officer in the same court by additional investment funds. The court granted motions dismissing the claims of three investment-fund plaintiffs, which they appealed. One appeal was dismissed with prejudice in August 2021. In the other two appeals, the Illinois Appellate Court affirmed the dismissal of one in March 2021 and affirmed the dismissal of the other in February 2022. One of these plaintiffs refiled its lawsuit in the New York Supreme Court for the County of New York, where it was dismissed in November 2020, and that dismissal was affirmed by the Supreme Court of New York, Appellate Division, in January 2022. In September 2021, the Illinois court granted AbbVie's motion for summary judgment against all remaining plaintiffs on all the remaining claims, dismissing them with prejudice. Those plaintiffs have appealed the dismissals.

In October 2018, a federal securities lawsuit, *Holwill v. AbbVie Inc., et al.*, was filed in the United States District Court for the Northern District of Illinois against AbbVie, its chief executive officer and former chief financial officer, alleging that reasons stated for Humira sales growth in financial filings between 2013 and 2018 were misleading because they omitted alleged misconduct in connection with Humira patient and reimbursement support services and other services and items of value that allegedly induced Humira prescriptions. In September 2021, the court granted plaintiffs' motion to certify a class.

Lawsuits are pending against Allergan and certain of its current and former officers alleging they made misrepresentations and omissions regarding Allergan's textured breast implants. The lawsuits, which were filed by Allergan shareholders, have been consolidated in the United States District Court for the Southern District of New York as *In re: Allergan plc Securities Litigation*. The plaintiffs generally seek compensatory damages and attorneys' fees. In September 2019, the court partially granted Allergan's motion to dismiss. In September 2021, the court granted plaintiffs' motion to certify a class.

Product Liability and General Litigation

In 2018, a qui tam lawsuit, *U.S. ex rel. Silbersher v. Allergan Inc., et al.*, was filed in the United States District Court for the Northern District of California against several Allergan entities and others, alleging that their conduct before the U.S. Patent Office resulted in false claims for payment being made to federal and state healthcare payors for Namenda XR and Namzaric. The plaintiff-relator seeks damages and attorneys' fees under the federal False Claims Act and state law analogues. The federal government and state governments declined to intervene in the lawsuit.

Intellectual Property Litigation

AbbVie Inc. and AbbVie Biotechnology Ltd are seeking to enforce their patent rights relating to adalimumab (a drug AbbVie sells under the trademark Humira). In April 2021 and May 2021, cases were filed in the United States District Court for the Northern District of Illinois against Alvotech hf. AbbVie alleges defendant's proposed biosimilar adalimumab product infringes certain AbbVie patents and seeks declaratory and injunctive relief. In August 2021, the court denied Defendant's motion to dismiss on jurisdictional grounds in the first case; a motion in the second case remains pending. The court has set a trial on a subset of patents for August 2022. The court order provides that Alvotech will stay off the market until that decision. Litigation on the remaining patents is stayed. In October 2021, the May 2021 declaratory judgment action filed by Alvotech hf. and its U.S. subsidiary Alvotech USA, Inc. in the United States Eastern District of Virginia was transferred to the Northern District of Illinois and subsequently dismissed. In March 2022, the parties settled the case and it was dismissed without prejudice.

Pharmacyclics LLC, a wholly owned subsidiary of AbbVie, is seeking to enforce its patent rights relating to ibrutinib tablets (a drug Pharmacyclics sells under the trademark Imbruvica). Cases were filed in the United States District Court for the District of Delaware in March 2019 against Alvogen Pine Brook LLC and Natco Pharma Ltd.. In August 2021, the court issued a decision holding all asserted patents infringed and valid. The judgment precludes Defendants from obtaining regulatory approval and launching until the last patent expires in 2036. On August 30, 2021, Defendants appealed. Janssen Biotech, Inc. which is in a global collaboration with Pharmacyclics concerning the development and marketing of Imbruvica, is the co-plaintiff in these suits.

Allergan USA, Inc., Allergan Sales, LLC, and Forest Laboratories Holdings Limited, wholly owned subsidiaries of AbbVie, are seeking to enforce patent rights relating to cariprazine (a drug sold under the trademark Vraylar). Litigation was filed in the United States District Court for the District of Delaware in December 2019 against Sun Pharmaceutical Industries Limited and Sun Pharma Global FZE; Aurobindo Pharma Limited and Aurobindo Pharma USA, Inc.; and Zydus Pharmaceuticals (USA), Inc. and Cadila Healthcare Limited. Allergan alleges defendants' proposed generic cariprazine products infringe certain patents and seeks declaratory and injunctive relief. Gedeon Richter Plc, Inc. which is in a global collaboration with Allergan concerning the development and marketing of Vraylar, is the co-plaintiff in this suit.

Note 13 Segment Information

AbbVie operates as a single global business segment dedicated to the research and development, manufacturing, commercialization and sale of innovative medicines and therapies. This operating structure enables the Chief Executive Officer, as chief operating decision maker (CODM), to allocate resources and assess business performance on a global basis in order to achieve established long-term strategic goals. Consistent with this structure, a global research and development and supply chain organization is responsible for the discovery, manufacturing and supply of products. Commercial efforts that coordinate the marketing, sales and distribution of these products are organized by geographic region or therapeutic area. All of these activities are supported by a global corporate administrative staff. The determination of a single business segment is consistent with the consolidated financial information regularly reviewed by the CODM for purposes of assessing performance, allocating resources and planning and forecasting future periods.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following is a discussion and analysis of the financial condition of AbbVie Inc. (AbbVie or the company) as of March 31, 2022 and December 31, 2021 and the results of operations for the three months ended March 31, 2022 and 2021. This commentary should be read in conjunction with the Condensed Consolidated Financial Statements and accompanying notes appearing in Item 1, "Financial Statements and Supplementary Data."

EXECUTIVE OVERVIEW

Company Overview

AbbVie is a global, diversified research-based biopharmaceutical company positioned for success with a comprehensive product portfolio that has leadership positions across immunology, oncology, aesthetics, neuroscience and eye care. AbbVie uses its expertise, dedicated people and unique approach to innovation to develop and market advanced therapies that address some of the world's most complex and serious diseases.

AbbVie's products are generally sold worldwide directly to wholesalers, distributors, government agencies, health care facilities, specialty pharmacies and independent retailers from AbbVie-owned distribution centers and public warehouses. Certain products (including aesthetic products and devices) are also sold directly to physicians and other licensed healthcare providers. In the United States, AbbVie distributes pharmaceutical products principally through independent wholesale distributors, with some sales directly to retailers, pharmacies, patients or other customers. Outside the United States, AbbVie sells products primarily to customers or through distributors, depending on the market served. Certain products are co-marketed or co-promoted with other companies. AbbVie has approximately 50,000 employees. AbbVie operates as a single global business segment.

2022 Strategic Objectives

AbbVie's mission is to discover and develop innovative medicines and products that solve serious health issues today and address the medical challenges of tomorrow while achieving top-tier financial performance through outstanding execution. AbbVie intends to continue to advance its mission in a number of ways, including: (i) maximizing the benefits of a diversified revenue base with multiple long-term growth drivers; (ii) growing revenues by leveraging AbbVie's commercial strength and international infrastructure across therapeutic areas and ensuring strong commercial execution of new product launches; (iii) continuing to invest in and expand its pipeline in support of opportunities in immunology, oncology, aesthetics, neuroscience and eye care as well as continued investment in key on-market products; (iv) expanding operating margins; and (v) returning cash to shareholders via a strong and growing dividend while also reducing debt. In addition, AbbVie anticipates several regulatory submissions and data readouts from key clinical trials in the next 12 months.

Financial Results

The company's financial performance for the three months ended March 31, 2022 included delivering worldwide net revenues of \$13.5 billion, operating earnings of \$4.7 billion, diluted earnings per share of \$2.51 and cash flows from operations of \$4.9 billion. Worldwide net revenues grew by 4% on a reported basis and 5% on a constant currency basis, reflecting growth across its immunology, neuroscience and aesthetics portfolios.

Diluted earnings per share was \$2.51 for the three months ended March 31, 2022 and included the following after-tax costs: (i) \$1.6 billion related to the amortization of intangible assets; (ii) \$148 million for charges related to litigation matters; (iii) \$145 million for acquired IPR&D and milestones; and (iv) \$121 million of acquisition and integration expenses. These costs were partially offset by an after-tax benefit of \$746 million related to the change in fair value of contingent consideration liabilities. Additionally, financial results reflected continued funding to support all stages of AbbVie's pipeline assets and continued investment in AbbVie's on-market brands.

Following the closing of the Allergan acquisition, AbbVie implemented an integration plan designed to reduce costs, integrate and optimize the combined organization. The integration plan is expected to realize approximately \$2.5 billion of annual cost synergies in 2022.

To achieve these integration objectives, AbbVie expects to incur total cumulative charges of approximately \$2 billion through 2022. These costs consist of severance and employee benefit costs (cash severance, non-cash severance, including accelerated equity award compensation expense, retention and other termination benefits) and other integration expenses.

Recent Global Events

Russia/Ukraine

In response to the military conflict between Russia and Ukraine, the United States and other North Atlantic Treaty Organization member states, as well as certain non-member states, announced targeted economic sanctions and export controls on Russia and Belarus. These include restrictions on the export and transfer of products containing certain toxins, including Botox, to Russia and Belarus. With the exception of Botox, AbbVie is not prohibited to continue the sale of essential pharmaceutical products to help ensure patients receive an uninterrupted supply of their medicines. In March 2022, AbbVie announced the suspension of operations for all aesthetics products in Russia. In April 2022, AbbVie also announced that all profits from the sales of essential medicines in Russia will be donated to support direct humanitarian relief efforts in Ukraine. While the company's operations in Russia, Belarus and Ukraine are not significant, if the conflict escalates and results in broader economic and political concerns, AbbVie's business could be adversely impacted.

Impact of the Coronavirus Disease 2019 (COVID-19)

In response to the ongoing public health crisis posed by COVID-19, AbbVie continues to focus on ensuring the safety of employees. Throughout the pandemic, AbbVie has followed health and safety guidance from state and local health authorities and implemented safety measures for those employees who are returning to the workplace.

AbbVie also continues to closely manage manufacturing and supply chain resources around the world to help ensure that patients continue to receive an uninterrupted supply of their medicines. Clinical trial sites are being monitored locally to protect the safety of study participants, staff and employees. While the impact of COVID-19 on AbbVie's operations to date has not been material, AbbVie continues to experience lower new patient starts in certain products and markets. AbbVie expects this matter could continue to negatively impact its results of operations throughout the duration of the pandemic.

The extent to which COVID-19 may impact AbbVie's financial condition and results of operations remains uncertain and is dependent on numerous evolving factors, including the measures being taken by authorities to mitigate against the spread of COVID-19, the emergence of new variants and the availability and successful administration of effective vaccines.

Research and Development

Research and innovation are the cornerstones of AbbVie's business as a global biopharmaceutical company. AbbVie's long-term success depends to a great extent on its ability to continue to discover and develop innovative products and acquire or collaborate on compounds currently in development by other biotechnology or pharmaceutical companies.

AbbVie's pipeline currently includes approximately 90 compounds, devices or indications in development individually or under collaboration or license agreements and is focused on such important specialties as immunology, oncology, aesthetics, neuroscience and eye care. Of these programs, more than 50 are in mid- and late-stage development.

The following sections summarize transitions of significant programs from mid-stage development to late-stage development as well as developments in significant late-stage and registration programs. AbbVie expects multiple mid-stage programs to transition into late-stage programs in the next 12 months.

RESULTS OF OPERATIONS

Net Revenues

The comparisons presented at constant currency rates reflect comparative local currency net revenues at the prior year's foreign exchange rates. This measure provides information on the change in net revenues assuming that foreign currency exchange rates had not changed between the prior and current periods. AbbVie believes that the non-GAAP measure of change in net revenues at constant currency rates, when used in conjunction with the GAAP measure of change in net revenues at actual currency rates, may provide a more complete understanding of the company's operations and can facilitate analysis of the company's results of operations, particularly in evaluating performance from one period to another.

The following discussion and analysis of AbbVie's net revenues by product is presented on a constant currency basis.

Global Humira sales decreased by 2% for the three months ended March 31, 2022 primarily driven by direct biosimilar competition in certain international markets, partially offset by market growth across therapeutic categories. In the United States, Humira sales increased by 2% for the three months ended March 31, 2022 primarily driven by market growth across all indications. This increase was partially offset by slightly lower market share following corresponding market share gains of Skyrizi and Rinvoq. Internationally, Humira revenues decreased by 18% for the three months ended March 31, 2022 primarily driven by direct biosimilar competition in certain international markets.

Net revenues for Skyrizi increased by 66% for the three months ended March 31, 2022 primarily driven by continued strong volume and market share uptake since launch as a treatment for plaque psoriasis as well as market growth.

Net revenues for Rinvoq increased by 57% for the three months ended March 31, 2022 primarily driven by continued strong volume and market share uptake since launch for the treatment of moderate to severe rheumatoid arthritis as well as market growth. Net revenues for the three months ended March 31, 2022 were also favorably impacted by recent regulatory approvals and expansion of Rinvoq for the treatment of psoriatic arthritis, atopic dermatitis and ankylosing spondylitis in certain international markets.

Net revenues for Imbruvica represent product revenues in the United States and collaboration revenues outside of the United States related to AbbVie's 50% share of Imbruvica profit. AbbVie's global Imbruvica revenues decreased by 7% for the three months ended March 31, 2022 as a result of lower new patient starts due to the COVID-19 pandemic and share loss in the United States, partially offset by increased collaboration revenues.

Net revenues for Venclexta increased by 21% for the three months ended March 31, 2022 primarily due to continued expansion of Venclexta for the treatment of patients with first-line chronic lymphocytic leukemia (CLL), relapsed/refractory CLL and first-line acute myeloid leukemia.

Net revenues for Botox Cosmetic used in facial aesthetics increased by 37% for the three months ended March 31, 2022 due to increased consumer demand and penetration rates driven by targeted brand investment.

Net revenues for Juvederm Collection (including Juvederm Ultra XC, Juvederm Voluma XC and other Juvederm products) used in facial aesthetics increased by 31% for the three months ended March 31, 2022 due to increased consumer demand and penetration rates driven by targeted brand investment.

Net revenues for Botox Therapeutic used primarily in neuroscience and urology therapeutic areas increased by 17% for the three months ended March 31, 2022 due to market growth, higher market share and strong market recovery from the COVID-19 pandemic.

Net revenues for Vraylar for the treatment of schizophrenia, bipolar I disorder and bipolar depression increased by 23% for the three months ended March 31, 2022 due to higher market share and market growth.

Net revenues for Ubrelvy for the acute treatment of migraine with or without aura in adults increased by 70% for the three months ended March 31, 2022 primarily due to increased market share uptake since launch.

Net revenues for Mavyret decreased by 5% for the three months ended March 31, 2022 driven by the continued disruption of global HCV markets due to the COVID-19 pandemic.

Gross Margin

(dollars in millions)	Three months ended March 31,		
	2022	2021	% change
Gross margin	\$ 9,486	\$ 8,797	8 %
as a % of net revenues	70 %	68 %	

Gross margin as a percentage of net revenues increased for the three months ended March 31, 2022 compared to the prior year. Gross margin percentage for the three months ended March 31, 2022 was favorably impacted by changes in product mix and lower amortization of intangible assets associated with the Allergan acquisition.

Selling, General and Administrative

(dollars in millions)	Three months ended March 31,		
	2022	2021	% change
Selling, general and administrative	\$ 3,127	\$ 2,842	10 %
as a % of net revenues	23 %	22 %	

SG&A expenses as a percentage of net revenues increased for the three months ended March 31, 2022 compared to the prior year. SG&A expense percentage for the three months ended March 31, 2022 was unfavorably impacted by litigation reserve charges of \$184 million as well as increased brand investment and product launch expenses, partially offset by leverage from revenue growth and increased synergies realized.

Research and Development and Acquired IPR&D and Milestones

(dollars in millions)	Three months ended March 31,		
	2022	2021	% change
Research and development	\$ 1,497	\$ 1,667	(10)%
as a % of net revenues	11 %	13 %	
Acquired IPR&D and milestones	\$ 145	\$ 185	(22)%

R&D expenses as a percentage of net revenues decreased for the three months ended March 31, 2022 compared to the prior year. R&D expense percentage was favorably impacted by the purchase of a priority review voucher from a third party in the first quarter of 2021, increased scale of the combined company and synergies realized as well as lower integration costs related to the acquisition of Allergan.

Acquired IPR&D and milestones expense represents upfront and subsequent development milestone payments incurred prior to regulatory approval to acquire rights to in-process R&D projects through R&D collaborations, licensing arrangements or other asset acquisitions. Acquired IPR&D and milestones expense in the three months ended March 31, 2022 included a charge of \$130 million as a result of acquiring Syndesi Therapeutics SA and its portfolio of novel modulators of the synaptic vesicle protein 2A (SV2A), including its lead molecule SDI-118, which is being evaluated to target nerve terminals to enhance synaptic efficiency. There were no individually significant transactions during the three months ended March 31, 2021.

Other Non-Operating Expenses (Income)

(in millions)	Three months ended March 31,	
	2022	2021
Interest expense	\$ 548	\$ 632
Interest income	(9)	(10)
Interest expense, net	\$ 539	\$ 622
Net foreign exchange loss	\$ 25	\$ 9
Other income, net	(776)	(395)

Interest expense, net decreased for the three months ended March 31, 2022 compared to the prior year primarily due to lower average debt balance due to deleveraging.

Other income, net included a benefit related to changes in fair value of contingent consideration liabilities of \$748 million for the three months ended March 31, 2022 and \$343 million for the three months ended March 31, 2021. The fair value of contingent consideration liabilities is impacted by the passage of time and multiple other inputs, including the probability of success of achieving regulatory/commercial milestones, discount rates, the estimated amount of future sales of the acquired products and other market-based factors. For the three months ended March 31, 2022 and 2021, the change in fair value was driven by higher discount rates partially offset by the passage of time.

Income Tax Expense

The effective tax rate was 9% for the three months ended March 31, 2022 compared to 8% for the three months ended March 31, 2021. The effective tax rate in each period differed from the U.S. statutory tax rate of 21% principally due to the impact of foreign operations which reflects the impact of lower income tax rates in locations outside the United States, tax incentives in Puerto Rico and other foreign tax jurisdictions, business development activities and accretion on contingent consideration. The increase in the effective tax rate for the three months ended March 31, 2022 over the prior year was primarily due to differences in the company's jurisdictional mix of earnings.

FINANCIAL POSITION, LIQUIDITY AND CAPITAL RESOURCES

(in millions)	Three months ended March 31,	
	2022	2021
Cash flows provided by (used in):		
Operating activities	\$ 4,908	\$ 4,877
Investing activities	(1,591)	(342)
Financing activities	(6,972)	(3,174)

Operating cash flows for the three months ended March 31, 2022 were flat compared to the prior year primarily due to improved results of operations resulting from revenue growth, offset by the timing of working capital cash flows.

Investing cash flows for the three months ended March 31, 2022 included payments made for net purchases of investment securities totaling \$1.4 billion, acquisitions and investments of \$185 million and capital expenditures of \$162 million. Investing cash flows for the three months ended March 31, 2021 included payments made for acquisitions and investments of \$198 million, capital expenditures of \$188 million and net purchases of investment securities totaling \$5 million.

Financing cash flows for the three months ended March 31, 2022 included an early repayment of \$2.9 billion aggregate principal amount of the company's 3.45% senior notes. Additionally, financing cash flows included repayment of a \$2.0 billion floating rate term loan due May 2025 and issuance of a new \$2.0 billion floating rate term loan as part of the term loan refinancing in February 2022.

Financing cash flows also included cash dividend payments of \$2.5 billion for the three months ended March 31, 2022 and \$2.3 billion for the three months ended March 31, 2021. The increase in cash dividend payments was primarily driven by the increase in the quarterly dividend rate.

On February 17, 2022, the company announced that its board of directors declared a quarterly cash dividend of \$1.41 per share for stockholders of record at the close of business on April 15, 2022, payable on May 16, 2022. The timing, declaration, amount of and payment of any dividends by AbbVie in the future is within the discretion of its board of directors and will depend upon many factors, including AbbVie's financial condition, earnings, capital requirements of its operating subsidiaries, covenants associated with certain of AbbVie's debt service obligations, legal requirements, regulatory constraints, industry practice, ability to access capital markets and other factors deemed relevant by its board of directors.

The company's stock repurchase authorization permits purchases of AbbVie shares from time to time in open-market or private transactions at management's discretion. The program has no time limit and can be discontinued at any time. AbbVie repurchased 8 million shares for \$1.1 billion during the three months ended March 31, 2022 and 5 million shares for \$550 million during the three months ended March 31, 2021.

Credit Risk

AbbVie monitors economic conditions, the creditworthiness of customers and government regulations and funding, both domestically and abroad. AbbVie regularly communicates with its customers regarding the status of receivable balances, including their payment plans and obtains positive confirmation of the validity of the receivables. AbbVie establishes an allowance for credit losses equal to the estimate of future losses over the contractual life of outstanding accounts receivable. AbbVie may also utilize factoring arrangements to mitigate credit risk, although the receivables included in such arrangements have historically not been a significant amount of total outstanding receivables.

Credit Facility, Access to Capital and Credit Ratings

Credit Facility

AbbVie currently has a \$4.0 billion five-year revolving credit facility that matures in August 2024. This credit facility enables the company to borrow funds on an unsecured basis at variable interest rates and contains various covenants. At March 31, 2022, the company was in compliance with all covenants, and commitment fees under the credit facility were insignificant. No amounts were outstanding under the company's credit facility as of March 31, 2022 and December 31, 2021.

Access to Capital

The company intends to fund short-term and long-term financial obligations as they mature through cash on hand, future cash flows from operations or has the ability to issue additional debt. The company's ability to generate cash flows from operations, issue debt or enter into financing arrangements on acceptable terms could be adversely affected if there is a material decline in the demand for the company's products or in the solvency of its customers or suppliers, deterioration in the company's key financial ratios or credit ratings or other material unfavorable changes in business conditions. At the current time, the company believes it has sufficient financial flexibility to issue debt, enter into other financing arrangements and attract long-term capital on acceptable terms to support the company's growth objectives.

Credit Ratings

In March 2022, Moody's Investors Service (Moody's) affirmed its Baa2 senior unsecured long-term rating and the Prime-2 short-term rating. At the same time, Moody's revised the outlook to positive from stable. Unfavorable changes to the ratings may have an adverse impact on future financing arrangements; however, they would not affect the company's ability to draw on its credit facility and would not result in an acceleration of scheduled maturities of any of the company's outstanding debt.

CRITICAL ACCOUNTING POLICIES

A summary of the company's significant accounting policies is included in Note 2, "Summary of Significant Accounting Policies" in AbbVie's Annual Report on Form 10-K for the year ended December 31, 2021. There have been no significant changes in the company's application of its critical accounting policies during the three months ended March 31, 2022.

FORWARD-LOOKING STATEMENTS

Some statements in this quarterly report on Form 10-Q may be forward-looking statements for purposes of the Private Securities Litigation Reform Act of 1995. The words “believe,” “expect,” “anticipate,” “project,” and similar expressions, among others, generally identify forward-looking statements. AbbVie cautions that these forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those indicated in the forward-looking statements. Such risks and uncertainties include, but are not limited to, failure to realize the expected benefits from AbbVie’s acquisition of Allergan, failure to promptly and effectively integrate Allergan’s businesses, challenges to intellectual property, competition from other products, difficulties inherent in the research and development process, adverse litigation or government action, changes to laws and regulations applicable to our industry and the impact of public health outbreaks, epidemics or pandemics, such as COVID-19. Additional information about the economic, competitive, governmental, technological and other factors that may affect AbbVie’s operations is set forth in Item 1A, “Risk Factors,” in AbbVie’s Annual Report on Form 10-K for the year ended December 31, 2021, which has been filed with the Securities and Exchange Commission. AbbVie notes these factors for investors as permitted by the Private Securities Litigation Reform Act of 1995. AbbVie undertakes no obligation to release publicly any revisions to forward-looking statements as a result of subsequent events or developments, except as required by law.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

For a discussion of the company’s market risk, see Item 7A, “Quantitative and Qualitative Disclosures About Market Risk” in AbbVie’s Annual Report on Form 10-K for the year ended December 31, 2021.

ITEM 4. CONTROLS AND PROCEDURES

DISCLOSURE CONTROLS AND PROCEDURES

Evaluation of disclosure controls and procedures. The Chief Executive Officer, Richard A. Gonzalez, and the Chief Financial Officer, Robert A. Michael, evaluated the effectiveness of AbbVie’s disclosure controls and procedures as of the end of the period covered by this report, and concluded that AbbVie’s disclosure controls and procedures were effective to ensure that information AbbVie is required to disclose in the reports that it files or submits with the Securities and Exchange Commission under the Securities Exchange Act of 1934 is recorded, processed, summarized and reported, within the time periods specified in the Commission’s rules and forms, and to ensure that information required to be disclosed by AbbVie in the reports that it files or submits under the Exchange Act is accumulated and communicated to AbbVie’s management, including its principal executive officer and principal financial officer, as appropriate to allow timely decisions regarding required disclosure.

INTERNAL CONTROL OVER FINANCIAL REPORTING

Changes in internal control over financial reporting. There were no changes in AbbVie’s internal control over financial reporting (as defined in Rule 13a-15(f) under the Exchange Act) that have materially affected, or are reasonably likely to materially affect, AbbVie’s internal control over financial reporting during the quarter ended March 31, 2022.

Inherent Limitations on Effectiveness of Controls. AbbVie’s management, including its Chief Executive Officer and its Chief Financial Officer, do not expect that AbbVie’s disclosure controls or internal control over financial reporting will prevent or detect all errors and all fraud. A control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance that the control system’s objectives will be met. The design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Further, because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that misstatements due to error or fraud will not occur or that all control issues and instances of fraud, if any, have been detected. These inherent limitations include the realities that judgments in decision-making can be faulty and that breakdowns can occur because of simple error or mistake. Controls can also be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the controls.

The design of any system of controls is based in part on certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions. Projections of any evaluation of controls effectiveness to future periods are subject to risks. Over time, controls may become inadequate because of changes in conditions or deterioration in the degree of compliance with policies or procedures.

 - age 60 with five years of service; or
 - age 65 with three years of service.
 - ii. For purposes of calculating service under this Section 1(k), except as otherwise provided by the Committee or its delegate:
 - service is earned only if performed for a member of the Controlled Group while that Controlled Group member is a part of the Controlled Group as defined in section 1(e) of this Agreement; and
 - iii. For Employees who transferred to the Company directly from Abbott Laboratories during the period from January 1, 2013 through June 30, 2015 either as a result of the Company's spin-off from Abbott Laboratories or with the consent of each company's head of human resources, service includes service with Abbott Laboratories that is counted for retirement eligibility purposes under applicable law or Company procedures outside the United States the AbbVie Pension Plan, the AbbVie Pension Plan for Former BASF and Former Solvay Employees, or another Company-sponsored pension plan, as applicable.
 - iv. q. *Termination*: A severance of employment for any reason (including Retirement) from the Company and all Subsidiaries. Any Termination shall be effective on the last day the Employee performs services for or on behalf of the Company or its Subsidiary, and employment shall not be extended by any statutory or common law notice of termination period.

2. Delivery Dates and Shareholder Rights. The delivery dates for Shares issuable with respect to the Units are the respective dates on which the Shares are distributable to the Employee if the Restrictions lapse pursuant to Section 4 below (each a “*Delivery Date*”). Prior to the Delivery Date(s):

- (a) the Employee shall not be treated as a shareholder as to any Shares issuable under the Agreement, and shall have only a contractual right to receive Shares, unsecured by any assets of the Company or its Subsidiaries;
- (b) the Employee shall not be permitted to vote any Shares issuable under the Agreement; and
- (c) the Employee’s right to receive such Shares will be subject to the adjustment provisions relating to mergers, reorganizations, and similar events set forth in the Program.

Subject to the requirements of local law, if any dividend or other distribution is declared and paid on Shares (other than dividends or distributions of securities of the Company which may be issued with respect to its Shares by virtue of any stock split, combination, stock dividend or recapitalization) while any of the Units remain subject to this Award (meaning that any of the Shares into which Units would be converted are not otherwise issued and outstanding for purposes of the entitlement to the dividend or distribution), then a book account will be maintained for the Employee and credited with a phantom dividend that is equivalent to the actual dividend or distribution that would have been paid on the total number of Performance-Vested Shares that may be distributed under this Award if that number of Shares had been issued and outstanding and entitled to the dividend or distribution. As any Units vest under this Award, the phantom dividends credited to the book account that are attributable to the Shares issuable with respect to such Units will vest and be distributed to the Employee (in the form in which the actual dividend or distribution was paid to shareholders or in such other form as the Administrator deems appropriate under the circumstances) concurrently with the issuance of the Shares resulting from the Unit vesting. Any such distribution is subject to the Company’s collection of withholding taxes applicable to the distribution.

If fewer than all of the Performance-Vested Shares are earned as a result of the application of the vesting requirements or the forfeiture provisions of this Agreement or the Program, then the phantom dividends attributable to the unearned Shares will be cancelled and the Employee

will cease to have any right or entitlement to receive any distribution or other amount with respect to such cancelled phantom dividends.

No phantom dividends will be paid or payable to or for the benefit of the Employee with respect to dividends or distributions for which the record date occurs on or after the applicable Delivery Date, the date the Employee has forfeited the Units or, in some cases due to applicable law, the date the Restrictions on the Units have lapsed. For purposes of compliance with the requirements of Code Section 409A, to the extent applicable, the specified date for payment of any phantom dividend to which the Employee is entitled under this Section 2 is the calendar year in which the corresponding Shares vest and are distributed to the Employee. The Employee has no right to determine the year in which phantom dividends will be paid.

3. Restrictions. The Units (encompassing all of the Performance-Vested Shares) are subject to the forfeiture provisions in Sections 6 and 7 below. Shares are not earned and may not be sold, exchanged, assigned, transferred, pledged or otherwise disposed of (collectively, the “*Restrictions*”) until an event or combination of events described in subsections 4(a), (b), (c) or (d) or Section 5 occurs.

4. Lapse of Restrictions. The number of Shares that become issuable under this Award, as set forth in this Section 4 and subject to the provisions of Sections 5, 6 and 7 below, will be calculated based on the extent to which the Performance Vesting Requirements described in the attached Schedule are achieved. The Committee may equitably adjust the Performance Vesting Requirements described in the attached Schedule in recognition of unusual or non-recurring events affecting the Company or any Subsidiary or the financial statements of the Company or any Subsidiary, in response to changes in applicable laws or regulations, or to account for items of gain, loss or expense determined to be unusual in nature or infrequent in occurrence or related to the acquisition or disposal of a business or assets or related to a change in accounting principles.

(a) Performance. If the Employee remains employed with the Company or its Subsidiaries as of the applicable vesting date specified below and has not experienced a Termination that triggers forfeiture, then:

(i) the Restrictions on up to one-third of the total number of Units may lapse on <<VEST DATE PERIOD (MONTH DD, YYYY)>>, as determined in accordance with the Schedule;

(ii) the Restrictions on up to an additional one-third of the total number of Units may lapse on <<VEST DATE PERIOD 2 (MONTH DD, YYYY)>>, as determined in accordance with the Schedule; and

(iii) the Restrictions on up to an additional one-third of the total number of Units may lapse on <<VEST DATE PERIOD 3 (MONTH DD, YYYY)>>, as determined in accordance with the Schedule.

(b) Retirement. The Restrictions will continue to apply in the event of the Employee’s Termination due to Retirement, but may lapse thereafter in accordance with the

provisions of subsection 4(a) above, in which case any Units not previously settled on a Delivery Date will be settled in the form of Shares on the Delivery Date(s) set forth in subsection 4(a) above occurring after the date of such Termination due to Retirement.

(c) Death. The Restrictions will lapse on the date of the Employee's Termination due to death, and any Units not previously settled on a Delivery Date will be settled (for the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution) in the form of Shares as soon as administratively possible after, and effective as of, the date of Termination due to death. The extent to which the Restrictions lapse, and the number of Shares to be delivered as a result, will be determined as follows:

(i) For any Performance Period that has begun but has not been completed as of the date of Termination due to death, the number of Shares to be delivered with respect to the applicable Award tranche will be determined based on the greater of (A) performance through the date of Termination measured against the Performance Vesting Requirements set forth in the Schedule using the most recent earnings information released before the date of Termination, and (B) the target vesting level for the applicable Award tranche.

(ii) For any Performance Period that has not yet begun as of the date of Termination due to death, the number of Shares to be delivered will be determined using the target vesting level for the applicable Award tranche(s).

(d) Disability. The Restrictions will lapse on the date of the Employee's Termination due to Disability, and any Units not previously settled on a Delivery Date will be settled in the form of Shares as soon as administratively possible after, and effective as of, the date of Termination due to Disability. The extent to which the Restrictions lapse, and the number of Shares to be delivered as a result, will be determined as follows:

(i) For any Performance Period that has begun but has not been completed as of the date of Termination due to Disability, the number of Shares to be delivered with respect to the applicable Award tranche will be determined based on the greater of (A) performance through the date of Termination measured against the Performance Vesting Requirements set forth in the Schedule using the most recent earnings information released before the date of Termination, and (B) the target vesting level for the applicable Award tranche.

(ii) For any Performance Period that has not yet begun as of the date of Termination due to Disability, the number of Shares to be delivered will be determined using the target vesting level for the applicable Award tranche(s).

5. Change in Control. In the event of a Change in Control, the entity surviving such Change in Control or the ultimate parent thereof (referred to herein as the "*Surviving Entity*") may assume, convert or replace this Award with an award of at least equal value and terms and

conditions not less favorable than the terms and conditions provided in this Agreement, in which case the new award will vest according to the terms of the applicable award agreement. If the Surviving Entity does not assume, convert or replace this Award, the Restrictions will lapse on the date of the Change in Control, as described below.

If the Surviving Entity does assume, convert or replace this Award, then in the event the Employee's Termination (a) occurs within the time period beginning six months immediately before a Change in Control and ending two years immediately following such Change in Control, and (b) was initiated by the Company (or the Surviving Entity) for a reason other than Cause or was initiated by the Employee for Good Reason, the Restrictions will lapse on the later of the date of the Change in Control and the date of the Employee's Termination (referred to herein as the "*Applicable Lapse Date*").

The extent to which the Restrictions lapse, and the number of Shares to be delivered as a result, will be determined as follows:

(i) For any Performance Period that has begun but has not been completed as of the Applicable Lapse Date, the number of Shares to be delivered with respect to the applicable Award tranche will be determined based on the greatest of: (A) performance through the date of the Change in Control measured against the Performance Vesting Requirements set forth in the Schedule using the most recent earnings information released before the date of the Change in Control; (B) performance through the date of the Termination measured against the Performance Vesting Requirements set forth in the Schedule using the most recent earnings information released before the date of the Termination; and (C) the target vesting level for the applicable Award tranche.

(ii) For any Performance Period that has not yet begun as of the Applicable Lapse Date, the number of Shares to be delivered will be determined using the target vesting level for the applicable Award tranche(s).

The provisions of this Section 5 supersede Section 13(a)(iii), (iv) and (v) of the Program.

6. Effect of Certain Bad Acts. Any Units not previously settled will be cancelled and forfeited immediately if the Employee engages in activity that constitutes Cause, as determined in the sole opinion and discretion of the Committee or its delegate, whether or not the Employee experiences a Termination or remains employed with the Company or a Subsidiary.

7. Forfeiture of Units. In the event of the Employee's Termination for any reason other than those set forth in subsection 4(b), (c) or (d) or Section 5, any Units with respect to which Restrictions have not lapsed as of the date of Termination will be forfeited without consideration to the Employee or the Employee's Representative. In the event that the Employee is terminated by the Company other than for Cause and in a situation not covered by Section 5, the Company may, in its sole discretion, cause some or all of the Units to continue to be subject to the Restrictions, provided such Restrictions may lapse thereafter in accordance with the provisions of subsection 4(a), in which case such Units will be settled in the form of

Shares on the Delivery Date(s) set forth in subsection 4(a) above as if the Employee had remained employed on such dates. In accepting this Award, the Employee acknowledges that in the event of Termination (whether or not in breach of local labor laws), the Employee's right to vest in the Units, if any, will cease and will not be extended by any notice period mandated under local law (e.g., active employment does not include a period of "garden leave" or similar period pursuant to local law) and that the Company shall have the exclusive discretion to determine when Termination occurs.

8. Withholding Taxes. To the extent permitted under applicable law and by the Company, the Employee may satisfy any U.S. or non-U.S. federal, state, local or other applicable taxes arising from the grant of the Award, the lapse of Restrictions or the delivery of Shares pursuant to this Agreement by:

- a. tendering a cash payment;
- b. having the Company withhold Shares from the Shares to be delivered to satisfy the applicable withholding tax;
- c. tendering Shares received in connection with the Award back to the Company; or
- d. delivering other previously acquired Shares having a Fair Market Value approximately equal to the amount to be withheld.

The Company shall have the right and is hereby authorized to withhold from the Shares deliverable to the Employee pursuant to this Agreement or (to the extent permitted by applicable law, including without limitation Code Section 409A) from any other compensation or other amount owing to the Employee, such amount as may be necessary in the opinion of the Company to satisfy all such taxes, requirements and withholding obligations. If the Company withholds for tax purposes from the Shares otherwise to be delivered to the Employee, the Employee is deemed to have been issued the full number of Shares underlying the Award, subject to the Restrictions set forth in this Agreement.

Notwithstanding the foregoing, if the Employee is subject to Section 16(b) of the Exchange Act, the Company will withhold using the method described in subsection 8(b) above unless the use of such withholding method is problematic under applicable laws or has materially adverse accounting consequences, in which case the Committee shall determine which of the other methods described in this Section 8 or in the Program shall be used to satisfy the applicable withholding obligations.

9. No Right to Continued Employment. This Agreement and the Employee's participation in the Program do not and shall not be interpreted to:

- (a) form an employment contract or relationship with the Company or its Subsidiaries;
- (b) confer upon the Employee any right to continue in the employ of the Company or any of its Subsidiaries; or
- (c) interfere with the ability of the Company or its Subsidiaries to terminate the Employee's employment at any time.

10. Nature of Grant. In accepting this Award, the Employee acknowledges and agrees that:

- (a) the Program is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time;
- (b) this Award is a one-time benefit and does not create any contractual or other right to receive future grants of Units, benefits in lieu of Units, or other Program Benefits in the future, even if Units have been granted repeatedly in the past;
- (c) all decisions with respect to future Unit grants, if any, and their terms and conditions, will be made by the Company, in its sole discretion;
- (d) nothing contained in this Agreement is intended to create or enlarge any other contractual obligations between the Company and the Employee;
- (e) the Employee is voluntarily participating in the Program;
- (f) the Units and Shares subject to the Units are:
 - (i) extraordinary items that do not constitute compensation of any kind for services of any kind rendered to the Company or its Subsidiaries, and are outside the scope of the Employee's employment contract, if any;
 - (ii) not intended to replace any pension rights or compensation;
 - (iii) not part of the Employee's normal or expected compensation or salary for any purpose, including, but not limited to, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, holiday pay, bonuses, long-service awards, pension or retirement or welfare benefits, or similar payments and in no event should they be considered as compensation for, or relating in any way to, past services for the Company or any of its Subsidiaries;
- (g) the future value of the Shares underlying the Units is unknown and cannot be predicted with certainty;
- (h) in consideration of the Award, no claim or entitlement to compensation or damages shall arise from the Units resulting from Termination (for any reason whatsoever) and the Employee irrevocably releases the Company and its Subsidiaries from any such claim that may arise; if any such claim is found by a court of competent jurisdiction to have arisen, then, by signing or electronically accepting this Agreement, the Employee shall be deemed irrevocably to have waived the Employee's entitlement to pursue such claim;
- (i) the Units and the Benefits under the Program, if any, will not automatically transfer to another company in the case of a merger, take-over or transfer of liability; and
- (j) neither the Company nor any of its Subsidiaries shall be liable for any change in value of the Units, the amount realized upon settlement of the Units or the amount realized upon a subsequent sale of any Shares acquired upon settlement of the Units, resulting from any fluctuation of the United States Dollar/local currency foreign exchange rate.

11. Data Privacy.

(a) Pursuant to applicable personal data protection laws, the collection, processing and transfer of the Employee's personal Data is necessary for the Company's administration of the Program and the Employee's participation in the Program. The Employee's denial and/or objection to the collection, processing and transfer of personal Data may affect his or her ability to participate in the Program. As such (where required under applicable law), the Employee:

(i) voluntarily acknowledges, consents and agrees to the collection, use, processing and transfer of personal Data as described herein; and

(ii) authorizes Data recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for purposes of implementing, administering and managing the Employee's participation in the Program, including any requisite transfer of such Data as may be required for the administration of the Program and/or the subsequent holding of Shares on the Employee's behalf to a broker or other third party with whom the Employee may elect to deposit any Shares acquired pursuant to the Program.

(b) Data may be provided by the Employee or collected, where lawful, from third parties, and the Company and the Subsidiary that employs the Employee (if applicable) will process the Data for the exclusive purpose of implementing, administering and managing the Employee's participation in the Program. Data processing will take place through electronic and non-electronic means according to logics and procedures strictly correlated to the purposes for which the Data is collected and with confidentiality and security provisions as set forth by applicable laws and regulations in the Employee's country of residence. Data processing operations will be performed minimizing the use of personal and identification data when such operations are unnecessary for the processing purposes sought. The Data will be accessible within the Company's organization only by those persons requiring access for purposes of the implementation, administration and operation of the Program and for the Employee's participation in the Program.

(c) The Company and the Subsidiary that employs the Employee (if applicable) will transfer Data as necessary for the purpose of implementation, administration and management of the Employee's participation in the Program, and the Company and the Subsidiary that employs the Employee (if applicable) may further transfer Data to any third parties assisting the Company in the implementation, administration and management of the Program. These recipients may be located throughout the world.

(d) The Employee may, at any time, exercise his or her rights provided under applicable personal data protection laws, which may include the right to:

- i. obtain confirmation as to the existence of the Data;
- ii. verify the content, origin and accuracy of the Data;
- iii. request the integration, update, amendment, deletion or blockage (for breach of applicable laws) of the Data; and

- iv. oppose, for legal reasons, the collection, processing or transfer of the Data which is not necessary or required for the implementation, administration and/or operation of the Program and the Employee's participation in the Program.

The Employee may seek to exercise these rights by contacting his or her local human resources manager.

(e) Upon request of the Company or the Subsidiary that employs the Employee, the Employee agrees to provide an executed data privacy consent form (or any other agreement or consent that may be required by the Company and/or the Subsidiary that employs the Employee) to the Company and/or the Subsidiary that employs the Employee that the Company and/or the Subsidiary that employs the Employee may deem necessary to obtain from the Employee for the purpose of administering his or her participation in the Program in compliance with the data privacy laws in the Employee's country, either now or in the future. The Employee understands and agrees that he or she will not be able to participate in the Program if the Employee fails to provide any such requested consent or agreement.

12. Form of Payment. The Company may, in its sole discretion, settle the Employee's Units in the form of a cash payment to the extent settlement in Shares: (a) is prohibited under local law; (b) would require the Employee, the Company and/or its Subsidiaries to obtain the approval of any governmental and/or regulatory body in the Employee's country; (c) would result in adverse tax consequences for the Employee or the Company; or (d) is administratively burdensome. Alternatively, the Company may, in its sole discretion, settle the Employee's Units in the form of Shares but require the Employee to sell such Shares immediately or within a specified period of time following the Employee's Termination (in which case, this Agreement shall give the Company the authority to issue sales instructions on the Employee's behalf).

13. Private Placement. This Award is not intended to be a public offering of securities in the Employee's country. The Company has not submitted any registration statement, prospectus or other filings with the local securities authorities (unless otherwise required under local law), and this Award is not subject to the supervision of the local securities authorities.

14. Exchange Controls. As a condition to this Award, the Employee agrees to comply with any applicable foreign exchange rules and regulations.

15. Compliance with Applicable Laws and Regulations.

- a. The Company shall not be required to issue or deliver any Shares pursuant to this Agreement pending compliance with all applicable federal and state securities and other laws (including any registration requirements or tax withholding requirements) and compliance with the rules and practices of any stock exchange upon which the Company's Shares are listed.
- b. Regardless of any action the Company or its Subsidiaries take with respect to any or all income tax, social insurance, payroll tax, payment on account or other tax-related items

related to the Employee's participation in the Program and legally applicable to the Employee or deemed by the Company or its Subsidiaries to be an appropriate charge to the Employee even if technically due by the Company or its Subsidiaries ("*Tax-Related Items*"), the Employee acknowledges that the ultimate liability for all Tax-Related Items is and remains the Employee's responsibility and may exceed the amount actually withheld by the Company or its Subsidiaries, if any. The Employee further acknowledges that the Company and/or its Subsidiaries: (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Units, including, but not limited to, the grant, lapse of Restrictions or settlement of the Units, the issuance of Shares upon payment of the Units, the subsequent sale of Shares acquired pursuant to such issuance and the receipt of any dividends and/or Dividend Equivalents; and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Units to reduce or eliminate the Employee's liability for Tax-Related Items or achieve any particular tax result. If the Employee has become subject to tax in more than one jurisdiction between the date of grant and the date of any relevant taxable event, the Employee acknowledges that the Company and/or its Subsidiaries may be required to withhold or account for Tax-Related Items in more than one jurisdiction. If the Employee relocates to another country, the Company may establish special or alternative terms and conditions as necessary or advisable to comply with local laws, rules or regulations, to facilitate the operation and administration of the Award and the Program and/or to accommodate the Employee's relocation.

- c. The Employee acknowledges that, depending on the Employee's or the broker's country of residence or where the Shares are listed, the Employee may be subject to insider trading restrictions and/or market abuse laws which may affect his or her ability to accept, acquire, sell or otherwise dispose of Shares, rights to Shares (e.g., Units) or rights linked to the value of Shares during such times the Employee is considered to have "inside information" regarding the Company as defined in the laws or regulations in his or her country. Local insider trading laws and regulations may prohibit the cancellation or amendment of orders the Employee placed before he or she possessed inside information. Furthermore, the Employee could be prohibited from (i) disclosing the inside information to any third party (other than on a "need to know" basis) and (ii) "tipping" third parties or causing them otherwise to buy or sell securities. The Employee understands that third parties may include fellow employees. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. The Employee acknowledges that it is the Employee's responsibility to comply with any restrictions and the Employee is advised to speak to his or her personal legal advisor on this matter.

16. Code Section 409A. Payments made pursuant to this Agreement are intended to be exempt from or otherwise comply with the provisions of Code Section 409A to the extent applicable. The Program and this Agreement shall be administered and interpreted in a manner consistent with this intent. If the Company determines that any payments under this Agreement are subject to Code Section 409A and this Agreement fails to comply with that section's requirements, the Company may, at the Company's sole discretion, and without the Employee's

consent, amend this Agreement to cause it to comply with Code Section 409A or otherwise be exempt from Code Section 409A.

To the extent required to avoid accelerated taxation and/or tax penalties under Code Section 409A and applicable guidance issued thereunder, the Employee shall not be deemed to have had a Termination unless the Employee has incurred a "separation from service" as defined in Treasury Regulation §1.409A-1(h), and amounts that would otherwise be payable pursuant to this Agreement during the six-month period immediately following the Employee's Termination (including Retirement) shall instead be paid on the first business day after the date that is six months following the Employee's Termination (or upon the Employee's death, if earlier). For purposes of Code Section 409A, to the extent applicable: (a) all payments provided hereunder shall be treated as a right to a series of separate payments and each separately identified amount to which the Employee is entitled under this Agreement shall be treated as a separate payment; (b) except as otherwise provided in Section 13(a) of the Program, upon the lapse of Restrictions pursuant to Section 5 of this Agreement, any Units not previously settled on a Delivery Date shall be settled as soon as administratively possible after, and effective as of, the date of the Change in Control or the date of the Employee's Termination (as applicable); (c) the term "as soon as administratively possible" means a period of time that is within 60 days after the Termination, Disability or Change in Control (as applicable); and (d) the date of the Employee's Disability shall be determined by the Company in its sole discretion.

Although this Agreement and the payments provided hereunder are intended to be exempt from or otherwise comply with the requirements of Code Section 409A, the Company does not represent or warrant that this Agreement or the payments provided hereunder will comply with Code Section 409A or any other provision of federal, state, local, or non-United States law. None of the Company, its Subsidiaries, or their respective directors, officers, employees or advisors shall be liable to the Employee (or any other individual claiming a benefit through the Employee) for any tax, interest, or penalties the Employee may owe as a result of compensation paid under this Agreement, and the Company and its Subsidiaries shall have no obligation to indemnify or otherwise protect the Employee from the obligation to pay any taxes pursuant to Code Section 409A.

17. No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Award, the Employee's participation in the Program or the Employee's acquisition or sale of the underlying Shares. The Employee is hereby advised to consult with the Employee's own personal tax, legal and financial advisors regarding participation in the Program before taking any action related to the Program.

18. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Employee's participation in the Program, on the Units and on any Shares acquired under the Program, to the extent the Company or any Subsidiary determines it is necessary or advisable to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Units and the Program, and to require the Employee to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

The Employee agrees to take any and all actions, and consents to any and all actions taken by the Company and its Subsidiaries, as may be required to allow the Company and its Subsidiaries to comply with local laws, rules and regulations in the Employee's country. In addition, the Employee agrees to take any and all actions as may be required to comply with the Employee's personal obligations under local laws, rules and regulations in the Employee's country.

19. Determinations. Each decision, determination, interpretation or other action made or taken pursuant to the provisions of this Agreement by the Company, the Committee or any delegate of the Committee shall be final, conclusive and binding for all purposes and upon all persons, including, without limitation, the Company, the Employee, the Employee's Representative, and the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution.

20. Electronic Delivery. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Program by electronic means. The Employee hereby consents to receive such documents by electronic delivery and agrees to participate in the Program through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

21. Addendum. This Award shall be subject to any special terms and conditions set forth in any Addendum to this Agreement for the Employee's country or jurisdiction. Moreover, if the Employee relocates to one of the countries or jurisdictions included in the Addendum, the special terms and conditions for such country or jurisdiction will apply to the Employee, to the extent the Company determines that the application of such terms and conditions is necessary or advisable in order to comply with local laws, rules and/or regulations or facilitate the operation and administration of the Units and the Program (or the Company may establish alternative terms and conditions as may be necessary or advisable to accommodate the Employee's relocation). The Addendum constitutes part of this Agreement.

22. Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, and each other provision of this Agreement shall be severable and enforceable to the extent permitted by law. To the extent a court or tribunal of competent jurisdiction determines that any provision of this Agreement is invalid or unenforceable, in whole or in part, the Company, in its sole discretion, shall have the power and authority to revise or strike such provision to the minimum extent necessary to make it valid and enforceable to the full extent permitted under local law.

23. Entire Agreement. This Agreement and the Program constitute the entire agreement between the Employee and the Company regarding the Award and supersede all prior and contemporaneous agreements and understandings, oral or written, between the parties regarding the Award. Except as expressly set forth herein, this Agreement (and any provision of this Agreement) may not be modified, changed or clarified by the parties, except in a writing specifying the modification, change or clarification signed by a duly authorized Company officer.

24. Succession. This Agreement shall be binding upon and operate for the benefit of the Company and its successors and assigns, and the Employee, the Employee's Representative, and the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution.

25. Language. The Employee acknowledges and agrees that it is the Employee's express intent that this Agreement, the Program and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the Award, be drawn up in English. If the Employee is in a country where English is not an official language, the Employee acknowledges that he or she is sufficiently proficient in English or has had the ability to consult with an advisor who is sufficiently proficient in the English language, so as to allow the Employee to understand the terms and conditions of this Agreement, the Program and any other documents related to the Award. If the Employee has received this Agreement or any other document related to the Program translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.

26. Governing Law; Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to any state's conflict of laws principles. For any legal action relating to this Agreement, the parties to this Agreement consent to the exclusive jurisdiction and venue of the federal courts of the Northern District of Illinois, USA, and, if there is no jurisdiction in federal court, to the exclusive jurisdiction and venue of the state courts in Lake County, Illinois, USA.

and the Addendum in their entirety, has had an opportunity to obtain the advice of counsel prior to accepting the Award and fully understands all of the provisions of the PROGRAM, the Agreement and the Addendum; (4) THE EMPLOYEE HAS been provided with a copy or electronic access to a copy of the U.S. prospectus for the PROGRAM; and (5) THE EMPLOYEE hereby agrees to accept as binding, conclusive and final all decisions or interpretations of the COMMITTEE OR ITS DULY AUTHORIZED DELEGATE ON any questions arising under the PROGRAM, the Agreement and the Addendum.

SCHEDULE
PERFORMANCE PERIODS AND PERFORMANCE VESTING REQUIREMENTS

Any capitalized term used but not defined in this Schedule has the meaning set forth in the Agreement or the Program. This Schedule is subject to, and is to be interpreted in combination with, all of the terms and conditions of the Agreement and the Program.

Award Tranches and Performance Periods

The Award is subject to vesting in one-third increments over three years with each vesting tranche tied to the Company's return on invested capital ("ROIC") performance for the applicable year (2022, 2023 and 2024), as described in the Agreement and the Performance Vesting Requirements section below. The vesting tranches and corresponding Performance Periods are as follows:

Vesting Tranche	Units Subject to Vesting	Performance Period
Tranche 1	1/3 of Units	January 1-December 31, 2022
Tranche 2	1/3 of Units	January 1-December 31, 2023
Tranche 3	1/3 of Units	January 1-December 31, 2024

Performance Vesting Requirements

The vesting for each tranche will be determined based on the Company's ROIC for the applicable Performance Period relative to the ROIC for that period of the companies (other than the Company) that were constituents of either the S&P Pharmaceutical, Biotech, and Life Science Index or the NYSE Arca Pharmaceutical Index on January 1, 2022 and continue to be publicly-traded as of the last day of the applicable Performance Period (the "Index Companies").

Within sixty-five (65) days after the end of each Performance Period, the Committee will determine the Company's relative ROIC percentile rank for the applicable Performance Period. For purposes of determining Performance Period ROIC results, ROIC means non-GAAP (or equivalent) ROIC measured using the annual results disclosed in each company's earnings release issued most recently prior to the Performance Determination Date. If an Index Company has not issued its annual earnings release prior to the Performance Determination Date, then its results shall be based on the most currently available financial information.

The Company's relative ROIC percentile rank for the applicable Performance Period determines the vesting percentage for the Units covered by the applicable tranche, such that:

- i. A ranking at or above the 85th percentile results in vesting at 200% of target level;
- ii. A ranking from the 75th percentile up to the 85th percentile results in vesting at 175% of target level;
- iii. A ranking from the 65th percentile up to the 75th percentile results in vesting at 150% of target level;
- iv. A ranking from the 50th percentile up to the 65th percentile results in vesting at target level;
- v. A ranking from the 40th percentile up to the 50th percentile results in vesting at 50% of target level; and

- vi. A ranking below the 40th percentile results in 0% vesting.

The vesting percentage derived from the ranking determination will be multiplied by the number of Units covered by the applicable tranche and rounded down to the nearest whole share, yielding the number of Shares deliverable under the Agreement as a result of the application of the Performance Vesting Requirements for the applicable Performance Period.

Addendum

In addition to the terms and conditions set forth in the Agreement, the Award is subject to the following terms and conditions. If the Employee is employed in a country or jurisdiction identified in this Addendum, the additional terms and conditions for such country or jurisdiction will apply. If the Employee relocates to one of the countries or jurisdictions identified in this Addendum, the special terms and conditions for such country or jurisdiction will apply to the Employee, to the extent the Company determines, in its sole discretion, that the application of such terms and conditions is necessary or advisable to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Units and the Program (or the Company may establish alternative terms and conditions as may be necessary or advisable to accommodate the Employee's relocation).

All defined terms contained in this Addendum shall have the same meaning as set forth in the Program.

EUROPEAN UNION ("EU") / EUROPEAN ECONOMIC AREA ("EEA") COUNTRIES, SWITZERLAND AND THE UNITED KINGDOM

Data Privacy. The following provision replaces Section 11 of the Agreement in its entirety:

Pursuant to applicable personal data protection laws, the Employee is hereby notified of the following in relation to the Employee's Personal Data (defined below) and the collection, processing and transfer in electronic or other form of such Personal Data in relation to the administration of the Program. The collection, processing and transfer of Personal Data is necessary for the legitimate purpose of the administration of the Program by the Company and the Subsidiary that employs the Employee and the Employee's participation in the Program, and the Employee's denial and/or objection to the collection, processing and transfer of Personal Data may affect his or her participation in the Program. As such, by participating in the Program, the Employee acknowledges the collection, use, processing and transfer of Personal Data as described herein.

The Employee understands that the Company and the Subsidiary that employs the Employee may hold certain personally identifiable information about the Employee, specifically his or her name, home address, email address and telephone number, date of birth, social security, passport or other identification number (resident registration number), salary, nationality, job title, any Shares or directorships held in the Company or its Subsidiaries, details of all entitlements to Shares (or cash) granted, awarded, canceled, vested, unvested or outstanding in the Employee's favor, for the purpose of managing and administering the Program ("*Personal Data*"). The Personal Data may be provided by the Employee or collected, where lawful, from third parties. The Company or the Subsidiary that employs the Employee each act as controllers of the Personal Data and will process the Personal Data in this context for the exclusive legitimate purpose of implementing, administering and managing the Employee's participation in the Program and meeting related legal obligations associated with these actions.

The processing will take place through electronic and non-electronic means according to logics and procedures correlated to the purposes for which the Personal Data was collected and with confidentiality and security provisions as set forth by applicable laws and regulations. Personal Data will be accessible within the Company's organization only by those persons requiring access for purposes of the implementation, administration and operation of the Program and other aspects of the employment relationship and for the Employee's participation in the Program.

The Company and the Subsidiary that employs the Employee will transfer Personal Data amongst themselves and their affiliates as necessary for the purpose of implementation, administration and management of the Employee's participation in the Program, and the Company and the Subsidiary that employs the Employee may each further transfer Personal Data to third parties assisting the Company or the Subsidiary that employs the Employer in the implementation, administration and management of the Program, including E*TRADE Financial Corporate Services Inc. and its affiliates ("*E*TRADE*") or any successor or other third party that the Company, the Subsidiary that employs the Employee or E*TRADE (or its successor) may engage to assist with the administration of the Program from time to time. These recipients may be located in the EU, EEA, Switzerland, the United Kingdom or elsewhere throughout the world, such as the United States. By participating in the Program, the Employee understands that these recipients may receive, possess, use, retain and transfer the Personal Data, in electronic or other form, for purposes of implementing, administering and managing the Employee's participation in the Program, including any requisite transfer of such Personal Data as may be required for the administration of the Program and/or the subsequent holding of Shares on the Employee's behalf to a broker or other third party with whom the Employee may elect to deposit any Shares acquired pursuant to the Program. The Employee further understands that he or she may request a list with the names and addresses of any potential recipients of Personal Data by contacting the Employee's local Human Resources manager or AbbVie's Human Resources Department. When transferring Personal Data to these potential recipients, the Company and the Subsidiary that employs the Employee may provide appropriate safeguards in accordance with EU Standard Contractual Clauses, or other legally binding and permissible arrangements. The Employee may request a copy of such safeguards from the Employee's local Human Resources manager or AbbVie's Human Resources Department.

To the extent provided by law, the Employee may, at any time, have the right to request: access to Personal Data, rectification of Personal Data, erasure of Personal Data, restriction of processing of Personal Data, and portability of Personal Data. The Employee may also have the right to object, on grounds related to a particular situation, to the processing of Personal Data, in any case without cost, by contacting in writing the Employee's local Human Resources manager or AbbVie's Human Resources Department. The Employee understands, however, that the only consequence of refusing to provide Personal Data is that the Company may not be able to grant the Units or other equity awards or administer or maintain such awards.

When the Company and the Subsidiary that employs the Employee no longer need to use Personal Data for the purposes above or do not need to retain it for compliance with any legal or regulatory purpose, each will take reasonable steps to remove Personal Data from their systems and/or records containing the Personal Data and/or take steps to properly anonymize it so that the Employee can no longer be identified from it.

Securities Notification. Neither the Units nor the underlying Shares are publicly offered or listed on any stock exchange in Argentina.

AUSTRALIA

1. Breach of Law. Notwithstanding anything to the contrary in the Agreement or the Program, the Employee will not be entitled to, and shall not claim any benefit (including without limitation a legal right) under the Program if the provision of such benefit would give rise to a breach of Part 2D.2 of the Corporations Act 2001 (Cth), any other provision of that Act, or any other applicable statute, rule or regulation which limits or restricts the giving of such benefits.

2. Australian Offer Document. In addition to the Agreement and the Program, the Employee must review the Australian Offer Document for additional important information pertaining to the Award. This document can be accessed via the E*TRADE website at <https://us.etrade.com/stock-plans>. By accepting the Award, the Employee acknowledges and confirms that the Employee has reviewed the Australian Offer Document.

3. Tax Information. The Program is a program to which Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) (the "Act") applies (subject to the conditions in that Act).

BAHRAIN

Securities Notification. This Agreement does not constitute advertising or an offering of securities in Bahrain, nor does it constitute an allotment of securities in Bahrain. Any Shares issued pursuant to the Units under the Program shall be deposited into a brokerage account in the United States. In no event will Shares be issued or delivered in Bahrain. The issuance of Shares pursuant to the Units described herein has not and will not be registered in Bahrain and hence, the Shares described herein may not be admitted or used for offering, placement or public circulation in Bahrain. Accordingly, the Employee may not make any public advertising or announcements regarding the Units or Shares in Bahrain, promote these Shares to legal entities or individuals in Bahrain, or sell Shares directly to other legal entities or individuals in Bahrain. The Employee acknowledges and agrees that Shares may only be sold outside of Bahrain and on a stock exchange on which AbbVie is traded.

BRAZIL

Labor Law Acknowledgment. The Employee agrees, for all legal purposes, (i) the Benefits provided under the Agreement and the Program are the result of commercial transactions unrelated to the Employee's employment; (ii) the Agreement and the Program are not a part of the terms and conditions of the Employee's employment; and (iii) the income from the Units, if any, is not part of the Employee's remuneration from employment.

CANADA

1. Settlement in Shares. Notwithstanding anything to the contrary in the Agreement, Addendum or the Program, the Employee's Award shall be settled only in Shares (and may not be settled in cash).

2. Resale Restriction. The Employee is permitted to sell Shares acquired upon settlement of the Units through the designated broker appointed under the Program, provided the resale of Shares acquired under the Program takes place outside of Canada through the facilities of the stock exchange on which the Shares are listed. The Shares are currently listed on the New York Stock Exchange.

3. English Language. The parties to the Agreement acknowledge that it is their express wish that the Agreement, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English. ***Les parties reconnaissent avoir exigé la rédaction en anglais de la présente convention, ainsi que de tous documents exécutés, avis donnés et procédures judiciaires intentées, directement ou indirectement, relativement à ou suite à la présente convention.***

4. Nature of Grant. The following provision supplements Section 7 of the Agreement:

For purposes of the Units, the Employee's employment relationship will be considered terminated as of the date the Employee is no longer actually employed or otherwise rendering services to the Company or, if different, the Subsidiary for which the Employee provides services (regardless of the reason for such termination and whether or not later found to be invalid or in breach of employment or other laws or otherwise rendering services or the terms of the Employee's Employee Agreement or other service agreement, if any). Unless otherwise extended pursuant to the terms of the Agreement or by the Company, the Employee's right to vest in the Units, if any, will terminate as of such date (the "*Termination Date*"). The Termination Date will not be extended by any common law notice period. Notwithstanding the foregoing, however, if applicable employment standards legislation specifically requires continued entitlement to vesting during a statutory notice period, the Employee's right to vest in the Units, if any, will be allowed to continue for that minimum notice period but then immediately terminate effective as of the last day of the Employee's minimum statutory notice period.

In the event the date the Employee is no longer providing actual service cannot be reasonably determined under the terms of this Agreement and/or the Program, the Committee or its delegate shall have the exclusive discretion to determine when the Employee is no longer actively providing services for purposes of the Units (including whether the Employee may still be considered to be providing services while on a leave of absence).

Unless otherwise provided in the Agreement or by the Company, any portion of the Units that is not vested on the Termination Date shall terminate immediately and be null and void. Unless the applicable employment standards legislation specifically requires, in the case of the Employee, the Employee will not earn or be entitled to any pro-rated vesting for that portion of time before the date on which his or her employment relationship is terminated (as determined under this provision) nor will the Employee be entitled to any compensation for lost vesting.

CHILE

Private Placement. The following provision shall replace Section 13 of the Agreement:

The grant of the Units hereunder is not intended to be a public offering of securities in Chile but instead is intended to be a private placement.

- b. The offer deals with securities not registered in the registry of securities or in the registry of foreign securities of the Chilean Commission for the Financial Market, and therefore such securities are not subject to its oversight;
- c. The issuer is not obligated to provide public information in Chile regarding the foreign securities, as such securities are not registered with the Chilean Commission for the Financial Market; and

- d. The foreign securities shall not be subject to public offering as long as they are not registered with the corresponding registry of securities in Chile.

- b. *La oferta versa sobre valores no inscritos en el registro de valores o en el registro de valores extranjeros que lleva la Comisión para el Mercado Financiero Chilena, por lo que tales valores no están sujetos a la fiscalización de ésta;*
- c. *Por tratar de valores no inscritos no existe la obligación por parte del emisor de entregar en Chile información pública respecto de esos valores; y*
- d. *Esos valores no podrán ser objeto de oferta pública mientras no sean inscritos en el registro de valores correspondiente.*

CHINA

Foreign Exchange Control Laws. The following provisions shall govern the Employee's participation in the Program if the Employee is a national of the People's Republic of China ("*China*") resident in mainland China, or if determined to be necessary or appropriate by the Company in its sole discretion:

The Employee agrees to hold the Shares received upon settlement of the Units and any and all previously granted restricted stock units with the Company's designated broker. If the Company changes its designated broker, the Employee acknowledges and agrees that the Company may transfer any Shares issued under the Program to the new designated broker if necessary for legal or administrative reasons. The Employee agrees to sign any documentation necessary to facilitate the transfer. Upon a Termination, the Employee shall be required to sell all Shares issued pursuant to the Units within 180 days (or such shorter period as may be required by the State Administration of Foreign Exchange ("SAFE") or the Company) of the Termination date and repatriate the sales proceeds to China in the manner designated by the Company. For purposes of the foregoing, the Company shall establish procedures for effectuating the forced sale of the Shares (including procedures whereby the Company may issue sale instructions on behalf of the Employee), and the Employee hereby agrees to comply with such procedures and take any and all actions as the Company determines, in its sole discretion, are necessary or advisable for purposes of complying with local laws, rules and regulations in China. Further, in the event of the Employee's Termination due to Retirement, to comply with the applicable SAFE requirements, any Units outstanding as of the 180th day following the Termination date shall be forfeited on such date (or such earlier date as may be required by the SAFE).

The Employee understands and agrees that the repatriation of dividends and sales proceeds may need to be effected through a special exchange control account established by the Company or its Subsidiaries, and the Employee hereby consents and agrees that dividends issued on Shares and sales proceeds from the sale of Shares acquired under the Program may be transferred to such account by the Company on the Employee's behalf prior to being delivered to the Employee. Dividends and/or sales proceeds may be paid to the Employee in U.S. dollars or local currency at the Company's discretion. If dividends and/or sales proceeds are paid to the Employee in U.S. dollars, the Employee understands that the Employee will be required to set up a U.S. dollar bank account in China so that the dividends or proceeds may be deposited into this account. If dividends and/or sales proceeds are paid to the Employee in local currency, the Employee acknowledges that the Company is under no obligation to secure any particular exchange conversion rate and that the Company may face delays in converting the

dividends and/or proceeds to local currency due to exchange control restrictions. The Employee agrees to bear any currency fluctuation risk between the time dividends are issued or Shares are sold and the net proceeds are converted into local currency and distributed to the Employee. The Employee further agrees to comply with any other requirements that may be imposed by the Company or its Subsidiaries in China in the future in order to facilitate compliance with exchange control requirements in China. The Employee acknowledges and agrees that the processes and requirements set forth herein shall continue to apply following the Employee's Termination.

Neither the Company nor any of its Subsidiaries shall be liable for any costs, fees, lost interest or dividends or other losses the Employee may incur or suffer resulting from the enforcement of the terms of this Addendum or otherwise from the Company's operation and enforcement of the Program, the Agreement and the Units in accordance with Chinese law including, without limitation, any applicable SAFE rules, regulations and requirements.

COLOMBIA

Nature of Grant. This provision supplements Section 10 of the Agreement:

The Employee acknowledges that, pursuant to Article 128 of the Colombian Labor Code, the Program and related benefits do not constitute a component of Employee's "salary" for any legal purpose. Therefore, they will not be included and/or considered for purposes of calculating any and all labor benefits, such as legal/fringe benefits, vacations, indemnities, payroll taxes, social insurance contributions and/or any other labor-related amount which may be payable.

Securities Law Information. Shares are not and will not be registered with the Colombian registry of publicly held securities (*Registro Nacional de Valores y Emisores*) and, therefore, the Shares may not be offered to the public in Colombia. Nothing in the Agreement should be construed as making a public offer of securities in Colombia.

DENMARK

MEXICO

1. Commercial Relationship. The Employee expressly acknowledges that the Employee's participation in the Program and the Company's grant of the Award does not constitute an employment relationship between the Employee and the Company. The Employee has been granted the Award as a consequence of the commercial relationship between the Company and the Subsidiary in Mexico that employs the Employee, and the Company's Subsidiary in Mexico is the Employee's sole employer. Based on the foregoing: (a) the Employee expressly acknowledges that the Program and the benefits derived from participation in the Program do not establish any rights between the Employee and the Subsidiary in Mexico that employs the Employee; (b) the Program and the benefits derived from participation in the Program are not part of the employment conditions and/or benefits provided by the Subsidiary in Mexico that employs the Employee; and (c) any modifications or amendments of the Program or benefits granted thereunder by the Company, or a termination of the Program by the Company, shall not constitute a change or impairment of the terms and conditions of the Employee's employment with the Subsidiary in Mexico that employs the Employee.

2. Extraordinary Item of Compensation. The Employee expressly recognizes and acknowledges that the Employee's participation in the Program is a result of the discretionary and unilateral decision of the Company, as well as the Employee's free and voluntary decision to participate in the Program in accordance with the terms and conditions of the Program, the Agreement and this Addendum. As such,

the Employee acknowledges and agrees that the Company, in its sole discretion, may amend and/or discontinue the Employee's participation in the Program at any time and without any liability. The value of the Units is an extraordinary item of compensation outside the scope of the Employee's employment contract, if any. The Units are not part of the Employee's regular or expected compensation for purposes of calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits, or any similar payments, which are the exclusive obligations of the Company's Subsidiary in Mexico that employs the Employee.

3. Securities Law Notice. The Units and the Shares offered under the Program have not been registered with the National Register of Securities maintained by the Mexican National Banking and Securities Commission and cannot be offered or sold publicly in Mexico. NEW ZEALAND

Securities Law Notice.

Warning

This is an offer of Units which, upon vesting and settlement in accordance with the terms of the Program and the Agreement, will be converted into Shares. Shares give you a stake in the ownership of AbbVie Inc. You may receive a return if dividends are paid.

If AbbVie Inc. runs into financial difficulties and is wound up, you will be paid only after all creditors and holders of preference shares have been paid. You may lose some or all of your investment.

New Zealand law normally requires people who offer financial products to give information to investors before they invest. This information is designed to help investors make an informed decision. The usual rules do not apply to this offer because it is made under an employee share purchase scheme. As a result, you may not be given all the information usually required. You will also have fewer other legal protections for this investment.

Ask questions, read all documents carefully, and seek independent financial advice before committing.

Prior to the vesting and settlement of the Units, you will not have any rights of ownership (e.g., voting rights) with respect to the underlying Shares.

No interest in any Units may be transferred (legally or beneficially), assigned, mortgaged, charged or encumbered.

The Shares are quoted on the New York Stock Exchange. This means that if you acquire Shares under the Program, you may be able to sell them on the New York Stock Exchange if there are interested buyers. You may get less than you invested. The price will depend on the demand for the Shares.

SPAIN

1. Acknowledgement of Discretionary Nature of the Program; No Vested Rights

By accepting the Award, the Employee consents to participation in the Program and acknowledges receipt of a copy of the Program.

The Employee understands that the Company has unilaterally, gratuitously and in its sole discretion granted Units under the Program to individuals who may be employees of the Company or its Subsidiaries throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Company or any of its Subsidiaries on an ongoing basis. Consequently, the Employee understands that the Units are granted on the assumption and condition that the Units and the Shares acquired upon settlement of the Units shall not become a part of any employment contract (either with the Company or any of its Subsidiaries) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. In addition, the Employee understands that

this grant would not be made to the Employee but for the assumptions and conditions referenced above; thus, the Employee acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason the Award shall be null and void.

The Employee understands and agrees that, as a condition of the Award, unless otherwise provided in Section 4 of the Agreement, any unvested Units as of the date the Employee ceases active employment will be forfeited without entitlement to the underlying Shares or to any amount of indemnification in the event of Termination. The Employee acknowledges that the Employee has read and specifically accepts the conditions referred to in the Agreement regarding the impact of a Termination on the Units.

2. Termination for Cause. Notwithstanding anything to the contrary in the Program or the Agreement, "Cause" shall be as defined as set forth in the Agreement, regardless of whether the Termination is considered a fair termination (i.e., "despido procedente") under Spanish legislation.

3. Securities Law Notice. No "offer of securities to the public," as defined under Spanish law, has taken place or will take place in the Spanish territory. The Program, the Award, the Agreement, this Addendum and all other materials the Employee may receive regarding the Employee's participation in the Program have not been nor will they be registered with the *Comisión Nacional del Mercado de Valores* (Spanish Securities Exchange Commission), and they do not constitute a public offering prospectus.

SWEDEN

Withholding of Tax-Related Items. The following provision shall supplement Section 8 of the Agreement:

Without limiting the authority of the Company and the Subsidiary that employs the Employee to satisfy their withholding obligations for Tax-Related items as set forth in Section 8 of the Agreement, the Employee authorizes the Company to withhold Shares otherwise deliverable to the Employee upon settlement of the Units to satisfy Tax-Related Items, regardless of whether the Company and/or the Subsidiary that employs the Employee has an obligation to withhold such Tax-Related Items.

UNITED KINGDOM

1. Payment of Taxes. Without limitation to Section 8 of the Agreement, the Employee hereby agrees that the Employee is liable for all Tax-Related Items and hereby covenants to pay all such Tax-Related Items, as and when requested by the Company or (if different) the Subsidiary that employs the Employee or by Her Majesty’s Revenue & Customs (“HMRC”) (or any other tax authority or any other relevant authority). The Employee also hereby agrees to indemnify and keep indemnified the Company and (if different) the Subsidiary that employs the Employee against any Tax-Related Items that they are required to pay or withhold on the Employee’s behalf or have paid or will pay on the Employee’s behalf to HMRC (or any other tax authority or any other relevant authority).

Notwithstanding the foregoing, if the Employee is a director or executive officer (as within the meaning of Section 13(k) of the U.S. Securities Exchange Act of 1934, as amended), the terms of the immediately foregoing provision will not apply. In the event that the Employee is a director or executive officer and income tax due is not collected from or paid by the Employee by within 90 days after the U.K. tax year in which an event giving rise to the indemnification described above occurs, the amount of any uncollected tax may constitute a benefit to the Employee on which additional income tax and national insurance contributions may be payable. The Employee acknowledges that the Employee ultimately will be responsible for reporting and paying any income tax due on this additional benefit directly to HMRC under the self-assessment regime and for reimbursing the Company or the Subsidiary that employs the Employee (as applicable) for the value of any employee national insurance contributions due on this additional benefit, which the Company and/or the Subsidiary that employs the Employee may recover from the Employee at any time thereafter by any of the means referred to in Section 8 of the Agreement.

2. Exclusion of Claim. The Employee acknowledges and agrees that the Employee will have no entitlement to compensation or damages insofar as such entitlement arises or may arise from the Employee’s ceasing to have rights under or to be entitled to the Units, whether or not as a result of Termination (whether the Termination is in breach of contract or otherwise), or from the loss or

diminution in value of the Units. Upon the grant of the Award, the Employee shall be deemed to have waived irrevocably any such entitlement.

UNITED ARAB EMIRATES

Securities Information. The Units are granted under the Program only to select Employees and are in the nature of providing employee equity incentives in the United Arab Emirates. The Program and the Agreement are intended for distribution only to such Employees and must not be delivered to, or relied on by, any other person. Prospective acquirors of the securities offered should conduct their own due diligence on the securities. If the Employee does not understand the contents of the Program and the Agreement, the Employee should consult an authorized financial adviser. The Emirates Securities and Commodities Authority has no responsibility for reviewing or verifying any documents in connection with the Program. Neither the Ministry of Economy nor the Dubai Department of Economic Development has approved the Program or the Agreement nor taken steps to verify the information set out herein, and has no responsibility for such documents.

The Employee also hereby agrees to indemnify and keep indemnified the Company and (if different) the Subsidiary that employs the Employee against any Tax-Related Items that they are required to pay or withhold on the Employee's behalf or have paid or will pay on the Employee's behalf to HMRC (or any other tax authority or any other relevant authority).

Notwithstanding the foregoing, if the Employee is a director or executive officer (as within the meaning of Section 13(k) of the U.S. Securities Exchange Act of 1934, as amended), the terms of the immediately foregoing provision will not apply. 2. Exclusion of Claim. The Employee acknowledges and agrees that the Employee will have no entitlement to compensation or damages insofar as such entitlement arises or may arise from the Employee's ceasing to have rights under or to be entitled to the Units, whether or not as a result of Termination (whether the Termination is in breach of contract or otherwise), or from the loss or

diminution in value of the Units. Upon the grant of the Award, the Employee shall be deemed to have waived irrevocably any such entitlement.

(o) *Program*: The AbbVie Amended and Restated 2013 Incentive Stock Program.

(p) *Retirement*:

(i) Except as provided under (ii) or (iii) below, Retirement means any of the following:

- age 55 with 10 years of service; or
- age 60 with five years of service; or
- age 65 with three years of service.
-

(ii) For purposes of calculating service under this Section 1(p), except as otherwise provided by the Committee or its delegate:

(A) service is earned only if performed for a member of the Controlled Group while that Controlled Group member is a part of the Controlled Group as defined in section 1(e) of this Agreement; and

(B) for Employees who transferred to the Company directly from Abbott Laboratories during the period from January 1, 2013 through June 30, 2015 either as a result of the Company's spin-off from Abbott Laboratories or with the consent of each company's head of human resources, service includes service with Abbott Laboratories that is counted for retirement eligibility purposes under applicable law or Company procedures outside the United States the AbbVie Pension Plan, the AbbVie Pension Plan for Former BASF and Former Solvay Employees, or another Company-sponsored pension plan, as applicable.

(iii) For Employees who (A) are being credited with service in the AbbVie Pension Plan at the time of a Retirement eligibility determination under this Agreement, and (B) transferred to the Company directly from Abbott Laboratories either as a result of the Company's spin-off from Abbott Laboratories or during the period from January 1, 2013 through June 30, 2015 with the consent of each company's head of human resources, and (C) were hired into the Abbott Laboratories controlled group prior to January 1, 2004, Retirement means any of the following:

- age 50 with 10 years of service;
- age 65 with at least three years of service; or
- age 55 with an age and service combination of 70 points, where each year of age is one point and each year of service is one point.

(q) *Termination*: A severance of employment for any reason (including Retirement) from the Company and all Subsidiaries. Any Termination shall be effective on the last day the Employee performs services for or on behalf of the Company or its Subsidiary, and employment shall not be extended by any statutory or common law notice of termination period.

2. Delivery Dates and Shareholder Rights. The delivery dates for Shares issuable with respect to the Units are the respective dates on which the Shares are distributable to the Employee if the Units vest pursuant to Section 4 below (each a "*Delivery Date*"). Prior to the Delivery Date(s):

(a) the Employee shall not be treated as a shareholder as to any Shares issuable under the Agreement, and shall have only a contractual right to receive Shares, unsecured by any assets of the Company or its Subsidiaries;

(b) the Employee shall not be permitted to vote any Shares issuable under the Agreement; and

(c) the Employee's right to receive such Shares will be subject to the adjustment provisions relating to mergers, reorganizations, and similar events set forth in the Program.

Subject to the requirements of local law, if any dividend or other distribution is declared and paid on Shares (other than dividends or distributions of securities of the Company which may be issued with respect to its Shares by virtue of any stock split, combination, stock dividend or recapitalization) while any of the Units remain subject to this Award (meaning that any of the Shares into which Units would be converted are not otherwise issued and outstanding for purposes of the entitlement to the dividend or distribution), then a book account will be maintained for the Employee and credited with a phantom dividend that is equivalent to the actual dividend or distribution that would have been paid on the total number of Performance Shares that may be distributed under this Award if that number of Shares had been issued and outstanding and entitled to the dividend or distribution. As any Units vest under this Award, the phantom dividends credited to the book account that are attributable to the Shares issuable with respect to such Units will vest and be distributed to the Employee (in the form in which the actual dividend or distribution was paid to shareholders or in such other form as the Administrator deems appropriate under the circumstances) concurrently with the issuance of the Shares resulting from the Unit vesting. Any such distribution is subject to the Company's collection of withholding taxes applicable to the distribution.

If fewer than all of the Performance Shares are earned as a result of the application of the vesting requirements or the forfeiture provisions of this Agreement or the Program, then the phantom dividends attributable to the unearned Shares will be cancelled and the Employee will cease to have any right or entitlement to receive any distribution or other amount with respect to such cancelled phantom dividends.

No phantom dividends will be paid or payable to or for the benefit of the Employee with respect to dividends or distributions for which the record date occurs on or after the date the Employee has forfeited the Units, or the date on which vested Units have been settled in Shares. For purposes of compliance with the requirements of Code Section 409A, to the extent applicable, the specified date for payment of any phantom dividend to which the Employee is entitled under this Section 2 is the calendar year in which the corresponding Shares vest and are distributed to the Employee. The Employee has no right to determine the year in which phantom dividends will be paid.

3. Restrictions. The Units (encompassing all of the Performance Shares) are subject to the forfeiture provisions in Sections 6 and 7 below. Shares are not earned and may not be sold, exchanged, assigned, transferred, pledged or otherwise disposed of (collectively, the "Restrictions") until an event or combination of events described in subsections 4(a), (b), (c) or (d) or Section 5 occurs.

4. Vesting. The number of Shares that become issuable under this Award, as set forth in this Section 4 and subject to the provisions of Sections 5, 6 and 7 below, will be calculated based on

the extent to which the Performance Vesting Requirements described in the attached Schedule are achieved. The Committee may equitably adjust the Performance Vesting Requirements described in the attached Schedule in recognition of unusual or non-recurring events affecting the Company or any Subsidiary or the financial statements of the Company or any Subsidiary, in response to changes in applicable laws or regulations, or to account for items of gain, loss or expense determined to be unusual in nature or infrequent in occurrence or related to the acquisition or disposal of a business or assets or related to a change in accounting principles.

(a) Performance. If the Employee remains employed with the Company or its Subsidiaries as of the vesting date and has not experienced a Termination that triggers forfeiture, then the Units may be earned as described in the Schedule. The number of Shares deliverable as a result of Units being earned shall be determined in accordance with the Schedule. The Delivery Date for the Shares to be delivered as a result of Units being earned under this subsection (a) shall be no later than 75 days after the date of the applicable vesting event.

(b) Retirement. In the event of the Employee's Termination due to Retirement, the Award will remain in effect and any Units not previously vested may vest as set forth in subsection 4(a) above.

(c) Death. In the event of the Employee's Termination due to death, any Units not previously vested will vest and be settled (for the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution) in the form of Shares as soon as administratively possible after, and effective as of, the date of death. The extent to which the Units vest, and the number of Shares to be delivered as a result, will be determined based on the greater of (A) performance through the date of Termination measured against the Performance Vesting Requirements set forth in the Schedule using, as applicable, adjusted earnings per share calculated through the most recent quarterly earnings release preceding or coinciding with the date of Termination and relative Total Shareholder Return (TSR) calculated as of the date of Termination, and (B) the target vesting level for the Award.

(d) Disability. In the event of the Employee's Termination due to Disability, any Units not previously vested will vest and be settled in the form of Shares as soon as administratively possible after, and effective as of, the date of Termination due to Disability. The extent to which the Units vest, and the number of Shares to be delivered as a result, will be determined based on the greater of (A) performance through the date of Termination measured against the Performance Vesting Requirements set forth in the Schedule using, as applicable, adjusted earnings per share calculated through the most recent quarterly earnings release preceding or coinciding with the date of Termination and relative TSR calculated as of the date of Termination, and (B) the target vesting level for the Award.

5. Change in Control. In the event of a Change in Control, the entity surviving such Change in Control or the ultimate parent thereof (referred to herein as the "Surviving Entity") may assume, convert or replace this Award with an award of at least equal value and terms and conditions not less favorable than the terms and conditions provided in this Agreement, in which case the new award will vest according to the terms of the applicable award agreement. If the Surviving

Entity does not assume, convert or replace this Award, the Units will vest on the date of the Change in Control, as described below.

If the Surviving Entity does assume, convert or replace this Award, then in the event the Employee's Termination (a) occurs within the time period beginning six months immediately before a Change in Control and ending two years immediately following such Change in Control, and (b) was initiated by the Company (or the Surviving Entity) for a reason other than Cause or was initiated by the Employee for Good Reason, the Units will vest on the later of the date of the Change in Control and the date of the Employee's Termination (referred to herein as the "Applicable Vesting Date").

The extent to which the Units vest, and the number of Shares to be delivered as a result, will be determined based on the greatest of (A) performance through the date of the Change in Control measured against the Performance Vesting Requirements set forth in the Schedule using the most recent earnings information released before or on the date of the Change in Control and relative TSR calculated immediately before the Change in Control; (B) performance through the date of the Termination measured against the Performance Vesting Requirements set forth in the Schedule using the most recent earnings information released before or on the date of the Termination and relative TSR calculated as of the date of Termination; and (C) the target vesting level for the Award.

The provisions of this Section 5 supersede Section 13(a)(iii), (iv) and (v) of the Program.

6. Effect of Certain Bad Acts. Any Units not previously settled will be cancelled and forfeited immediately if the Employee engages in activity that constitutes Cause, as determined in the sole opinion and discretion of the Committee or its delegate, whether or not the Employee experiences a Termination or remains employed with the Company or a Subsidiary.

7. Forfeiture of Units. In the event of the Employee's Termination for any reason other than those set forth in subsections 4(b), (c) or (d) or Section 5, any Units that have not vested as of the date of Termination will be forfeited without consideration to the Employee or the Employee's Representative. In the event that the Employee is terminated by the Company other than for Cause and in a situation not covered by Section 5, the Company may, in its sole discretion, cause some or all of the Units to remain in effect and subject to vesting in accordance with the provisions of subsection 4(a), in which case such Units will be settled in the form of Shares on the Delivery Date(s) set forth in subsection 4(a) above as if the Employee had remained employed on such dates. In accepting this Award, the Employee acknowledges that in the event of Termination (whether or not in breach of local labor laws), the Employee's right to vest in the Units, if any, will cease and will not be extended by any notice period mandated under local law (*e.g.*, active employment does not include a period of "garden leave" or similar period pursuant to local law) and that the Company shall have the exclusive discretion to determine when Termination occurs.

8. Withholding Taxes. To the extent permitted under applicable law and by the Company, the Employee may satisfy any U.S. or non-U.S. federal, state, local or other applicable taxes arising from the grant of the Award, the vesting of Units or the delivery of Shares pursuant to this Agreement by:

- (a) tendering a cash payment;
- (b) having the Company withhold Shares from the Shares to be delivered to satisfy the applicable withholding tax;
- (c) tendering Shares received in connection with the Award back to the Company; or
- (d) delivering other previously acquired Shares having a Fair Market Value approximately equal to the amount to be withheld.

The Company shall have the right and is hereby authorized to withhold from the Shares deliverable to the Employee pursuant to this Agreement or (to the extent permitted by applicable law, including without limitation Code Section 409A) from any other compensation or other amount owing to the Employee, such amount as may be necessary in the opinion of the Company to satisfy all such taxes, requirements and withholding obligations. If the Company withholds for tax purposes from the Shares otherwise to be delivered to the Employee, the Employee is deemed to have been issued the full number of Shares underlying the Award, subject to the vesting requirements set forth in this Agreement.

Notwithstanding the foregoing, if the Employee is subject to Section 16(b) of the Exchange Act, the Company will withhold using the method described in subsection 8(b) above unless the use of such withholding method is problematic under applicable laws or has materially adverse accounting consequences, in which case the Committee shall determine which of the other methods described in this Section 8 or in the Program shall be used to satisfy the applicable withholding obligations.

9. No Right to Continued Employment. This Agreement and the Employee's participation in the Program do not and shall not be interpreted to:

- (a) form an employment contract or relationship with the Company or its Subsidiaries;
- (b) confer upon the Employee any right to continue in the employ of the Company or any of its Subsidiaries; or
- (c) interfere with the ability of the Company or its Subsidiaries to terminate the Employee's employment at any time.

10. Nature of Grant. In accepting this Award, the Employee acknowledges and agrees that:

- (a) the Program is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time;
- (b) this Award is a one-time benefit and does not create any contractual or other right to receive future grants of Units, benefits in lieu of Units, or other Program Benefits in the future, even if Units have been granted repeatedly in the past;
- (c) all decisions with respect to future Unit grants, if any, and their terms and conditions, will be made by the Company, in its sole discretion;

(d) nothing contained in this Agreement is intended to create or enlarge any other contractual obligations between the Company and the Employee;

(e) the Employee is voluntarily participating in the Program;

(f) the Units and Shares subject to the Units are:

(i) extraordinary items that do not constitute compensation of any kind for services of any kind rendered to the Company or its Subsidiaries, and are outside the scope of the Employee's employment contract, if any;

(ii) not intended to replace any pension rights or compensation;

(iii) not part of the Employee's normal or expected compensation or salary for any purpose, including, but not limited to, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, holiday pay, bonuses, long-service awards, pension or retirement or welfare benefits, or similar payments and in no event should they be considered as compensation for, or relating in any way to, past services for the Company or any of its Subsidiaries;

(g) the future value of the Shares underlying the Units is unknown and cannot be predicted with certainty;

(h) in consideration of the Award, no claim or entitlement to compensation or damages shall arise from the Units resulting from Termination (for any reason whatsoever) and the Employee irrevocably releases the Company and its Subsidiaries from any such claim that may arise; if any such claim is found by a court of competent jurisdiction to have arisen, then, by signing or electronically accepting this Agreement, the Employee shall be deemed irrevocably to have waived the Employee's entitlement to pursue such claim;

(i) the Units and the Benefits under the Program, if any, will not automatically transfer to another company in the case of a merger, take-over or transfer of liability; and

(j) neither the Company nor any of its Subsidiaries shall be liable for any change in value of the Units, the amount realized upon settlement of the Units or the amount realized upon a subsequent sale of any Shares acquired upon settlement of the Units, resulting from any fluctuation of the United States Dollar/local currency foreign exchange rate.

11. Data Privacy.

(a) Pursuant to applicable personal data protection laws, the collection, processing and transfer of the Employee's personal Data is necessary for the Company's administration of the Program and the Employee's participation in the Program. The Employee's denial and/or objection to the collection, processing and transfer of personal Data may affect his or her ability to participate in the Program. As such (where required under applicable law), the Employee:

(i) voluntarily acknowledges, consents and agrees to the collection, use, processing and transfer of personal Data as described herein; and

(ii) authorizes Data recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for purposes of implementing, administering and managing the Employee's participation in the Program, including any requisite transfer of such Data as may be required for the administration of the Program and/or the subsequent holding of Shares on the Employee's behalf to a broker or other third party with whom the Employee may elect to deposit any Shares acquired pursuant to the Program.

(b) Data may be provided by the Employee or collected, where lawful, from third parties, and the Company and the Subsidiary that employs the Employee (if applicable) will process the Data for the exclusive purpose of implementing, administering and managing the Employee's participation in the Program. Data processing will take place through electronic and non-electronic means according to logics and procedures strictly correlated to the purposes for which the Data is collected and with confidentiality and security provisions as set forth by applicable laws and regulations in the Employee's country of residence. Data processing operations will be performed minimizing the use of personal and identification data when such operations are unnecessary for the processing purposes sought. The Data will be accessible within the Company's organization only by those persons requiring access for purposes of the implementation, administration and operation of the Program and for the Employee's participation in the Program.

(c) The Company and the Subsidiary that employs the Employee (if applicable) will transfer Data as necessary for the purpose of implementation, administration and management of the Employee's participation in the Program, and the Company and the Subsidiary that employs the Employee (if applicable) may further transfer Data to any third parties assisting the Company in the implementation, administration and management of the Program. These recipients may be located throughout the world.

(d) The Employee may, at any time, exercise his or her rights provided under applicable personal data protection laws, which may include the right to:

- i. obtain confirmation as to the existence of the Data;
- ii. verify the content, origin and accuracy of the Data;
- iii. request the integration, update, amendment, deletion or blockage (for breach of applicable laws) of the Data; and
- iv. oppose, for legal reasons, the collection, processing or transfer of the Data which is not necessary or required for the implementation, administration and/or operation of the Program and the Employee's participation in the Program.

The Employee may seek to exercise these rights by contacting his or her local human resources manager.

- i. Upon request of the Company or the Subsidiary that employs the Employee, the Employee agrees to provide an executed data privacy consent form (or any other agreement or consent that may be required by the Company and/or the Subsidiary

that employs the Employee) to the Company and/or the Subsidiary that employs the Employee that the Company and/or the Subsidiary that employs the Employee may deem necessary to obtain from the Employee for the purpose of administering his or her participation in the Program in compliance with the data privacy laws in the Employee's country, either now or in the future. The Employee understands and agrees that he or she will not be able to participate in the Program if the Employee fails to provide any such requested consent or agreement.

12. Form of Payment. The Company may, in its sole discretion, settle the Employee's Units in the form of a cash payment to the extent settlement in Shares: (a) is prohibited under local law; (b) would require the Employee, the Company and/or its Subsidiaries to obtain the approval of any governmental and/or regulatory body in the Employee's country; (c) would result in adverse tax consequences for the Employee or the Company; or (d) is administratively burdensome. Alternatively, the Company may, in its sole discretion, settle the Employee's Units in the form of Shares but require the Employee to sell such Shares immediately or within a specified period of time following the Employee's Termination (in which case, this Agreement shall give the Company the authority to issue sales instructions on the Employee's behalf).

13. Private Placement. This Award is not intended to be a public offering of securities in the Employee's country. The Company has not submitted any registration statement, prospectus or other filings with the local securities authorities (unless otherwise required under local law), and this Award is not subject to the supervision of the local securities authorities.

14. Exchange Controls. As a condition to this Award, the Employee agrees to comply with any applicable foreign exchange rules and regulations.

15. Compliance with Applicable Laws and Regulations.

(a) The Company shall not be required to issue or deliver any Shares pursuant to this Agreement pending compliance with all applicable federal and state securities and other laws (including any registration requirements or tax withholding requirements) and compliance with the rules and practices of any stock exchange upon which the Company's Shares are listed.

(b) Regardless of any action the Company or its Subsidiaries take with respect to any or all income tax, social insurance, payroll tax, payment on account or other tax-related items related to the Employee's participation in the Program and legally applicable to the Employee or deemed by the Company or its Subsidiaries to be an appropriate charge to the Employee even if technically due by the Company or its Subsidiaries ("*Tax-Related Items*"), the Employee acknowledges that the ultimate liability for all Tax-Related Items is and remains the Employee's responsibility and may exceed the amount actually withheld by the Company or its Subsidiaries, if any. The Employee further acknowledges that the Company and/or its Subsidiaries: (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Units, including, but not limited to, the grant, vesting or settlement of the Units, the issuance of Shares upon payment of the Units, the subsequent sale of Shares

acquired pursuant to such issuance and the receipt of any dividends and/or Dividend Equivalents; and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Units to reduce or eliminate the Employee's liability for Tax-Related Items or achieve any particular tax result. If the Employee has become subject to tax in more than one jurisdiction between the date of grant and the date of any relevant taxable event, the Employee acknowledges that the Company and/or its Subsidiaries may be required to withhold or account for Tax-Related Items in more than one jurisdiction. If the Employee relocates to another country, the Company may establish special or alternative terms and conditions as necessary or advisable to comply with local laws, rules or regulations, to facilitate the operation and administration of the Award and the Program and/or to accommodate the Employee's relocation.

(c) The Employee acknowledges that, depending on the Employee's or the broker's country of residence or where the Shares are listed, the Employee may be subject to insider trading restrictions and/or market abuse laws which may affect his or her ability to accept, acquire, sell or otherwise dispose of Shares, rights to Shares (*e.g.*, Units) or rights linked to the value of Shares during such times the Employee is considered to have "inside information" regarding the Company as defined in the laws or regulations in his or her country. Local insider trading laws and regulations may prohibit the cancellation or amendment of orders the Employee placed before he or she possessed inside information. Furthermore, the Employee could be prohibited from (i) disclosing the inside information to any third party (other than on a "need to know" basis) and (ii) "tipping" third parties or causing them otherwise to buy or sell securities. The Employee understands that third parties may include fellow employees. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. The Employee acknowledges that it is the Employee's responsibility to comply with any restrictions and the Employee is advised to speak to his or her personal legal advisor on this matter.

16. Code Section 409A. Payments made pursuant to this Agreement are intended to be exempt from or otherwise comply with the provisions of Code Section 409A to the extent applicable. The Program and this Agreement shall be administered and interpreted in a manner consistent with this intent. If the Company determines that any payments under this Agreement are subject to Code Section 409A and this Agreement fails to comply with that section's requirements, the Company may, at the Company's sole discretion, and without the Employee's consent, amend this Agreement to cause it to comply with Code Section 409A or otherwise be exempt from Code Section 409A.

To the extent required to avoid accelerated taxation and/or tax penalties under Code Section 409A and applicable guidance issued thereunder, the Employee shall not be deemed to have had a Termination unless the Employee has incurred a "separation from service" as defined in Treasury Regulation §1.409A-1(h), and amounts that would otherwise be payable pursuant to this Agreement during the six-month period immediately following the Employee's Termination (including Retirement) shall instead be paid on the first business day after the date that is six months following the Employee's Termination (or upon the Employee's death, if earlier). For purposes of Code Section 409A, to the extent applicable: (a) all payments provided hereunder shall be treated as a right to a series of separate payments and each separately identified amount to which the Employee is entitled under this Agreement shall be treated as a separate payment; (b) except as otherwise provided in Section 13(a) of the Program, upon the lapse of

Restrictions pursuant to Section 5 of this Agreement, any Units not previously settled on a Delivery Date shall be settled as soon as administratively possible after, and effective as of, the date of the Change in Control or the date of the Employee's Termination (as applicable); and (c) the term "as soon as administratively possible" means a period of time that is within 60 days after the Termination or Change in Control (as applicable).

Although this Agreement and the payments provided hereunder are intended to be exempt from or otherwise comply with the requirements of Code Section 409A, the Company does not represent or warrant that this Agreement or the payments provided hereunder will comply with Code Section 409A or any other provision of federal, state, local, or non-United States law. None of the Company, its Subsidiaries, or their respective directors, officers, employees or advisors shall be liable to the Employee (or any other individual claiming a benefit through the Employee) for any tax, interest, or penalties the Employee may owe as a result of compensation paid under this Agreement, and the Company and its Subsidiaries shall have no obligation to indemnify or otherwise protect the Employee from the obligation to pay any taxes pursuant to Code Section 409A.

17. No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Award, the Employee's participation in the Program or the Employee's acquisition or sale of the underlying Shares. The Employee is hereby advised to consult with the Employee's own personal tax, legal and financial advisors regarding participation in the Program before taking any action related to the Program.

18. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Employee's participation in the Program, on the Units and on any Shares acquired under the Program, to the extent the Company or any Subsidiary determines it is necessary or advisable to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Units and the Program, and to require the Employee to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing. The Employee agrees to take any and all actions, and consents to any and all actions taken by the Company and its Subsidiaries, as may be required to allow the Company and its Subsidiaries to comply with local laws, rules and regulations in the Employee's country. In addition, the Employee agrees to take any and all actions as may be required to comply with the Employee's personal obligations under local laws, rules and regulations in the Employee's country.

19. Determinations. Each decision, determination, interpretation or other action made or taken pursuant to the provisions of this Agreement by the Company, the Committee or any delegate of the Committee shall be final, conclusive and binding for all purposes and upon all persons, including, without limitation, the Company, the Employee, the Employee's Representative, and the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution.

20. Electronic Delivery. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Program by electronic means. The Employee hereby consents to receive such documents by electronic delivery and agrees to participate in the Program through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

21. Addendum. This Award shall be subject to any special terms and conditions set forth in any Addendum to this Agreement for the Employee's country or jurisdiction. Moreover, if the Employee relocates to one of the countries or jurisdictions included in the Addendum, the special terms and conditions for such country or jurisdiction will apply to the Employee, to the extent the Company determines that the application of such terms and conditions is necessary or advisable in order to comply with local laws, rules and/or regulations or facilitate the operation and administration of the Units and the Program (or the Company may establish alternative terms and conditions as may be necessary or advisable to accommodate the Employee's relocation). The Addendum constitutes part of this Agreement.

22. Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, and each other provision of this Agreement shall be severable and enforceable to the extent permitted by law. To the extent a court or tribunal of competent jurisdiction determines that any provision of this Agreement is invalid or unenforceable, in whole or in part, the Company, in its sole discretion, shall have the power and authority to revise or strike such provision to the minimum extent necessary to make it valid and enforceable to the full extent permitted under local law.

23. Entire Agreement. This Agreement and the Program constitute the entire agreement between the Employee and the Company regarding the Award and supersede all prior and contemporaneous agreements and understandings, oral or written, between the parties regarding the Award. Except as expressly set forth herein, this Agreement (and any provision of this Agreement) may not be modified, changed or clarified by the parties, except in a writing specifying the modification, change or clarification signed by a duly authorized Company officer.

24. Succession. This Agreement shall be binding upon and operate for the benefit of the Company and its successors and assigns, and the Employee, the Employee's Representative, and the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution.

25. Language. The Employee acknowledges and agrees that it is the Employee's express intent that this Agreement, the Program and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the Award, be drawn up in English. If the Employee is in a country where English is not an official language, the Employee acknowledges that he or she is sufficiently proficient in English or has had the ability to consult with an advisor who is sufficiently proficient in the English language, so as to allow the Employee to understand the terms and conditions of this Agreement, the Program and any other documents related to the Award. If the Employee has received this Agreement or any other document related to the Program translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.

26. Governing Law; Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to any state's conflict of laws principles. For any legal action relating to this Agreement, the parties to this Agreement consent to the exclusive jurisdiction and venue of the federal courts of the Northern District of Illinois,

USA, and, if there is no jurisdiction in federal court, to the exclusive jurisdiction and venue of the state courts in Lake County, Illinois, USA.

SCHEDULE

PERFORMANCE PERIODS AND PERFORMANCE VESTING REQUIREMENTS

Any capitalized term used but not defined in this Schedule has the meaning set forth in the Agreement or the Program. This Schedule is subject to, and is to be interpreted in combination with, all of the terms and conditions of the Agreement and the Program.

Vesting Steps and Performance Periods

The Award is subject to vesting in two steps as summarized below. Step 1 is based on the Company's adjusted earnings per share ("EPS") performance for the designated Performance Period and Step 2 is based on the Company's relative total shareholder return ("TSR") for the designated Performance Period, as described in the Agreement and the Performance Vesting Requirements section below. The vesting steps and corresponding Performance Periods are as follows:

Vesting Step	Performance Period
Step 1	January 1-December 31, 2022
Step 2	January 1, 2023-December 31, 2024

Performance Vesting Requirements

Step 1

Step 1 is based on the Company's EPS performance for 2022. Within sixty-five (65) days after the end of the Step 1 Performance Period, the Committee will determine the Company's EPS for that Performance Period. For purposes of determining such Performance Period EPS results, EPS means non-GAAP EPS disclosed in the Company's annual earnings release for the year ended December 31, 2022.

The Company's EPS performance for the Step 1 Performance Period determines the adjustment percentage for Step 1, such that:

- i. EPS of \$14.30 or greater results in an adjustment of 200%;
- ii. EPS of \$14.10 results in an adjustment of 100%;
- iii. EPS of \$14.05 results in an adjustment of 50%; and
- iv. EPS below \$14.05 results in an adjustment of 0%.

The adjustment percentages for EPS performance between \$14.05 and \$14.10 and between \$14.10 and \$14.30 will be interpolated based on the parameters listed above. The adjustment percentage derived from the EPS performance determination will be multiplied by the number of Units and rounded down to the nearest whole share, yielding an adjusted number of Units (the "Adjusted Units") that will be used in Step 2 below to determine the number of Shares deliverable under the Agreement.

Step 2

Step 2 is based on the Company's TSR for 2022-2024 relative to the TSR for the same period of the companies (other than the Company) that were constituents of either the S&P Pharmaceutical, Biotech, and Life Science Index or the NYSE Arca Pharmaceutical Index on January 1, 2022 and continue to be publicly-traded as of the last day of the Step 2 Performance Period (the "Index Companies"). Within sixty-five (65) days after the end of the Step 2 Performance Period, the Committee will determine performance against the Step 2 Performance Vesting Requirement.

The Committee will determine the Company's 2022-2024 TSR relative to the 2022-2024 TSR of the Index Companies. For the purposes of determining TSR, for each company the beginning stock price will be the closing stock price on December 31, 2021 and the ending stock price will be the closing stock price on December 31, 2024. The TSR results of the individual Index Companies will be indexed by beginning-of-period market capitalization.

The Company's TSR compared to the Index Companies TSR for the Performance Period determines the adjustment percentage to be applied to the Adjusted Units, such that:

- a. Company TSR more than 15 points above the index results in an adjustment of +25%;
- b. Company TSR more than 10 points above the index results in an adjustment of +20%;
- c. Company TSR more than 5 points above the index results in an adjustment of +15%;
- d. Company TSR more than 5 points below the index results in an adjustment of -15%; and
- e. Company TSR more than 15 points below the index results in an adjustment of -25%.

The adjustment percentage derived from the index comparison will be multiplied by the number of Adjusted Units and rounded down to the nearest whole share, yielding the number of Shares deliverable under the Agreement as a result of the application of the Performance Vesting Requirements.

ADDENDUM

In addition to the terms and conditions set forth in the Agreement, the Award is subject to the following terms and conditions. If the Employee is employed in a country or jurisdiction identified in this Addendum, the additional terms and conditions for such country or jurisdiction will apply. If the Employee relocates to one of the countries or jurisdictions identified in this Addendum, the special terms and conditions for such country or jurisdiction will apply to the Employee, to the extent the Company determines, in its sole discretion, that the application of such terms and conditions is necessary or advisable to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Units and the Program (or the Company may establish alternative terms and conditions as may be necessary or advisable to accommodate the Employee's relocation).

All defined terms contained in this Addendum shall have the same meaning as set forth in the Program.

EUROPEAN UNION ("EU") / EUROPEAN ECONOMIC AREA ("EEA") COUNTRIES, SWITZERLAND AND UNITED KINGDOM

Data Privacy. The following provision replaces Section 11 of the Agreement in its entirety:

Pursuant to applicable personal data protection laws, the Employee is hereby notified of the following in relation to the Employee's Personal Data (defined below) and the collection, processing and transfer in electronic or other form of such Personal Data in relation to the administration of the Program. The collection, processing and transfer of Personal Data is necessary for the legitimate purpose of the administration of the Program by the Company and the Subsidiary that employs the Employee and the Employee's participation in the Program, and the Employee's denial and/or objection to the collection, processing and transfer of Personal Data may affect his or her participation in the Program. As such, by participating in the Program, the Employee acknowledges the collection, use, processing and transfer of Personal Data as described herein.

The Employee understands that the Company and the Subsidiary that employs the Employee may hold certain personally identifiable information about the Employee, specifically his or her name, home address, email address and telephone number, date of birth, social security, passport or other identification number (resident registration number), salary, nationality, job title, any Shares or directorships held in the Company or its Subsidiaries, details of all entitlements to Shares (or cash) granted, awarded, canceled, vested, unvested or outstanding in the Employee's favor, for the purpose of managing and administering the Program ("*Personal Data*"). The Personal Data may be provided by the Employee or collected, where lawful, from third parties. The Company or the Subsidiary that employs the Employee each act as controllers of the Personal Data and will process the Personal Data in this context for the exclusive legitimate purpose of implementing, administering and managing the Employee's participation in the Program and meeting related legal obligations associated with these actions.

The processing will take place through electronic and non-electronic means according to logics and procedures correlated to the purposes for which the Personal Data was collected and with confidentiality and security provisions as set forth by applicable laws and regulations. Personal Data will be accessible within the Company's organization only by those persons requiring access for purposes of the implementation, administration and operation of the Program and other aspects of the employment relationship and for the Employee's participation in the Program.

The Company and the Subsidiary that employs the Employee will transfer Personal Data amongst themselves and their affiliates as necessary for the purpose of implementation, administration and management of the Employee's participation in the Program, and the Company and the Subsidiary that employs the Employee may each further transfer Personal Data to third parties assisting the Company or the Subsidiary that employs the Employee in the implementation, administration and management of the Program, including E*TRADE Financial Corporate Services Inc. and its affiliates ("*E*TRADE*") or any successor or other third party that the Company, the Subsidiary that employs the Employee or E*TRADE (or its successor) may engage to assist with the administration of the Program from time to time. These recipients may be located in the EU, EEA, Switzerland, the United Kingdom or elsewhere throughout the world, such as the United States. By participating in the Program, the Employee understands that these recipients may receive, possess, use, retain and transfer the Personal Data, in electronic or other form, for purposes of implementing, administering and managing the Employee's participation in the Program, including any requisite transfer of such Personal Data as may be required for the administration of the Program and/or the subsequent holding of Shares on the Employee's behalf to a broker or other third party with whom the Employee may elect to deposit any Shares acquired pursuant to the Program. The Employee further understands that he or she may request a list with the names and addresses of any potential recipients of Personal Data by contacting the Employee's local Human Resources manager or AbbVie's Human Resources Department. When transferring Personal Data to these potential recipients, the Company and the Subsidiary that employs the Employee may provide appropriate safeguards in accordance with EU Standard Contractual Clauses, or other legally binding and permissible arrangements. The Employee may request a copy of such safeguards from the Employee's local Human Resources manager or AbbVie's Human Resources Department.

To the extent provided by law, the Employee may, at any time, have the right to request: access to Personal Data, rectification of Personal Data, erasure of Personal Data, restriction of processing of Personal Data, and portability of Personal Data. The Employee may also have the right to object, on grounds related to a particular situation, to the processing of Personal Data, in any case without cost, by contacting in writing the Employee's local Human Resources manager or AbbVie's Human Resources Department. The Employee understands, however, that the only consequence of refusing to provide Personal Data is that the Company may not be able to grant the Units or other equity awards or administer or maintain such awards.

When the Company and the Subsidiary that employs the Employee no longer need to use Personal Data for the purposes above or do not need to retain it for compliance with any legal or regulatory purpose, each will take reasonable steps to remove Personal Data from their systems and/or records containing the Personal Data and/or take steps to properly anonymize it so that the Employee can no longer be identified from it.

ALGERIA

Settlement in Cash. Notwithstanding Section 4 of the Agreement or any other provision in the Agreement to the contrary, pursuant to Section 12 of the Agreement, the Units will be settled in the form of a cash payment, except as otherwise determined by the Company.

ARGENTINA

Securities Notification. Neither the Award nor the underlying Shares are publicly offered or listed on any stock exchange in Argentina.

AUSTRALIA

1. Breach of Law. Notwithstanding anything to the contrary in the Agreement or the Program, the Employee will not be entitled to, and shall not claim any benefit (including without limitation a legal right) under the Program if the provision of such benefit would give rise to a breach of Part 2D.2 of the Corporations Act 2001 (Cth), any other provision of that Act, or any other applicable statute, rule or regulation which limits or restricts the giving of such benefits.

2. Australian Offer Document. In addition to the Agreement and the Program, the Employee must review the Australian Offer Document for additional important information pertaining to the Award. This document can be accessed via the E*TRADE website at <https://us.etrade.com/stock-plans>. By accepting the Award, the Employee acknowledges and confirms that the Employee has reviewed the Australian Offer Document.

3. Tax Information. The Program is a program to which Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) (the "Act") applies (subject to the conditions in that Act).

BAHRAIN

Securities Notification. This Agreement does not constitute advertising or an offering of securities in Bahrain, nor does it constitute an allotment of securities in Bahrain. Any Shares issued pursuant to the Units under the Program shall be deposited into a brokerage account in the United States. In no event will Shares be issued or delivered in Bahrain. The issuance of Shares pursuant to the Units described herein has not and will not be registered in Bahrain and hence, the Shares described herein may not be admitted or used for offering, placement or public circulation in Bahrain. Accordingly, the Employee may not make any public advertising or announcements regarding the Units or Shares in Bahrain, promote these Shares to legal entities or individuals in Bahrain, or sell Shares directly to other legal entities or individuals in Bahrain. The Employee acknowledges and agrees that Shares may only be sold outside of Bahrain and on a stock exchange on which AbbVie is traded.

BRAZIL

Labor Law Acknowledgment. The Employee agrees, for all legal purposes, (i) the Benefits provided under the Agreement and the Program are the result of commercial transactions unrelated to the Employee's employment; (ii) the Agreement and the Program are not a part of the terms and conditions of the Employee's employment; and (iii) the income from the Units, if any, is not part of the Employee's remuneration from employment.

CANADA

1. Settlement in Shares. Notwithstanding anything to the contrary in the Agreement, Addendum or the Program, the Employee's Award shall be settled only in Shares (and may not be settled in cash).

2. Resale Restriction. The Employee is permitted to sell Shares acquired upon settlement of the Units through the designated broker appointed under the Program, provided the resale of Shares acquired

under the Program takes place outside of Canada through the facilities of the stock exchange on which the Shares are listed. The Shares are currently listed on the New York Stock Exchange.

3. English Language. The parties to the Agreement acknowledge that it is their express wish that the Agreement, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English. *Les parties reconnaissent avoir exigé la rédaction en anglais de la présente convention, ainsi que de tous documents exécutés, avis donnés et procédures judiciaires intentées, directement ou indirectement, relativement à ou suite à la présente convention.*

4. Nature of Grant. The following provision supplements Section 7 of the Agreement:

For purposes of the Units, the Employee's employment relationship will be considered terminated as of the date the Employee is no longer actually employed or otherwise rendering services to the Company or, if different, the Subsidiary for which the Employee provides services (regardless of the reason for such termination and whether or not later found to be invalid or in breach of employment or other laws or otherwise rendering services or the terms of the Employee's Employee Agreement or other service agreement, if any). Unless otherwise extended pursuant to the terms of the Agreement or by the Company, the Employee's right to vest in the Units, if any, will terminate as of such date (the "*Termination Date*"). The Termination Date will not be extended by any common law notice period. Notwithstanding the foregoing, however, if applicable employment standards legislation specifically requires continued entitlement to vesting during a statutory notice period, the Employee's right to vest in the Units, if any, will be allowed to continue for that minimum notice period but then immediately terminate effective as of the last day of the Employee's minimum statutory notice period.

In the event the date the Employee is no longer providing actual service cannot be reasonably determined under the terms of this Agreement and/or the Program, the Committee or its delegate shall have the exclusive discretion to determine when the Employee is no longer actively providing services for purposes of the Units (including whether the Employee may still be considered to be providing services while on a leave of absence).

Unless otherwise provided in the Agreement or by the Company, any portion of the Units that is not vested on the Termination Date shall terminate immediately and be null and void. Unless the applicable employment standards legislation specifically requires, in the case of the Employee, the Employee will not earn or be entitled to any pro-rated vesting for that portion of time before the date on which his or her employment relationship is terminated (as determined under this provision) nor will the Employee be entitled to any compensation for lost vesting.

CHILE

Private Placement. The following provision shall replace Section 13 of the Agreement:

The grant of the Units hereunder is not intended to be a public offering of securities in Chile but instead is intended to be a private placement.

The starting date of the offer will be the Grant Date (as defined in the Agreement), and this offer conforms to General Ruling no. 336 of the Chilean Commission for the Financial Market;

The offer deals with securities not registered in the registry of securities or in the registry of foreign securities of the Chilean Commission for the Financial Market, and therefore such securities are not subject to its oversight;

The issuer is not obligated to provide public information in Chile regarding the foreign securities, as such securities are not registered with the Chilean Commission for the Financial Market; and

The foreign securities shall not be subject to public offering as long as they are not registered with the corresponding registry of securities in Chile.

CHINA

Foreign Exchange Control Laws. The following provisions shall govern the Employee's participation in the Program if the Employee is a national of the People's Republic of China ("*China*") resident in mainland China, or if determined to be necessary or appropriate by the Company in its sole discretion:

The Employee agrees to hold the Shares received upon settlement of the Units and any and all previously granted restricted stock units with the Company's designated broker. If the Company changes its designated broker, the Employee acknowledges and agrees that the Company may transfer any Shares issued under the Program to the new designated broker if necessary for legal or administrative reasons. The Employee agrees to sign any documentation necessary to facilitate the transfer. Upon a Termination, the Employee shall be required to sell all Shares issued pursuant to the Units within 180 days (or such shorter period as may be required by the State Administration of Foreign Exchange ("SAFE") or the Company) of the Termination date and repatriate the sales proceeds to China in the manner designated by the Company. For purposes of the foregoing, the Company shall establish procedures for effectuating the forced sale of the Shares (including procedures whereby the Company may issue sale instructions on behalf of the Employee), and the Employee hereby agrees to comply with such procedures and take any and all actions as the Company determines, in its sole discretion, are necessary or advisable for purposes of complying with local laws, rules and regulations in China. Further, in the event of the Employee's Termination due to Retirement, to comply with the applicable SAFE requirements, any Units outstanding as of the 180th day following the Termination date shall be forfeited on such date (or such earlier date as may be required by the SAFE).

The Employee understands and agrees that the repatriation of dividends and sales proceeds may need to be effected through a special exchange control account established by the Company or its Subsidiaries, and the Employee hereby consents and agrees that dividends issued on Shares and sales proceeds from the sale of Shares acquired under the Program may be transferred to such account by the Company on the Employee's behalf prior to being delivered to the Employee. Dividends and/or sales proceeds may be paid to the Employee in U.S. dollars or local currency at the Company's discretion. If dividends and/or sales proceeds are paid to the Employee in U.S. dollars, the Employee understands that the Employee will be required to set up a U.S. dollar bank account in China so that the dividends or proceeds may be deposited into this account. If dividends and/or sales proceeds are paid to the Employee in local currency, the Employee acknowledges that the Company is under no obligation to secure any particular exchange conversion rate and that the Company may face delays in converting the dividends and/or proceeds to local currency due to exchange control restrictions. The Employee agrees to bear any currency fluctuation risk between the time dividends are issued or Shares are sold and the net proceeds are converted into local currency and distributed to the Employee. The Employee further agrees to comply with any other requirements that may be imposed by the Company or its Subsidiaries in China in the future in order to facilitate compliance with exchange control requirements in China. The Employee acknowledges and agrees that the processes and requirements set forth herein shall continue to apply following the Employee's Termination.

Neither the Company nor any of its Subsidiaries shall be liable for any costs, fees, lost interest or dividends or other losses the Employee may incur or suffer resulting from the enforcement of the terms of this Addendum or otherwise from the Company's operation and enforcement of the Program, the Agreement and the Units in accordance with Chinese law including, without limitation, any applicable State Administration of Foreign Exchange rules, regulations and requirements.

COLOMBIA

Nature of Grant. This provision supplements Section 10 of the Agreement:

The Employee acknowledges that, pursuant to Article 128 of the Colombian Labor Code, the Program and related benefits do not constitute a component of Employee's "salary" for any legal purpose. Therefore, they will not be included and/or considered for purposes of calculating any and all labor benefits, such as legal/fringe benefits, vacations, indemnities, payroll taxes, social insurance contributions and/or any other labor-related amount which may be payable.

Securities Law Information. Shares are not and will not be registered with the Colombian registry of publicly held securities (*Registro Nacional de Valores y Emisores*) and, therefore, the Shares may not be offered to the public in Colombia. Nothing in the Agreement should be construed as making a public offer of securities in Colombia.

DENMARK

The Act on Stock Options. In addition to the Agreement and the Program, the Employee must review the Employer Information Statement (Denmark) pursuant to the Danish Act on the Use of Rights to Purchase or Subscribe for Shares etc. in the Employment Relationship, as amended as of January 1, 2019 (the "*Stock Option Act*") for additional important information pertaining to the Award. This document can be accessed via the E*TRADE website at <https://us.etrade.com/stock-plans>. By accepting the Award, the Employee acknowledges having received an "Employer Information Statement" in Danish, which is provided to comply with the Stock Option Act, as amended as of January 1, 2019.

FINLAND

Withholding of Tax-Related Items. Notwithstanding anything in Section 8 of the Agreement to the contrary, if the Employee is a local national of Finland, any Tax-Related Items shall be withheld only in cash from the Employee's regular salary/wages or other amounts payable to the Employee in cash, or such other withholding methods as may be permitted under the Program and allowed under local law.

FRANCE

1. Nature of the Award. The Units are not granted under the French specific regime provided by Articles L. 225-197-1 and seq. or L. 22-10-59 and L. 22-10-60 of the French commercial code, as amended.

2. English Language. The parties to the Agreement acknowledge that it is their express wish that the Agreement, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English. *Les parties reconnaissent avoir exigé la rédaction en anglais de la présente convention, ainsi que de tous documents exécutés, avis donnés et procédures judiciaires intentées, directement ou indirectement, relativement à ou suite à la présente convention.*

HONG KONG

1. Settlement in Shares. Notwithstanding anything to the contrary in the Agreement, Addendum or the Program, the Award shall be settled only in Shares (and may not be settled in cash).
2. Lapse of Restrictions. If, for any reason, Shares are issued to the Employee within six months of the Grant Date, the Employee agrees that he or she will not sell or otherwise dispose of any such Shares prior to the six-month anniversary of the Grant Date.
3. **IMPORTANT NOTICE**. MEXICO

1. Commercial Relationship. The Employee expressly acknowledges that the Employee's participation in the Program and the Company's grant of the Award does not constitute an employment relationship between the Employee and the Company. The Employee has been granted the Award as a consequence of the commercial relationship between the Company and the Subsidiary in Mexico that employs the Employee, and the Company's Subsidiary in Mexico is the Employee's sole employer. Based on the foregoing: (a) the Employee expressly acknowledges that the Program and the benefits derived from participation in the Program do not establish any rights between the Employee and the Subsidiary in Mexico that employs the Employee; (b) the Program and the benefits derived from participation in the Program are not part of the employment conditions and/or benefits provided by the Subsidiary in Mexico that employs the Employee; and (c) any modifications or amendments of the Program or benefits granted thereunder by the Company, or a termination of the Program by the Company, shall not constitute a change or impairment of the terms and conditions of the Employee's employment with the Subsidiary in Mexico that employs the Employee.

2. Extraordinary Item of Compensation. The Employee expressly recognizes and acknowledges that the Employee's participation in the Program is a result of the discretionary and unilateral decision of the Company, as well as the Employee's free and voluntary decision to participate in the Program in accordance with the terms and conditions of the Program, the Agreement and this Addendum. As such, the Employee acknowledges and agrees that the Company, in its sole discretion, may amend and/or discontinue the Employee's participation in the Program at any time and without any liability. The value of the Units is an extraordinary item of compensation outside the scope of the Employee's employment contract, if any. The Units are not part of the Employee's regular or expected compensation for purposes of calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits, or any similar payments, which are the exclusive obligations of the Company's Subsidiary in Mexico that employs the Employee.

3. Securities Law Notice. NEW ZEALAND

Securities Law Notice.

Warning

This is an offer of Units which, upon vesting and settlement in accordance with the terms of the Program and the Agreement, will be converted into Shares. Shares give you a stake in the ownership of AbbVie Inc. You may receive a return if dividends are paid.

If AbbVie Inc. runs into financial difficulties and is wound up, you will be paid only after all creditors and holders of preference shares have been paid. You may lose some or all of your investment.

New Zealand law normally requires people who offer financial products to give information to investors before they invest. This information is designed to help investors make an informed decision. The usual rules do not apply to this offer because it is made under an employee share purchase scheme. As a result, you may not be given all the information usually required. You will also have fewer other legal protections for this investment.

Ask questions, read all documents carefully, and seek independent financial advice before committing.

Prior to the vesting and settlement of the Units, you will not have any rights of ownership (e.g., voting rights) with respect to the underlying Shares.

No interest in any Units may be transferred (legally or beneficially), assigned, mortgaged, charged or encumbered.

The Shares are quoted on the New York Stock Exchange. This means that if you acquire Shares under the Program, you may be able to sell them on the New York Stock Exchange if there are interested buyers. You may get less than you invested. The price will depend on the demand for the Shares.

SPAIN

1. **Acknowledgement of Discretionary Nature of the Program; No Vested Rights**

By accepting the Award, the Employee consents to participation in the Program and acknowledges receipt of a copy of the Program.

The Employee understands that the Company has unilaterally, gratuitously and in its sole discretion granted Units under the Program to individuals who may be employees of the Company or its Subsidiaries throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Company or any of its Subsidiaries on an ongoing basis. Consequently, the Employee understands that the Units are granted on the assumption and condition that the Units and the Shares acquired upon settlement of the Units

shall not become a part of any employment contract (either with the Company or any of its Subsidiaries) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. In addition, the Employee understands that this grant would not be made to the Employee but for the assumptions and conditions referenced above; thus, the Employee acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason the Award shall be null and void.

The Employee understands and agrees that, as a condition of the Award, unless otherwise provided in Section 4 of the Agreement, any unvested Units as of the date the Employee ceases active employment will be forfeited without entitlement to the underlying Shares or to any amount of indemnification in the event of Termination. The Employee acknowledges that the Employee has read and specifically accepts the conditions referred to in the Agreement regarding the impact of a Termination on the Units.

2. **Termination for Cause.** Notwithstanding anything to the contrary in the Program or the Agreement, “Cause” shall be as defined as set forth in the Agreement, regardless of whether the Termination is considered a fair termination (i.e., “despido procedente”) under Spanish legislation.

3. **Securities Law Notice.** No “offer of securities to the public,” as defined under Spanish law, has taken place or will take place in the Spanish territory. The Program, the Award, the Agreement, this Addendum and all other materials the Employee may receive regarding the Employee’s participation in the Program have not been nor will they be registered with the *Comisión Nacional del Mercado de Valores* (Spanish Securities Exchange Commission), and they do not constitute a public offering prospectus.

SWEDEN

The Employee acknowledges that any activity related to investments in foreign securities (e.g., the sale of Shares) should be conducted through a bank or financial intermediary institution licensed by the Turkey Capital Markets Board and should be reported to the Turkish Capital Markets Board. The Employee is solely responsible for complying with this requirement and should consult with a personal legal advisor for further information regarding any obligations in this respect.

UNITED KINGDOM

1. **Payment of Taxes.** Without limitation to Section 8 of the Agreement, the Employee hereby agrees that the Employee is liable for all Tax-Related Items and hereby covenants to pay all such Tax-Related Items, as and when requested by the Company or (if different) the Subsidiary that employs the Employee or by Her Majesty’s Revenue & Customs (“HMRC”) (or any other tax authority or any other relevant authority). The Employee also hereby agrees to indemnify and keep indemnified the Company and (if different) the Subsidiary that employs the Employee against any Tax-Related Items that they are required to pay or withhold on the Employee’s behalf or have paid or will pay on the Employee’s behalf to HMRC (or any other tax authority or any other relevant authority).

Notwithstanding the foregoing, if the Employee is a director or executive officer (as within the meaning of Section 13(k) of the U.S. Securities Exchange Act of 1934, as amended), the terms of the immediately foregoing provision will not apply. In the event that the Employee is a director or executive officer and income tax due is not collected from or paid by the Employee by within 90 days after the U.K. tax year in which an event giving rise to the indemnification described above occurs, the amount of any uncollected tax may constitute a benefit to the Employee on which additional income tax and national insurance contributions may be payable. The Employee acknowledges that the Employee ultimately will be responsible for reporting and paying any income tax due on this additional benefit directly to HMRC

under the self-assessment regime and for reimbursing the Company or the Subsidiary that employs the Employee (as applicable) for the value of any employee national insurance contributions due on this additional benefit, which the Company and/or the Subsidiary that employs the Employee may recover from the Employee at any time thereafter by any of the means referred to in Section 8 of the Agreement.

2. Exclusion of Claim. The Employee acknowledges and agrees that the Employee will have no entitlement to compensation or damages insofar as such entitlement arises or may arise from the Employee's ceasing to have rights under or to be entitled to the Units, whether or not as a result of Termination (whether the Termination is in breach of contract or otherwise), or from the loss or diminution in value of the Units. Upon the grant of the Award, the Employee shall be deemed to have waived irrevocably any such entitlement.

VIETNAM

Settlement in Cash. Notwithstanding Section 4 of the Agreement or any other provision in the Agreement to the contrary, pursuant to Section 12 of the Agreement, the Units will be settled in the form of a cash payment, except as otherwise determined by the Company.

ABBVIE INC.
NON-EMPLOYEE DIRECTOR RESTRICTED STOCK UNIT AGREEMENT

On this <<GRANT DATE (MONTH DD, YYYY)>> (the “Grant Date”), AbbVie Inc. (the “Company”) hereby grants to <<FIRST NAME>> <<LAST NAME>> (the “Director”) a Restricted Stock Unit Award (the “Award”) of <<TOTAL SHARES GRANTED>> restricted stock units (the “Units”) representing the right to receive an equal number of Shares on a specified Delivery Date.

The Award is granted under the Program and is subject to the provisions of the Program, the Program prospectus, the Program administrative rules, applicable Company policies, and the terms and conditions set forth in this Agreement. In the event of any inconsistency among the provisions of this Agreement, the provisions of the Program, the Program prospectus, and the Program administrative rules, the provisions of the Program shall control.

1. Definitions. To the extent not defined herein, capitalized terms shall have the same meaning as in the Program.

(a) *Agreement*: This Restricted Stock Unit Agreement.

(b) *Data*: Certain personal information about the Director held by the Company and the Subsidiary for which the Director provides services (if applicable), including (but not limited to) the Director’s name, home address and telephone number, email address, date of birth, social security, passport or other identification number, salary, nationality, job title, any Shares held in the Company, details of all Awards or any other entitlement to Shares awarded, canceled, purchased, vested, unvested or outstanding in the Director’s favor, for the purpose of managing and administering the Program.

(c) *Director’s Representative*: The Director’s legal guardian or other legal representative.

(d) *Program*: The AbbVie Amended and Restated 2013 Incentive Stock Program.

(e) *Termination*: A termination from service for any reason (including death or retirement) with the Board of Directors of the Company and all Subsidiaries.

2. Delivery Date and Shareholder Rights. The delivery dates for Shares underlying the Units is the date on which the Shares are payable to the Director after the Restrictions on such Units lapse pursuant to Section 4 below (each a “Delivery Date”). Prior to the Delivery Date:

(a) the Director shall not be treated as a shareholder as to those Shares underlying the Units, and shall have only a contractual right to receive Shares, unsecured by any assets of the Company or its Subsidiaries;

(b) the Director shall not be permitted to vote the Shares underlying the Units; and

(c) the Director's right to receive such Shares will be subject to the adjustment provisions relating to mergers, reorganizations, and similar events set forth in the Program.

Subject to the requirements of local law, the Director shall receive cash payments equal to the dividends and distributions paid on Shares underlying the Units (the "*Dividend Equivalents*") (other than dividends or distributions of securities of the Company which may be issued with respect to its Shares by virtue of any stock split, combination, stock dividend or recapitalization) to the same extent and on the same date as if each Unit were a Share; provided, however, that no Dividend Equivalents shall be payable to or for the benefit of the Director with respect to dividends or distributions the record date for which occurs on or after the applicable Delivery Date, the date the Director has forfeited the Units or, in some cases due to applicable law, the date the Restrictions on the Units have lapsed. For purposes of compliance with the requirements of Code Section 409A, to the extent applicable, the specified date for payment of any Dividend Equivalents to which the Director is entitled under this Section 2 is the calendar year during the term of this Agreement in which the associated dividends or distributions are paid on Shares underlying the Units. The Director shall have no right to determine the year in which Dividend Equivalents will be paid.

3. Restrictions. The Units shall be fully vested as of the Grant Date; provided, however, that the Units will be subject to subsections (3)(a), (b), and (c) below (collectively, the "*Restrictions*") until the earlier to occur of the events described in subsection 4(a) or (b).

(a) The Units may not be sold, exchanged, assigned, transferred, pledged, or otherwise disposed of.

(b) Any additional Shares or other securities or property issued with respect to Shares covered by the Units as a result of any stock split, combination, stock dividend or recapitalization, shall be subject to the Restrictions and other provisions of the Program and this Agreement.

(c) The Director shall not be entitled to receive any Shares prior to completion of all actions deemed appropriate by the Company to comply with federal, state or other applicable securities laws and stock exchange requirements.

4. Lapse of Restrictions. The Restrictions shall lapse and have no further force or effect and Shares underlying the Units shall be settled upon the earlier of the following events (each, a "*Delivery Date*"):

(a) Termination Event. The date of the Director's Termination; or

(b) Change in Control. The date of occurrence of a Change in Control; provided that the event constituting a Change in Control is a "change in control event" as such term is defined in Treasury Regulation § 1.409A-3(i)(5).

5. Withholding Taxes. The Director may satisfy any U.S. or non-U.S. federal, state, local or other applicable taxes arising from the grant of the Award, the lapse of Restrictions or the delivery of Shares pursuant to this Agreement by:

(a) tendering a cash payment;

(b) having the Company withhold Shares from the Shares to be delivered to satisfy the applicable withholding tax;

(c) tendering Shares received in connection with the Units back to the Company; or

(d) delivering other previously acquired Shares having a Fair Market Value approximately equal to the amount to be withheld.

The Company shall have the right and is hereby authorized to withhold from the Shares deliverable to the Director pursuant to this Agreement or (to the extent permitted by applicable law, including without limitation Code Section 409A) from any other compensation or other amount owing to the Director, such amount as may be necessary in the opinion of the Company to satisfy all such taxes, requirements and withholding obligations. If the Company withholds for tax purposes from the Shares otherwise to be delivered to the Director, the Director is deemed to have been issued the full number of Shares underlying the Units, subject to the Restrictions set forth in this Agreement.

Notwithstanding the foregoing, if the Director is subject to Section 16(b) of the Exchange Act, the Company will withhold using the method described in subsection 5(b) above unless the use of such withholding method is problematic under applicable laws or has materially adverse accounting consequences, in which case the Committee shall determine which of the other methods described in this Section 5 or in the Program shall be used to satisfy the applicable withholding obligations.

6. No Right to Continued Service. This Agreement and the Director's participation in the Program is not and shall not be interpreted to:

(a) form a contractual or other relationship with the Company or its Subsidiaries;

(b) confer upon the Director any right to continue in the service of the Company or any of its Subsidiaries; or

(c) interfere with the ability of the Company or its Subsidiaries to terminate the Director's service at any time.

7. No Contract as of Right. The Award does not create any contractual or other right to receive additional Awards or other Program Benefits. Nothing contained in this Agreement is intended to create or enlarge any other contractual obligations between the Company and the Director. Future Awards, if any, and their terms and conditions, will be at the sole discretion of the Committee.

8. Data Privacy.

(a) Pursuant to applicable personal data protection laws, the collection, processing and transfer of the Director's personal Data is necessary for the Company's administration of the Program and the Director's participation in the Program. The Director's denial and/or objection to the collection, processing and transfer of personal Data may affect his or her ability to participate in the Program. As such (where required under applicable law), the Director:

(i) voluntarily acknowledges, consents and agrees to the collection, use, processing and transfer of personal Data as described herein; and

(ii) authorizes Data recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for purposes of implementing, administering and managing the Director's participation in the Program, including any requisite transfer of such Data as may be required for the administration of the Program and/or the subsequent holding of Shares on the Director's behalf to a broker or other third party with whom the Director may elect to deposit any Shares acquired pursuant to the Program.

(b) Data may be provided by the Director or collected, where lawful, from third parties, and the Company will process the Data for the exclusive purpose of implementing, administering and managing the Director's participation in the Program. Data processing will take place through electronic and non-electronic means according to logics and procedures strictly correlated to the purposes for which the Data is collected and with confidentiality and security provisions as set forth by applicable laws and regulations in the Director's country of residence. Data processing operations will be performed minimizing the use of personal and identification data when such operations are unnecessary for the processing purposes sought. The Data will be accessible within the Company's organization only by those persons requiring access for purposes of the implementation, administration and operation of the Program and for the Director's participation in the Program.

(c) The Company will transfer Data as necessary for the purpose of implementation, administration and management of the Director's participation in the Program, and the Company and the Subsidiary that served by the Director (if applicable) may further transfer Data to any third parties assisting the Company in the implementation, administration and management of the Program. These recipients may be located throughout the world.

(d) The Director may, at any time, exercise his or her rights provided under applicable personal data protection laws, which may include the right to:

(i) obtain confirmation as to the existence of the Data;

(ii) verify the content, origin and accuracy of the Data;

(iii) request the integration, update, amendment, deletion or blockage (for breach of applicable laws) of the Data; and

(iv) oppose, for legal reasons, the collection, processing or transfer of the Data which is not necessary or required for the implementation, administration and/or operation of the Program and the Director's participation in the Program.

The Director may seek to exercise these rights by contacting the Company's corporate human resources department.

(e) Upon request of the Company, the Director agrees to provide an executed data privacy consent form (or any other agreement or consent that may be required by the Company) to the Company that the Company may deem necessary to obtain from the Director for the purpose of administering his or her participation in the Program in compliance with the data privacy laws in the Director's country, either now or in the future. The Director understands and agrees that he or she will not be able to participate in the Program if the Director fails to provide any such requested consent or agreement.

9. No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Units, the Director's participation in the Program or the Director's acquisition or sale of the underlying Shares. The Director is hereby advised to consult with the Director's own personal tax, legal and financial advisors regarding participation in the Program before taking any action related to the Program.

10. Entire Agreement. This Agreement and the Program constitute the entire agreement between the Director and the Company regarding the Award and supersede all prior and contemporaneous agreements and understandings, oral or written, between the parties regarding the Award. Except as expressly set forth herein, this Agreement (and any provision of this Agreement) may not be modified, changed or clarified by the parties, except in a writing specifying the modification, change or clarification signed by a duly authorized Company officer.

11. Succession. This Agreement shall be binding upon and operate for the benefit of the Company and its successors and assigns, and the Director, the Director's Representative, and the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution.

12. Compliance with Applicable Laws and Regulations. The Company shall not be required to issue or deliver any Shares pursuant to this Agreement pending compliance with all applicable federal and state securities and other laws (including any registration requirements or tax withholding requirements) and compliance with the rules and practices of any stock exchange upon which the Company's Shares are listed. If the Director relocates to another country, the Company may establish special or alternate terms and conditions as necessary or advisable to comply with local laws, rules or regulations, to facilitate the operation and administration of the Award and the Program and/or to accommodate the Director's relocation.

13. Code Section 409A. Payments made pursuant to this Agreement are intended to be exempt from or otherwise comply with the provisions of Code Section 409A to the extent applicable. The Program and this Agreement shall be administered and interpreted in a manner consistent with this intent. If the Company determines that any payments under this Agreement are subject to Code Section 409A and this Agreement fails to comply with that section's requirements, the Company may, at the Company's sole discretion, and without the Director's consent, amend this Agreement to cause it to comply with Code Section 409A or otherwise be exempt from Code Section 409A.

To the extent required to avoid accelerated taxation and/or tax penalties under Code Section 409A and applicable guidance issued thereunder, the Director shall not be deemed to have had a Termination unless the Director has incurred a "separation from service" as defined in Treasury Regulation §1.409A-1(h), and amounts that would otherwise be payable pursuant to this Agreement during the six-month period immediately following the Director's Termination shall instead be paid on the first business day after the date that is six months following the Director's Termination (or upon the Director's death, if earlier). For purposes of Code Section 409A, to the extent applicable, all payments provided hereunder shall be treated as a right to a series of separate payments and each separately identified amount to which the Director is entitled under this Agreement shall be treated as a separate payment.

Although this Agreement and the payments provided hereunder are intended to be exempt from or otherwise comply with the requirements of Code Section 409A, the Company does not represent or warrant that this Agreement or the payments provided hereunder will comply with Code Section 409A or any other provision of federal, state, local, or non-United States law. None of the Company, its Subsidiaries, or their respective directors, officers, employees or advisers shall be liable to the Director (or any other individual claiming a benefit through the Director) for any tax, interest, or penalties the Director may owe as a result of compensation paid under this Agreement, and the Company and its

Subsidiaries shall have no obligation to indemnify or otherwise protect the Director from the obligation to pay any taxes pursuant to Code Section 409A.

14. Determinations. Each decision, determination, interpretation or other action made or taken pursuant to the provisions of this Agreement by the Company, the Committee or any delegate of the Committee shall be final, conclusive and binding for all purposes and upon all persons, including, without limitation, the Company, the Director, the Director's Representative, and the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution.

15. Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, and each other provision of this Agreement shall be severable and enforceable to the extent permitted by law. To the extent a court or tribunal of competent jurisdiction determines that any provision of this Agreement is invalid or unenforceable, in whole or in part, the Company, in its sole discretion, shall have the power and authority to revise or strike such provision to the minimum extent necessary to make it valid and enforceable to the full extent permitted under local law.

16. Governing Law; Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to any state's conflict of laws principles. For any legal action relating to this Agreement, the parties to this Agreement consent to the exclusive jurisdiction and venue of the federal courts of the Northern District of Illinois, USA, and, if there is no jurisdiction in federal court, to the exclusive jurisdiction and venue of the state courts in Lake County, Illinois, USA.

2. Term of Option. Subject to Sections 5 and 7, the Employee may exercise all or a portion of the vested Option at any time prior to the 10th anniversary of the Grant Date (the "*Expiration Date*"); provided that the Option may be exercised with respect to whole Shares only. In no event shall the Option be exercisable on or after the Expiration Date. To the extent the Option is

not exercised prior to the Expiration Date (or any earlier expiration of the Option pursuant to Sections 5 and 7), it shall be canceled and forfeited.

3. Vesting. The Option shall vest and become exercisable as follows:

- (a) on the first anniversary of the Grant Date, one-third of the total number of Shares may be purchased;
- (b) on the second anniversary of the Grant Date, two-thirds of the total number of Shares may be purchased; and
- (c) on the third anniversary of the Grant Date, the Option may be exercised in full.

The Option is not earned and the Employee has no right to purchase the underlying Shares until an event described above occurs. The vesting described above is cumulative, so that at each vesting date an additional amount of Shares is available for purchase and remains available until the Option's Expiration Date or such earlier date determined pursuant to Section 5 or 7 below.

4. Exercise of the Option. To the extent vested, the Option may be exercised in whole or in part as follows:

(a) Who May Hold/Exercise the Option.

(i) General Rule - Exercise by Employee Only. During the lifetime of the Employee, the Option may be exercised only by the Employee or the Employee's Representative.

(ii) Death Exception. If the Employee dies, then the Option may be exercised only by the executor or administrator of the estate of the Employee or the person or persons to whom rights under the Option have passed by will or the laws of descent or distribution. Such person(s) shall furnish the appropriate tax clearances, proof of the right of such person(s) to exercise the Option, and other pertinent data as the Company may deem necessary.

(iii) Transferability. Except as otherwise provided by the Committee or its delegate, the Option is not transferable other than by will or the laws of descent and distribution. It may not be assigned, transferred (except by will or the laws of descent and distribution), pledged or hypothecated in any way, whether by operation of law or otherwise, and shall not be subject to execution, attachment, or similar process. Any attempt at assignment, transfer, pledge, hypothecation, or other disposition of the Option contrary to the provisions hereof, and the levy of any attachment or similar process upon such Option, shall be null and void.

(b) Method of Exercise. Subject to the requirements of local law, the Option may be exercised only by:

- (i) delivery to the designated employee or agent of the Company of a written, electronic, or telephonic notice of exercise, specifying the number of Shares with respect to which the Option is then being exercised, and payment of the full Exercise Price of the Shares being purchased in cash or with other Shares held by the Employee having a then Fair Market Value equal to the Exercise Price;
- (ii) delivery of a properly-executed exercise notice together with a copy of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds to pay the Exercise Price;
- (iii) a combination of (i) and (ii) above; or
- (iv) any other manner approved by the Committee from time to time.

Each method of exercise requires payment of the full amount of any U.S. and non-U.S. federal, state, local or other applicable taxes which the Company believes are required to be withheld and paid with respect to such exercise, as described below.

Notwithstanding the foregoing, the Company may require payment in a particular or different method of exercise than those methods specified in Section 4(b)(i) - (iii), may allow the Employee to exercise the Option only by means of a cashless exercise (either a cashless "sell all" exercise or a cashless "sell-to-cover" exercise) as it shall determine in its sole discretion, or may require the Employee to sell any Shares the Employee acquired under the Program immediately or within a specified period following the Employee's Termination (in which case, this Agreement shall give the Company the authority to issue sales instructions on the Employee's behalf).

(c) Payment of Taxes. To the extent permitted under applicable law and by the Company, the Employee may satisfy any U.S. or non-U.S. federal, state, local or other applicable taxes arising from any transaction related to the exercise of the Option pursuant to this Agreement by:

- (i) tendering a cash payment;
- (ii) having the Company withhold Shares from the Option exercised to satisfy the applicable withholding tax;

(iii) tendering Shares received in connection with the Option back to the Company; or

(iv) delivering other previously acquired Shares having a Fair Market Value approximately equal to the amount to be withheld.

The Company shall have the right and is hereby authorized to withhold from the Shares transferable to the Employee upon any exercise of the Option or (to the extent permitted by applicable law, including without limitation Code Section 409A) from any other compensation or other amount owing to the Employee such amount as may be necessary in the opinion of the Company to satisfy all such tax and withholding obligations.

Notwithstanding the foregoing, if the Employee is subject to Section 16(b) of the Exchange Act, the Company will withhold using the method described in subsection 4(c)(ii) above unless the use of such withholding method is problematic under applicable laws or has materially adverse accounting consequences, in which case the Committee shall determine which of the other methods described in this subsection 4(c) or in the Program shall be used to satisfy the applicable withholding obligations.

5. Effect of Termination or Death on the Option. By accepting this Option grant, the Employee acknowledges that, except as otherwise provided in this Agreement, in the event of Termination (whether or not in breach of local labor laws), the Employee's right to vest in the Option under the Program, if any, will cease and will not be extended by any notice period mandated under local law (*e.g.*, active employment does not include a period of "garden leave" or similar period pursuant to local law) and that the Company shall have the exclusive discretion to determine Termination occurs.

(a) Termination due to Retirement. Subject to Section 7 below, in the event of Termination due to Retirement, then (regardless of any subsequent death of the Employee) the Option will continue to vest pursuant to Section 3, and the last date on which the Option may be exercised is the day prior to the Expiration Date.

(b) Termination due to Disability. Subject to Section 7 below, in the event of Termination due to Disability, then (regardless of any subsequent death of the Employee) the Option will continue to vest pursuant to Section 3, and the last date on which the Option may be exercised is the day prior to the Expiration Date.

(c) Termination due to Death of the Employee. In the event of the death of the Employee during employment, the Option will continue to vest pursuant to Section 3, and the last date on which the Option may be exercised is the day prior to the Expiration Date.

(d) Termination for Reason Other than under Subsection 5(a), (b), or (c) or Section 6.

(i) Options Granted Within Nine Months of Termination. Any Option granted less than nine months prior to a Termination for any reason other than those set forth in subsections 5(a), (b) or (c) or Section 6 shall be cancelled and forfeited immediately upon such Termination.

(ii) Options Granted Nine Months or More Prior to Termination. Subject to Section 7 below, an Option granted nine months or more prior to a Termination for any reason other than those set forth in subsections 5(a), (b) or (c) or Section 6 will continue to vest and shall be exercisable to the extent permitted by Section 3 for a three-month period after the Employee's effective date of Termination, but in no event shall such Option be exercised on or after the Expiration Date. In the event of the death of the Employee during the three-month period after the Employee's effective date of Termination, the Option shall continue to vest and be exercisable for a three-month period measured from the date of death, but in no event shall such Option be exercised on or after the Expiration Date.

6. Change in Control. In the event of a Change in Control, the entity surviving such Change in Control or the ultimate parent thereof (referred to herein as the "*Surviving Entity*") may assume, convert or replace this Option with an award of at least equal value and terms and conditions not less favorable than the terms and conditions provided in this Agreement, in which case the new award will vest according to the terms of the applicable award agreement. If the Surviving Entity does not assume, convert or replace this Option, the Option shall vest on the date of the Change in Control. If the Surviving Entity does assume, convert or replace this Option, then in the event the Employee's Termination (a) occurs within the time period beginning six months immediately before a Change in Control and ending two years immediately following such Change in Control, and (b) was initiated by the Company (or the Surviving Entity) for a reason other than Cause or was initiated by the Employee for Good Reason, the Option will become fully vested and exercisable as of the later of the date of the Change in Control and the date of the Employee's Termination. The provisions of this Section 6 shall supersede Section 13(a)(i) of the Program.

7. Effect of Certain Bad Acts. The Option shall be cancelled and forfeited immediately if, in the sole opinion and discretion of the Committee or its delegate, the Employee:

- (a) commits a material breach of the terms and conditions of the Employee's employment, including, but not limited to:
 - i. material breach by the Employee of the Code of Business Conduct;

- ii. material breach by the Employee of the Employee's Employee Agreement or employment contract, if any;
- iii. commission by the Employee of an act of fraud, embezzlement or theft in connection with the Employee's duties or in the course of the Employee's employment;
- iv. wrongful disclosure by the Employee of secret processes or confidential information of the Company or any of its Subsidiaries; or
- v. failure by the Employee to substantially perform the duties of the Employee's employment (other than any such failure resulting from the Employee's Disability); or

(b) to the extent permitted by applicable law, engagement by the Employee, directly or indirectly, for the benefit of the Employee or others, in any activity, employment or business which is competitive with the Company or any of its Subsidiaries.

8. No Right to Continued Employment. This Agreement and the Employee's participation in the Program do not and shall not be interpreted to:

- (a) form an employment contract or relationship with the Company or its Subsidiaries;
- (b) confer upon the Employee any right to continue in the employ of the Company or any of its Subsidiaries; or
- (c) interfere with the ability of the Company or its Subsidiaries to terminate the Employee's employment at any time.

9. Nature of Grant. In accepting this Option grant, the Employee acknowledges and agrees that:

- (a) the Program is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time;
- (b) this Option grant is a one-time benefit and does not create any contractual or other right to receive future grants of Options, benefits in lieu of Options, or other Program benefits in the future, even if Options have been granted repeatedly in the past;
- (c) all decisions with respect to future Option grants, if any, and their terms and conditions, will be made by the Company, in its sole discretion;

(d) nothing contained in this Agreement is intended to create or enlarge any other contractual obligations between the Company and the Employee;

(e) the Employee is voluntarily participating in the Program;

(f) the Option and Shares subject to the Option are:

(i) extraordinary items that do not constitute compensation of any kind for services of any kind rendered to the Company or its Subsidiaries, and are outside the scope of the Employee's employment contract, if any;

(ii) not intended to replace any pension rights or compensation;

(iii) not part of the Employee's normal or expected compensation or salary for any purpose, including, but not limited to, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, holiday pay, bonuses, long-service awards, pension or retirement or welfare benefits, or similar payments and in no event should they be considered as compensation for, or relating in any way to, past services for the Company or any of its Subsidiaries;

(g) the future value of the Shares underlying the Option is unknown and cannot be predicted with certainty;

(h) in consideration of this Option grant, no claim or entitlement to compensation or damages shall arise from the Option resulting from Termination (for any reason whatsoever) and the Employee irrevocably releases the Company and its Subsidiaries from any such claim that may arise; if any such claim is found by a court of competent jurisdiction to have arisen, then, by signing or electronically accepting this Agreement, the Employee shall be deemed irrevocably to have waived the Employee's entitlement to pursue such claim; \

(i) the Option and the Benefits under the Program, if any, will not automatically transfer to another company in the case of a merger, take-over or transfer of liability; and

(j) neither the Company nor any of its Subsidiaries shall be liable for any change in value of the Option, the amount realized upon exercise of the Option or the amount realized upon a subsequent sale of any Shares acquired upon exercise of the Option, resulting from any fluctuation of the United States Dollar/local currency foreign exchange rate.

10. Data Privacy.

(a) Pursuant to applicable personal data protection laws, the collection, processing and transfer of the Employee's personal Data is necessary for the Company's administration of the Program and the Employee's participation in the Program. The Employee's denial and/or objection to the collection, processing and transfer of personal Data may affect his

or her ability to participate in the Program. As such (where required under applicable law), the Employee:

(i) voluntarily acknowledges, consents and agrees to the collection, use, processing and transfer of personal Data as described herein; and

(ii) authorizes Data recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for purposes of implementing, administering and managing the Employee's participation in the Program, including any requisite transfer of such Data as may be required for the administration of the Program and/or the subsequent holding of Shares on the Employee's behalf to a broker or other third party with whom the Employee may elect to deposit any Shares acquired pursuant to the Program.

(b) Data may be provided by the Employee or collected, where lawful, from third parties, and the Company and the Subsidiary that employs the Employee (if applicable) will process the Data for the exclusive purpose of implementing, administering and managing the Employee's participation in the Program. Data processing will take place through electronic and non-electronic means according to logics and procedures strictly correlated to the purposes for which the Data is collected and with confidentiality and security provisions as set forth by applicable laws and regulations in the Employee's country of residence. Data processing operations will be performed minimizing the use of personal and identification data when such operations are unnecessary for the processing purposes sought. The Data will be accessible within the Company's organization only by those persons requiring access for purposes of the implementation, administration and operation of the Program and for the Employee's participation in the Program.

(c) The Company and the Subsidiary that employs the Employee (if applicable) will transfer Data as necessary for the purpose of implementation, administration and management of the Employee's participation in the Program, and the Company and the Subsidiary that employs the Employee (if applicable) may further transfer Data to any third parties assisting the Company in the implementation, administration and management of the Program. These recipients may be located throughout the world.

(d) The Employee may, at any time, exercise his or her rights provided under applicable personal data protection laws, which may include the right to:

(i) obtain confirmation as to the existence of the Data;

(ii) verify the content, origin and accuracy of the Data;

(iii) request the integration, update, amendment, deletion or blockage (for breach of applicable laws) of the Data; and

(iv) oppose, for legal reasons, the collection, processing or transfer of the Data which is not necessary or required for the implementation, administration and/or operation of the Program and the Employee's participation in the Program.

The Employee may seek to exercise these rights by contacting his or her local human resources manager.

(e) Upon request of the Company or the Subsidiary that employs the Employee, the Employee agrees to provide an executed data privacy consent form (or any other agreement or consent that may be required by the Company and/or the Subsidiary that employs the Employee) to the Company and/or the Subsidiary that employs the Employee that the Company and/or the Subsidiary that employs the Employee may deem necessary to obtain from the Employee for the purpose of administering his or her participation in the Program in compliance with the data privacy laws in the Employee's country, either now or in the future. The Employee understands and agrees that he or she will not be able to participate in the Program if the Employee fails to provide any such requested consent or agreement.

11. Private Placement. This Option grant is not intended to be a public offering of securities in the Employee's country. The Company has not submitted any registration statement, prospectus or other filings with the local securities authorities (unless otherwise required under local law), and this Option grant is not subject to the supervision of the local securities authorities.

12. Exchange Controls. As a condition to this Option grant, the Employee agrees to comply with any applicable foreign exchange rules and regulations.

13. Compliance with Applicable Laws and Regulations.

(a) The Company shall not be required to issue or deliver any Shares pursuant to this Agreement pending compliance with all applicable federal and state securities and other laws (including any registration requirements or tax withholding requirements) and compliance with the rules and practices of any stock exchange upon which the Company's Shares are listed.

(b) Regardless of any action the Company or its Subsidiaries take with respect to any or all income tax, social insurance, payroll tax, payment on account or other tax-related items related to the Employee's participation in the Program and legally applicable to the Employee or deemed by the Company or its Subsidiaries to be an appropriate charge to the Employee even if technically

due by the Company or its Subsidiaries (“*Tax-Related Items*”), the Employee acknowledges that the ultimate liability for all Tax-Related Items is and remains the Employee’s responsibility and may exceed the amount actually withheld by the Company or its Subsidiaries, if any. The Employee further acknowledges that the Company and/or its Subsidiaries: (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Option, including, but not limited to, the grant, vesting or exercise of the Option, the issuance of Shares upon exercise of the Option, the subsequent sale of Shares acquired pursuant to such issuance and the receipt of any dividends; and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Option to reduce or eliminate the Employee’s liability for Tax-Related Items or achieve any particular tax result. If the Employee has become subject to tax in more than one jurisdiction between the date of grant and the date of any relevant taxable event, the Employee acknowledges that the Company and/or its Subsidiaries may be required to withhold or account for Tax-Related Items in more than one jurisdiction. If the Employee relocates to another country, the Company may establish special or alternative terms and conditions as necessary or advisable to comply with local laws, rules or regulations, to facilitate the operation and administration of the Option and the Program and/or to accommodate the Employee’s relocation.

(c) The Employee acknowledges that, depending on the Employee’s or the broker’s country of residence or where the Shares are listed, the Employee may be subject to insider trading restrictions and/or market abuse laws which may affect his or her ability to accept, acquire, sell or otherwise dispose of Shares, rights to Shares (e.g., Options) or rights linked to the value of Shares during such times the Employee is considered to have “inside information” regarding the Company as defined in the laws or regulations in his or her country. Local insider trading laws and regulations may prohibit the cancellation or amendment of orders the Employee placed before he or she possessed inside information. Furthermore, the Employee could be prohibited from (i) disclosing the inside information to any third party (other than on a “need to know” basis) and (ii) “tipping” third parties or causing them otherwise to buy or sell securities. The Employee understands that third parties may include fellow employees. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. The Employee acknowledges that it is the Employee’s responsibility to comply with any restrictions and the Employee is advised to speak to his or her personal legal advisor on this matter.

14. Code Section 409A. The Option is intended to be exempt from the requirements of Code Section 409A. The Program and this Agreement shall be administered and interpreted in a manner consistent with this intent. If the Company determines that the Option is subject to Code Section 409A and this Agreement fails to comply with that section’s requirements, the Company may, at the Company’s sole discretion, and without the Employee’s consent, amend this Agreement to cause it to comply with Code Section 409A or otherwise be exempt from Code Section 409A.

Although this Agreement and Benefits provided hereunder are intended to be exempt from the requirements of Code Section 409A, the Company does not represent or warrant that this Agreement or the Benefits provided hereunder will comply with Code Section 409A or any other provision of federal, state, local, or non-United States law. None of the Company, its Subsidiaries, or their respective directors, officers, employees or advisers shall be liable to the Employee (or any other individual claiming a benefit through the Employee) for any tax, interest, or penalties the Employee may owe as a result of compensation paid under this Agreement, and the Company and its Subsidiaries shall have no obligation to indemnify or otherwise protect the Employee from the obligation to pay any taxes pursuant to Code Section 409A.

15. No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Option, the Employee's participation in the Program or the Employee's acquisition or sale of the underlying Shares. The Employee is hereby advised to consult with the Employee's own personal tax, legal and financial advisors regarding participation in the Program before taking any action related to the Program.

16. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Employee's participation in the Program, on the Option and on any Shares acquired under the Program, to the extent the Company or any Subsidiary determines it is necessary or advisable to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Option and the Program, and to require the Employee to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing. The Employee agrees to take any and all actions, and consents to any and all actions taken by the Company and its Subsidiaries, as may be required to allow the Company and its Subsidiaries to comply with local laws, rules and regulations in the Employee's country. In addition, the Employee agrees to take any and all actions as may be required to comply with the Employee's personal obligations under local laws, rules and regulations in the Employee's country.

17. Determinations. Each decision, determination, interpretation or other action made or taken pursuant to the provisions of this Agreement by the Company, the Committee or any delegate of the Committee shall be final, conclusive and binding for all purposes and upon all persons, including, without limitation, the Company, the Employee, the Employee's Representative, and the person or persons to whom rights under the Option have passed by will or the laws of descent or distribution.

18. Electronic Delivery. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Program by electronic means. The Employee hereby consents to receive such documents by electronic delivery and agrees to participate in the Program through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

19. Addendum. This Option grant shall be subject to any special terms and conditions set forth in any Addendum to this Agreement for the Employee's country or jurisdiction. Moreover, if the Employee relocates to one of the countries or jurisdictions included in the Addendum, the special terms and conditions for such country or jurisdiction will apply to the Employee, to the extent the Company determines that the application of such terms and conditions is necessary or advisable in order to comply with local laws, rules and/or regulations or facilitate the operation and administration of the Option and the Program (or the Company may establish alternative terms and conditions as may be necessary or advisable to accommodate the Employee's relocation). The Addendum constitutes part of this Agreement.

20. Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, and each other provision of this Agreement shall be severable and enforceable to the extent permitted by law. To the extent a court or tribunal of competent jurisdiction determines that any provision of this Agreement is invalid or unenforceable, in whole or in part, the Company, in its sole discretion, shall have the power and authority to revise or strike such provision to the minimum extent necessary to make it valid and enforceable to the full extent permitted under local law.

21. Entire Agreement. This Agreement and the Program constitute the entire agreement between the Employee and the Company regarding the Option and supersede all prior and contemporaneous agreements and understandings, oral or written, between the parties regarding the Option. Except as expressly set forth herein, this Agreement (and any provision of this Agreement) may not be modified, changed or clarified by the parties, except in a writing specifying the modification, change or clarification signed by a duly authorized Company officer.

22. Succession. This Agreement shall be binding upon and operate for the benefit of the Company and its successors and assigns, and the Employee, the Employee's Representative, and the person or persons to whom rights under the Option have passed by will or the laws of descent or distribution.

23. Language. The Employee acknowledges and agrees that it is the Employee's express intent that this Agreement, the Program and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the Award, be drawn up in English. If the Employee is in a country where English is not an official language, the Employee acknowledges that he or she is sufficiently proficient in English or has had the ability to consult with an advisor who is sufficiently proficient in the English language, so as to allow the Employee to understand the terms and conditions of this Agreement, the Program and any other documents related to the Option. If the Employee has received this Agreement or any other document related to the

Program translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.

24. Governing Law; Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to any state's conflict of laws principles. For any legal action relating to this Agreement, the parties to this Agreement consent to the exclusive jurisdiction and venue of the federal courts of the Northern District of Illinois, USA, and, if there is no jurisdiction in federal court, to the exclusive jurisdiction and venue of the state courts in Lake County, Illinois, USA.

EUROPEAN UNION ("EU") / EUROPEAN ECONOMIC AREA ("EEA") COUNTRIES, SWITZERLAND AND THE UNITED KINGDOM

Data Privacy. The following provision replaces Section 10 of the Agreement in its entirety:

Pursuant to applicable personal data protection laws, the Employee is hereby notified of the following in relation to the Employee's Personal Data (defined below) and the collection, processing and transfer in electronic or other form of such Personal Data in relation to the administration of the Program. The collection, processing and transfer of Personal Data is necessary for the legitimate purpose of the administration of the Program by the Company and the Subsidiary that employs the Employee and the Employee's participation in the Program, and the Employee's denial and/or objection to the collection, processing and transfer of Personal Data may affect his or her participation in the Program. As such, by participating in the Program, the Employee acknowledges the collection, use, processing and transfer of Personal Data as described herein.

The Employee understands that the Company and the Subsidiary that employs the Employee may hold certain personally identifiable information about the Employee, specifically his or her name, home address, email address and telephone number, date of birth, social security, passport or other identification number (resident registration number), salary, nationality, job title, any Shares or directorships held in the Company or its Subsidiaries, details of all entitlements to Shares (or cash) granted, awarded, canceled, vested, unvested or outstanding in the Employee's favor, for the purpose of managing and administering the Program ("*Personal Data*"). The Personal Data may be provided by the Employee or collected, where lawful, from third parties. The Company or the Subsidiary that employs the Employee each act as controllers of the Personal Data and will process the Personal Data in this context for the exclusive legitimate purpose of implementing, administering and managing the Employee's participation in the Program and meeting related legal obligations associated with these actions.

The processing will take place through electronic and non-electronic means according to logics and procedures correlated to the purposes for which the Personal Data was collected and with confidentiality and security provisions as set forth by applicable laws and regulations. Personal Data will be accessible within the Company's organization only by those persons requiring access for purposes of the implementation, administration and operation of the Program and other aspects of the employment relationship and for the Employee's participation in the Program.

The Company and the Subsidiary that employs the Employee will transfer Personal Data amongst themselves and their affiliates as necessary for the purpose of implementation, administration and management of the Employee's participation in the Program, and the Company and the Subsidiary that employs the Employee may each further transfer Personal Data to third parties assisting the Company or the Subsidiary that employs the Employee in the implementation, administration and management of the Program, including E*TRADE Financial Corporate Services Inc. and its affiliates ("*E*TRADE*") or any successor or other third party that the Company, the Subsidiary that employs the Employee or E*TRADE (or its successor) may engage to assist with the administration of the Program from time to time. These

recipients may be located in the EU, EEA, Switzerland, the United Kingdom or elsewhere throughout the world, such as the United States. By participating in the Program, the Employee understands that these recipients may receive, possess, use, retain and transfer the Personal Data, in electronic or other form, for purposes of implementing, administering and managing the Employee's participation in the Program, including any requisite transfer of such Personal Data as may be required for the administration of the Program and/or the subsequent holding of Shares on the Employee's behalf to a broker or other third party with whom the Employee may elect to deposit any Shares acquired pursuant to the Program. The Employee further understands that he or she may request a list with the names and addresses of any potential recipients of Personal Data by contacting the Employee's local Human Resources manager or AbbVie's Human Resources Department. When transferring Personal Data to these potential recipients, the Company and the Subsidiary that employs the Employee may provide appropriate safeguards in accordance with EU Standard Contractual Clauses, or other legally binding and permissible arrangements. The Employee may request a copy of such safeguards from the Employee's local Human Resources manager or AbbVie's Human Resources Department.

To the extent provided by law, the Employee may, at any time, have the right to request: access to Personal Data, rectification of Personal Data, erasure of Personal Data, restriction of processing of Personal Data, and portability of Personal Data. The Employee may also have the right to object, on grounds related to a particular situation, to the processing of Personal Data, in any case without cost, by contacting in writing the Employee's local Human Resources manager or AbbVie's Human Resources Department. The Employee understands, however, that the only consequence of refusing to provide Personal Data is that the Company may not be able to grant the Option or other equity awards or administer or maintain such awards.

When the Company and the Subsidiary that employs the Employee no longer need to use Personal Data for the purposes above or do not need to retain it for compliance with any legal or regulatory purpose, each will take reasonable steps to remove Personal Data from their systems and/or records containing the Personal Data and/or take steps to properly anonymize it so that the Employee can no longer be identified from it.

AUSTRALIA

1. **Breach of Law.** Notwithstanding anything to the contrary in the Agreement or the Program, the Employee will not be entitled to, and shall not claim any benefit (including without limitation a legal right) under the Program if the provision of such benefit would give rise to a breach of Part 2D.2 of the Corporations Act 2001 (Cth), any other provision of that Act, or any other applicable statute, rule or regulation which limits or restricts the giving of such benefits.

2. **Australian Offer Document.** In addition to the Agreement and the Program, the Employee must review the Australian Offer Document for additional important information pertaining to the Option. This document can be accessed via the E*TRADE website at <https://us.etrade.com/stock-plans>. By accepting the Option, the Employee acknowledges and confirms that the Employee has reviewed the Australian Offer Document.

3. **Tax Information.** The Program is a program to which Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) (the "Act") applies (subject to the conditions in that Act).

BAHRAIN

Securities Notification. This Agreement does not constitute advertising or an offering of securities in Bahrain, nor does it constitute an allotment of securities in Bahrain. Any Shares issued pursuant to the

Option under the Program shall be deposited into a brokerage account in the United States. In no event will Shares be issued or delivered in Bahrain. The issuance of Shares pursuant to the Option described herein has not and will not be registered in Bahrain and hence, the Shares described herein may not be admitted or used for offering, placement or public circulation in Bahrain. Accordingly, the Employee may not make any public advertising or announcements regarding the Option or Shares in Bahrain, promote these Shares to legal entities or individuals in Bahrain, or sell Shares directly to other legal entities or individuals in Bahrain. The Employee acknowledges and agrees that Shares may only be sold outside of Bahrain and on a stock exchange on which AbbVie is traded.

BRAZIL

Labor Law Acknowledgment. The Employee agrees, for all legal purposes, (i) the Benefits provided under the Agreement and the Program are the result of commercial transactions unrelated to the Employee's employment; (ii) the Agreement and the Program are not a part of the terms and conditions of the Employee's employment; and (iii) the income from the Option, if any, is not part of the Employee's remuneration from employment.

CANADA

1. **English Language.** The parties to the Agreement acknowledge that it is their express wish that the Agreement, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English. *Les parties reconnaissent avoir exigé la rédaction en anglais de la présente convention, ainsi que de tous documents exécutés, avis donnés et procédures judiciaires intentées, directement ou indirectement, relativement à ou suite à la présente convention.*

2. **Exercise of the Option – No Tendering Previously-Owned Shares.** Notwithstanding Section 4 of the Agreement or any other provision in the Agreement or Program to the contrary, if the Employee is resident in Canada, the Employee may not tender Shares that the Employee owns to pay the Exercise Price or taxes in connection with the Option.

3. **Resale Restriction.** The Employee is permitted to sell Shares acquired upon settlement of the Option through the designated broker appointed under the Program, provided the resale of Shares acquired under the Program takes place outside of Canada through the facilities of the stock exchange on which the Shares are listed. The Shares are currently listed on the New York Stock Exchange.

4. **Nature of Grant.** The following provision supplements Sections 3 and 5 of the Agreement:

For purposes of the Option, the Employee's employment relationship will be considered terminated as of the date the Employee is no longer actually employed or otherwise rendering services to the Company or, if different, the Subsidiary for which the Employee provides services (regardless of the reason for such termination and whether or not later found to be invalid or in breach of employment or other laws or otherwise rendering services or the terms of the Employee's Employee Agreement or other service agreement, if any). Unless otherwise extended pursuant to the terms of the Agreement or by the Company, the Employee's right to vest in the Option, if any, will terminate as of such date, and the period (if any) during which the Employee may exercise the Option after termination of the Employee's employment will commence on such date (the "*Termination Date*"). The Termination Date will not be extended by any common law notice period. Notwithstanding the foregoing, however, if applicable employment standards legislation specifically requires continued entitlement to vesting during a statutory notice period, the Employee's right to vest in the Option, if any, will be allowed to continue for that

minimum notice period but then immediately terminate effective as of the last day of the Employee's minimum statutory notice period.

In the event the date the Employee is no longer providing actual service cannot be reasonably determined under the terms of this Agreement and/or the Program, the Committee or its delegate shall have the exclusive discretion to determine when the Employee is no longer actively providing services for purposes of the Option (including whether the Employee may still be considered to be providing services while on a leave of absence).

Unless otherwise provided in the Agreement or by the Company, any portion of the Option that is not vested and exercisable on the Termination Date shall terminate immediately and be null and void. Unless the applicable employment standards legislation specifically requires, in the case of the Employee, the Employee will not earn or be entitled to any pro-rated vesting for that portion of time before the date on which his or her employment relationship is terminated (as determined under this provision) nor will the Employee be entitled to any compensation for lost vesting.

CHILE

Private Placement. The following provision shall replace Section 11 of the Agreement:

The grant of the Option hereunder is not intended to be a public offering of securities in Chile but instead is intended to be a private placement.

- a. The starting date of the offer will be the Grant Date (as defined in the Agreement), and this offer conforms to General Ruling no. 336 of the Chilean Commission for the Financial Market;
- b. The offer deals with securities not registered in the registry of securities or in the registry of foreign securities of the Chilean Commission for the Financial Market, and therefore such securities are not subject to its oversight;
- c. The issuer is not obligated to provide public information in Chile regarding the foreign securities, as such securities are not registered with the Chilean Commission for the Financial Market; and
- d. The foreign securities shall not be subject to public offering as long as they are not registered with the corresponding registry of securities in Chile.

CHINA

The following provisions shall govern the Employee's participation in the Program if the Employee is a national of the People's Republic of China ("*China*") resident in mainland China, or if determined to be necessary or appropriate by the Company in its sole discretion:

1. Mandatory Full Cashless Exercise. Notwithstanding Section 4 of the Agreement or any other provision in the Agreement to the contrary, the Option may be exercised only by using the cashless method, except as otherwise determined by the Company. Only full cashless exercise (net proceeds remitted to the Employee in cash) will be permitted. Cash, cashless sell-to-cover, or stock swap methods of exercise are prohibited.
2. Foreign Exchange Control Laws. As a condition of the Option, the Employee understands and agrees that, due to the exchange control laws in China, the Employee will be required to immediately repatriate the cash proceeds resulting from the cashless exercise of the Option to China.

The Employee understands and agrees that the repatriation of sales proceeds may need to be effected through a special exchange control account established by the Company or its Subsidiaries, and the Employee hereby consents and agrees that sales proceeds from the sale of Shares acquired under the Program may be transferred to such account by the Company on the Employee's behalf prior to being delivered to the Employee. The sales proceeds may be paid to the Employee in U.S. dollars or local currency at the Company's discretion. If the sales proceeds are paid to the Employee in U.S. dollars, the Employee understands that the Employee will be required to set up a U.S. dollar bank account in China so that the proceeds may be deposited into this account. If the sales proceeds are paid to the Employee in local currency, the Employee acknowledges that the Company is under no obligation to secure any particular exchange conversion rate and that the Company may face delays in converting the proceeds to local currency due to exchange control restrictions. The Employee agrees to bear any currency fluctuation risk between the time the Shares are sold and the net proceeds are converted into local currency and distributed to the Employee. The Employee further agrees to comply with any other requirements that may be imposed by the Company or its Subsidiaries in China in the future to facilitate compliance with exchange control requirements in China. The Employee acknowledges and agrees that the processes and requirements set forth herein shall continue to apply following the Employee's Termination.

Notwithstanding anything to the contrary in the Program or the Agreement, in the event of an Employee's Termination other than due to Retirement, the Employee shall be required to exercise the Option (to the extent outstanding, vested and otherwise permitted under the Agreement) and/or sell all Shares issued pursuant to the Program no later than 90 days after the date of Termination (or such shorter period as may be required by the State Administration of Foreign Exchange ("SAFE") or the Company), and repatriate the sales proceeds to China in the manner designated by the Company. Notwithstanding the foregoing, in the event of an Employee's Termination by reason of Retirement, the Employee shall be required to exercise the Option (to the extent outstanding, vested and otherwise permitted under the Agreement) and/or sell all Shares issued pursuant to the Program no later than 180 days after the date of such Retirement (or such shorter period as may be required by the SAFE or the Company), and repatriate the sales proceeds to China in the manner designated by the Company. Any Options that remain unexercised after such date shall expire.

Neither the Company nor any of its Subsidiaries shall be liable for any costs, fees, lost interest or dividends or other losses the Employee may incur or suffer resulting from the enforcement of the terms of this Addendum or otherwise from the Company's operation and enforcement of the Program, the Agreement and the Option in accordance with Chinese law including, without limitation, any applicable SAFE rules, regulations and requirements.

COLOMBIA

Nature of Grant. This provision supplements Section 9 of the Agreement:

The Employee acknowledges that, pursuant to Article 128 of the Colombian Labor Code, the Program and related benefits do not constitute a component of Employee's "salary" for any legal purpose. Therefore, they will not be included and/or considered for purposes of calculating any and all labor benefits, such as legal/fringe benefits, vacations, indemnities, payroll taxes, social insurance contributions and/or any other labor-related amount which may be payable.

Securities Law Information. Shares are not and will not be registered with the Colombian registry of publicly held securities (*Registro Nacional de Valores y Emisores*) and, therefore, the Shares may not be offered to the public in Colombia. Nothing in the Agreement should be construed as making a public offer of securities in Colombia.

DENMARK

The Act on Stock Options. In addition to the Agreement and the Program, the Employee must review the Employer Information Statement (Denmark) pursuant to the Danish Act on the Use of Rights to Purchase or Subscribe for Shares etc. in the Employment Relationship, as amended as of January 1, 2019 (the “*Stock Option Act*”) for additional important information pertaining to the Award. This document can be accessed via the E*TRADE website at <https://us.etrade.com/stock-plans>. By accepting the Award, the Employee acknowledges having received an “Employer Information Statement” in Danish, which is provided to comply with the Stock Option Act, as amended as of January 1, 2019.

FINLAND

Withholding of Tax-Related Items. Notwithstanding anything in Section 4(c) of the Agreement to the contrary, if the Employee is a local national of Finland, any Tax-Related Items shall be withheld only in cash from the Employee’s regular salary/wages or other amounts payable to the Employee in cash, or such other withholding methods as may be permitted under the Program and allowed under local law.

FRANCE

1. Nature of the Award. The Option is not granted under the French specific regime provided by Articles L.225-177 to L.225-186-1 and Articles L. 22-10-56 to L. 22-10-58 of the French Commercial Code, as amended.

2. English Language. The parties to the Agreement acknowledge that it is their express wish that the Agreement, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English. ***Les parties reconnaissent avoir exigé la rédaction en anglais de la présente convention, ainsi que de tous documents exécutés, avis donnés et procédures judiciaires intentées, directement ou indirectement, relativement à ou suite à la présente convention.***

HONG KONG

1. Exercise of Option. If, for any reason, the Employee exercises the Option within six months of the Grant Date, the Employee agrees that he or she will not sell or otherwise dispose of any such Shares prior to the six-month anniversary of the Grant Date.

2. IMPORTANT NOTICE. WARNING: The contents of the Agreement, the Addendum, the Program, and all other materials pertaining to the Option and/or the Program have not been reviewed by any regulatory authority in Hong Kong. The Employee is hereby advised to exercise caution in relation to the offer thereunder. If the Employee has any doubts about any of the contents of the aforesaid materials pertaining to the Option, the Employee should obtain independent professional advice.

3. Wages. The Option and Shares underlying the Option do not form part of the Employee’s wages for the purposes of calculating any statutory or contractual payments under Hong Kong law.

INDIA

Mandatory Cashless Exercise. Notwithstanding Section 4 of the Agreement or any other provision in the Agreement to the contrary, the Option may be exercised only by using the cashless method, except as otherwise determined by the Company. Full cashless exercise (net proceeds remitted to the Employee in

Repatriation Requirements. The Employee expressly agrees to repatriate all amounts acquired under the Program in accordance with local foreign exchange rules and regulations. Neither the Company nor any of its Subsidiaries shall be liable for any fines or penalties resulting from the Employee's failure to comply with applicable law, rules and regulations.

INDONESIA

By accepting the grant of the Option, the Employee confirms having read and understood the documents relating to this grant which were provided in the English language and accepts the terms of those documents accordingly and agrees not to challenge the validity of this document based on Law No. 24 of 2009 on National Flag, Language, Coat of Arms and National Anthem or the implementing Presidential Regulation (when issued).

The Employee understands and agrees that upon the Employee's sale of Shares, unless otherwise determined by the Company, (a) the repatriation of sales proceeds shall be effected through a trustee in Israel engaged by the Company (the "Trustee"), (b) the Trustee will withhold the requisite tax and other mandatory withholding (e.g., National Insurance payments) from the sales proceeds and (c) the Trustee will transfer the remaining sale proceeds (net of the requisite tax and other mandatory withholding) to the Employee. The Employee acknowledges and agrees that the process and requirements set forth herein shall continue to apply following the Employee's Termination.

MEXICO

1. Commercial Relationship. The Employee expressly acknowledges that the Employee's participation in the Program and the Company's grant of the Option does not constitute an employment relationship between the Employee and the Company. The Employee has been granted the Option as a consequence of the commercial relationship between the Company and the Company's Subsidiary in Mexico that employs the Employee, and the Company's Subsidiary in Mexico is the Employee's sole employer. Based on the foregoing: (a) the Employee expressly acknowledges that the Program and the benefits derived from participation in the Program do not establish any rights between the Employee and the Subsidiary in Mexico that employs the Employee; (b) the Program and the benefits derived from participation in the Program are not part of the employment conditions and/or benefits provided by the Subsidiary in Mexico that employs the Employee; and (c) any modifications or amendments of the Program or benefits granted thereunder by the Company, or a termination of the Program by the Company, shall not constitute a change or impairment of the terms and conditions of the Employee's employment with the Subsidiary in Mexico that employs the Employee.

2. Extraordinary Item of Compensation. The Employee expressly recognizes and acknowledges that the Employee's participation in the Program is a result of the discretionary and unilateral decision of the Company, as well as the Employee's free and voluntary decision to participate in the Program in accordance with the terms and conditions of the Program, the Agreement and this Addendum. As such, the Employee acknowledges and agrees that the Company, in its sole discretion, may amend and/or discontinue the Employee's participation in the Program at any time and without any liability. The value of the Option is an extraordinary item of compensation outside the scope of the Employee's employment contract, if any. The Option is not part of the Employee's regular or expected compensation for purposes of calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits, or any similar payments, which are the exclusive obligations of the Company's Subsidiary in Mexico that employs the Employee.

3. Securities Law Notice. The Option and the Shares offered under the Program have not been registered with the National Register of Securities maintained by the Mexican National Banking and Securities Commission and cannot be offered or sold publicly in Mexico. In addition, the Program, the Agreement and any other document relating to the Option may not be publicly distributed in Mexico. These materials are addressed to the Employee only because of the Employee's existing relationship with the Company and these materials should not be reproduced or copied in any form. The offer contained in these materials does not constitute a public offering of securities but rather constitutes a private placement of securities addressed specifically to individuals who are present employees of the employer in Mexico made in accordance with the provisions of the Mexican Securities Market Law, and any rights under such offering shall not be assigned or transferred.

NETHERLANDS

Waiver of Termination Rights. The Employee waives any and all rights to compensation or damages as a result of a Termination, insofar as those rights result or may result from: (a) the loss or diminution in value of such rights or entitlements under the Program; or (b) the Employee ceasing to have rights, or ceasing to be entitled to any awards, under the Program as a result of such Termination.

Notwithstanding anything to the contrary in the Program or the Agreement, the Employee shall not be permitted to sell or otherwise dispose of the Shares acquired pursuant to the Option in Russia. The Employee may sell the Shares only through a broker established and operating outside Russia. Any Shares issued upon exercise of the Option shall be delivered to the Employee through a brokerage account in the U.S. The Employee may hold the Shares in his or her brokerage account in the U.S.; however, in no event will Shares issued to the Employee under the Program be delivered to the Employee in Russia. The Employee is not permitted to sell Shares directly to other Russian legal entities or individuals.

2. Repatriation Requirements. The Employee agrees to promptly repatriate proceeds resulting from the sale of Shares acquired under the Program to a foreign currency account at an authorized bank in Russia if legally required at the time Shares are sold and to comply with all applicable local foreign exchange rules and regulations. Neither the Company nor any of its Subsidiaries shall be liable for any fines or penalties resulting from the Employee's failure to comply with applicable laws.

SPAIN

1. Acknowledgement of Discretionary Nature of the Program; No Vested Rights.

By accepting the Option grant, the Employee consents to participation in the Program and acknowledges receipt of a copy of the Program.

The Employee understands that the Company has unilaterally, gratuitously and in its sole discretion granted Options under the Program to individuals who may be employees of the Company or its Subsidiaries throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Company or any of its Subsidiaries on an ongoing basis. Consequently, the Employee understands that the Option is granted on the assumption and condition that the Option and the Shares acquired upon exercise of the Option shall not become a part of any employment contract (either with the Company or any of its Subsidiaries) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. In addition, the Employee understands that this grant would not be made to the Employee but for the assumptions and conditions referenced above; thus, the Employee acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, the Option grant shall be null and void.

The Employee understands and agrees that, as a condition of the Option grant, unless otherwise provided in Section 5 of the Agreement, any unvested Option as of the date the Employee ceases active employment, and any vested portion of the Option not exercised within the post-termination exercise period set out in the Agreement, will be forfeited without entitlement to the underlying Shares or to any amount of indemnification in the event of Termination. The Employee acknowledges that the Employee has read and specifically accepts the conditions referred to in the Agreement regarding the impact of a Termination on the Option.

2. Termination for Cause. Notwithstanding anything to the contrary in the Program or the Agreement, "Cause" shall be defined as set forth in the applicable Change in Control Agreement, regardless of whether the Termination is considered a fair termination (i.e., "despido procedente") under Spanish legislation.

3. Securities Law Notice. No “offer of securities to the public,” as defined under Spanish law, has taken place or will take place in the Spanish territory. The Program, the Award, the Agreement, this Addendum and all other materials the Employee may receive regarding the Employee’s participation in the Program have not been nor will they be registered with the *Comisión Nacional del Mercado de Valores* (Spanish Securities Exchange Commission), and they do not constitute a public offering prospectus.

SWEDEN

Withholding of Tax-Related Items. The following provision shall supplement Section 4(c) of the Agreement:

Without limiting the authority of the Company and the Subsidiary that employs the Employee to satisfy their withholding obligations for Tax-Related Items as set forth in Section 4(c) of the Agreement, the Employee authorizes the Company to withhold Shares otherwise deliverable to the Employee upon exercise of the Option to satisfy Tax-Related Items, regardless of whether the Company and/or the Subsidiary that employs the Employee has an obligation to withhold such Tax-Related Items.

SWITZERLAND

Securities Law Information. Neither this document nor any other materials relating to the Option (i) constitutes a prospectus according to articles 35 et seq. of the Swiss Federal Act on Financial Services (“*FinSA*”), (ii) may be publicly distributed nor otherwise made publicly available in Switzerland to any person other than an employee of the Company or (iii) has been or will be filed with, approved or supervised by any Swiss reviewing body according to article 51 of *FinSA* or any Swiss regulatory authority, including the Swiss Financial Market Supervisory Authority (“*FINMA*”).

UNITED KINGDOM

1. Payment of Taxes. Without limitation to Section 4 of the Agreement, the Employee hereby agrees that the Employee is liable for all Tax-Related Items and hereby covenants to pay all such Tax-Related Items, as and when requested by the Company or (if different) the Subsidiary that employs the Employee or by Her Majesty’s Revenue & Customs (“*HMRC*”) (or any other tax authority or any other relevant authority). The Employee also hereby agrees to indemnify and keep indemnified the Company and (if different) the Subsidiary that employs the Employee against any Tax-Related Items that they are required to pay or withhold on the Employee’s behalf or have paid or will pay on the Employee’s behalf to HMRC (or any other tax authority or any other relevant authority).

Notwithstanding the foregoing, if the Employee is a director or executive officer (as within the meaning of Section 13(k) of the U.S. Securities Exchange Act of 1934, as amended), the terms of the immediately foregoing provision will not apply. In the event that the Employee is a director or executive officer and income tax due is not collected from or paid by the Employee by within 90 days after the U.K. tax year in which an event giving rise to the indemnification described above occurs, the amount of any uncollected tax may constitute a benefit to the Employee on which additional income tax and national insurance contributions may be payable. The Employee acknowledges that the Employee ultimately will be responsible for reporting and paying any income tax due on this additional benefit directly to HMRC under the self-assessment regime and for reimbursing the Company or the Subsidiary that employs the Employee (as applicable) for the value of any employee national insurance contributions due on this

additional benefit, which the Company and/or the Subsidiary that employs the Employee may recover from the Employee at any time thereafter by any of the means referred to in Section 4 of the Agreement.

2. Exclusion of Claim. The Employee acknowledges and agrees that the Employee will have no entitlement to compensation or damages insofar as such entitlement arises or may arise from the Employee's ceasing to have rights under or to be entitled to exercise the Option, whether or not as a result of Termination (whether the Termination is in breach of contract or otherwise), or from the loss or diminution in value of the Option. Upon the grant of the Option, the Employee shall be deemed to have waived irrevocably any such entitlement.

VENEZUELA

Mandatory Full Cashless Exercise. Notwithstanding Section 4 of the Agreement or any other provision in the Agreement to the contrary, the Option may be exercised only by using the cashless method, except as otherwise determined by the Company. Only full cashless exercise (net proceeds remitted to the Employee in cash) will be permitted. Cash, cashless sell-to-cover, or stock swap methods of exercise are prohibited.

VIETNAM

Mandatory Full Cashless Exercise. Notwithstanding Section 4 of the Agreement or any other provision in the Agreement to the contrary, the Option may be exercised only by using the cashless method, except as otherwise determined by the Company. Only full cashless exercise (net proceeds remitted to the Employee in cash) will be permitted. Cash, cashless sell-to-cover, or stock swap methods of exercise are prohibited.

Any Termination shall be effective on the last day the Employee performs services for or on behalf of the Company or a Subsidiary, and employment shall not be extended by any statutory or common law notice of termination period.

2. Delivery Date and Shareholder Rights. The delivery dates for Shares underlying the Units is the date on which the Shares are payable to the Employee after the Restrictions on such Units lapse pursuant to Section 4 below (each a "*Delivery Date*"). Prior to the Delivery Date:

(a) the Employee shall not be treated as a shareholder as to those Shares underlying the Units, and shall have only a contractual right to receive Shares, unsecured by any assets of the Company or its Subsidiaries;

(b) the Employee shall not be permitted to vote the Shares underlying the Units; and

(c) the Employee's right to receive such Shares will be subject to the adjustment provisions relating to mergers, reorganizations, and similar events set forth in the Program.

Subject to the requirements of local law, the Employee shall receive cash payments equal to the dividends and distributions paid on Shares underlying the Units (the "*Dividend Equivalents*") (other than dividends or distributions of securities of the Company which may be issued with respect to its Shares by virtue of any stock split, combination, stock dividend or recapitalization) to the same extent and on the same date as if each Unit were a Share; provided, however, that no Dividend Equivalents shall be payable to or for the benefit of the Employee with respect to dividends or distributions the record date for which occurs on or after the applicable Delivery Date, the date the Employee has forfeited the Units or, in some cases due to applicable law, the date the Restrictions on the Units have lapsed. For purposes of

compliance with the requirements of Code Section 409A, to the extent applicable, the specified date for payment of any Dividend Equivalents to which the Employee is entitled under this Section 2 is the calendar year during the term of this Agreement in which the associated dividends or distributions are paid on Shares underlying the Units. The Employee shall have no right to determine the year in which Dividend Equivalents will be paid.

3. Restrictions. The Units are subject to the forfeiture provisions in Sections 6 and 7 below. Units are not earned and may not be sold, exchanged, assigned, transferred, pledged or otherwise disposed of (collectively, the “Restrictions”) until the earliest to occur of the events described in subsections 4(a), (b), or (c) or Section 5.

4. Lapse of Restrictions. Subject to Sections 5, 6 and 7 below:

(a) Passage of Time. While the Employee is employed with the Company or its Subsidiaries, the Restrictions on one-third of the Units will lapse on each of the first three anniversaries of the Grant Date (each a “Delivery Date”) until, on the third anniversary of the Grant Date, 100% of the Units are no longer subject to Restrictions. Subject to subsections (b) and (c) below, Units for which Restrictions have lapsed, as described in this subsection 4(a), shall be settled in the form of Shares on the Delivery Date(s). Unless indicated otherwise, Shares shall be delivered in an equal number (subject to rounding) as of each Delivery Date.

(b) Death. The Restrictions shall lapse on the date of the Employee’s Termination due to death, and the Units shall be settled (for the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution) in the form of Shares as soon as administratively possible after, and effective as of, the date of death.

(c) Disability. The Restrictions shall lapse on the date of the Employee’s Disability, and the Units shall be settled in the form of Shares as soon as administratively possible after, and effective as of, the date of Disability.

5. Change in Control. In the event of a Change in Control, the entity surviving such Change in Control or the ultimate parent thereof (referred to herein as the “Surviving Entity”) may assume, convert or replace this Award with an award of at least equal value and terms and conditions not less favorable than the terms and conditions provided in this Agreement, in which case the new award will vest according to the terms of the applicable award agreement. If the Surviving Entity does not assume, convert or replace this Award, the Restrictions shall lapse on the date of the Change in Control. If the Surviving Entity does assume, convert or replace this Award, then in the event the Employee’s Termination (a) occurs within the time period beginning six months immediately before a Change in Control and ending two years immediately following such Change in Control, and (b) was initiated by the Company (or the Surviving Entity) for a reason other than Cause or was initiated by the Employee for Good Reason, the Restrictions shall lapse on the later of the date of the Change in Control and the date of the Employee’s Termination. The provisions of this Section 5 shall supersede Section 13(a)(iii) and (v) of the Program.

6. Effect of Certain Bad Acts. Any Units not previously settled shall be cancelled and forfeited immediately if the Employee engages in activity that constitutes Cause, as determined in the sole opinion and discretion of the Committee or its delegate, whether or not the Employee experiences a Termination or remains employed with the Company or a Subsidiary.

7. Forfeiture of Units. In the event of the Employee's Termination for any reason other than those set forth in subsection 4(b) or Section 5, any Units with respect to which Restrictions have not lapsed as of the date of Termination shall be forfeited without consideration to the Employee or the Employee's Representative. In the event that the Employee is terminated by the Company other than for Cause and in a situation not covered by Section 5, the Company may, in its sole discretion, cause Restrictions on some or all of the Units not previously settled on a Delivery Date to lapse and be settled in the form of Shares on the Delivery Date set forth in subsection 4(a) above as if the Employee had remained employed on such date. In accepting this Award, the Employee acknowledges that in the event of Termination (whether or not in breach of local labor laws), the Employee's right to vest in the Units, if any, will cease and will not be extended by any notice period mandated under local law (*e.g.*, active employment does not include a period of "garden leave" or similar period pursuant to local law) and that the Company shall have the exclusive discretion to determine when Termination occurs.

8. Withholding Taxes. To the extent permitted under applicable law and by the Company, the Employee may satisfy any U.S. or non-U.S. federal, state, local or other applicable taxes arising from the grant of the Award, the lapse of Restrictions or the delivery of Shares pursuant to this Agreement by:

- (a) tendering a cash payment;
- (b) having the Company withhold Shares from the Shares to be delivered to satisfy the applicable withholding tax;
- (c) tendering Shares received in connection with the Units back to the Company; or
- (d) delivering other previously acquired Shares having a Fair Market Value approximately equal to the amount to be withheld.

The Company shall have the right and is hereby authorized to withhold from the Shares deliverable to the Employee pursuant to this Agreement or (to the extent permitted by applicable law, including without limitation Code Section 409A) from any other compensation or other amount owing to the Employee, such amount as may be necessary in the opinion of the Company to satisfy all such taxes, requirements and withholding obligations. If the Company withholds for tax purposes from the Shares otherwise to be delivered to the Employee, the Employee is deemed to have been issued the full number of Shares underlying the Units, subject to the Restrictions set forth in this Agreement.

Notwithstanding the foregoing, if the Employee is subject to Section 16(b) of the Exchange Act, the Company will withhold using the method described in subsection 8(b) above unless the use of such withholding method is problematic under applicable laws or has materially adverse accounting consequences, in which case the Committee shall determine which of the other methods described in this Section 8 or in the Program shall be used to satisfy the applicable withholding obligations.

9. No Right to Continued Employment. This Agreement and the Employee's participation in the Program do not and shall not be interpreted to:

- (a) form an employment contract or relationship with the Company or its Subsidiaries;
- (b) confer upon the Employee any right to continue in the employ of the Company or any of its Subsidiaries; or

(c) interfere with the ability of the Company or its Subsidiaries to terminate the Employee's employment at any time.

10. Nature of Grant. In accepting this grant of Units, the Employee acknowledges and agrees that:

(a) the Program is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time;

(b) this Award is a one-time benefit and does not create any contractual or other right to receive future grants of Units, benefits in lieu of Units, or other Program Benefits in the future, even if Units have been granted repeatedly in the past;

(c) all decisions with respect to future Unit grants, if any, and their terms and conditions, will be made by the Company, in its sole discretion;

(d) nothing contained in this Agreement is intended to create or enlarge any other contractual obligations between the Company and the Employee;

(e) the Employee is voluntarily participating in the Program;

(f) the Units and Shares subject to the Units are:

(i) extraordinary items that do not constitute compensation of any kind for services of any kind rendered to the Company or its Subsidiaries, and are outside the scope of the Employee's employment contract, if any;

(ii) not intended to replace any pension rights or compensation;

(iii) not part of the Employee's normal or expected compensation or salary for any purpose, including, but not limited to, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, holiday pay, bonuses, long-service awards, pension or retirement or welfare benefits, or similar payments and in no event should be considered as compensation for, or relating in any way to, past services for the Company or its Subsidiaries;

(g) the future value of the Shares underlying the Units is unknown and cannot be predicted with certainty;

(h) in consideration of the Award, no claim or entitlement to compensation or damages shall arise from the Units resulting from Termination (for any reason whatsoever) and the Employee irrevocably releases the Company and its Subsidiaries from any such claim that may arise; if any such claim is found by a court of competent jurisdiction to have arisen, then, by signing or electronically accepting this Agreement, the Employee shall be deemed irrevocably to have waived the Employee's entitlement to pursue such claim;

(i) the Units and the Benefits under the Program, if any, will not automatically transfer to another company in the case of a merger, take-over or transfer of liability; and

(j) neither the Company nor any of its Subsidiaries shall be liable for any change in value of the Units, the amount realized upon settlement of the Units or the amount realized upon a subsequent sale of any Shares acquired upon settlement of the Units, resulting from any fluctuation of the United States Dollar/local currency foreign exchange rate.

11. Data Privacy.

(a) Pursuant to applicable personal data protection laws, the collection, processing and transfer of the Employee's personal Data is necessary for the Company's administration of the Program and the Employee's participation in the Program. The Employee's denial and/or objection to the collection, processing and transfer of personal Data may affect his or her ability to participate in the Program. As such (where required under applicable law), the Employee:

(i) voluntarily acknowledges, consents and agrees to the collection, use, processing and transfer of personal Data as described herein; and

(ii) authorizes Data recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for purposes of implementing, administering and managing the Employee's participation in the Program, including any requisite transfer of such Data as may be required for the administration of the Program and/or the subsequent holding of Shares on the Employee's behalf to a broker or other third party with whom the Employee may elect to deposit any Shares acquired pursuant to the Program.

(b) Data may be provided by the Employee or collected, where lawful, from third parties, and the Company and the Subsidiary that employs the Employee (if applicable) will process the Data for the exclusive purpose of implementing, administering and managing the Employee's participation in the Program. Data processing will take place through electronic and non-electronic means according to logics and procedures strictly correlated to the purposes for which the Data is collected and with confidentiality and security provisions as set forth by applicable laws and regulations in the Employee's country of residence. Data processing operations will be performed minimizing the use of personal and identification data when such operations are unnecessary for the processing purposes sought. The Data will be accessible within the Company's organization only by those persons requiring access for purposes of the implementation, administration and operation of the Program and for the Employee's participation in the Program.

(c) The Company and the Subsidiary that employs the Employee (if applicable) will transfer Data as necessary for the purpose of implementation, administration and management of the Employee's participation in the Program, and the Company and the Subsidiary that employs the Employee (if applicable) may further transfer Data to any third parties assisting the Company in the implementation, administration and management of the Program. These recipients may be located throughout the world.

(d) The Employee may, at any time, exercise his or her rights provided under applicable personal data protection laws, which may include the right to:

(i) obtain confirmation as to the existence of the Data;

(ii) verify the content, origin and accuracy of the Data;

- (iii) request the integration, update, amendment, deletion or blockage (for breach of applicable laws) of the Data; and
- (iv) oppose, for legal reasons, the collection, processing or transfer of the Data which is not necessary or required for the implementation, administration and/or operation of the Program and the Employee's participation in the Program.

The Employee may seek to exercise these rights by contacting his or her local human resources manager.

(e) Upon request of the Company or the Subsidiary that employs the Employee, the Employee agrees to provide an executed data privacy consent form (or any other agreement or consent that may be required by the Company and/or the Subsidiary that employs the Employee) to the Company and/or the Subsidiary that employs the Employee that the Company and/or the Subsidiary that employs the Employee may deem necessary to obtain from the Employee for the purpose of administering his or her participation in the Program in compliance with the data privacy laws in the Employee's country, either now or in the future. The Employee understands and agrees that he or she will not be able to participate in the Program if the Employee fails to provide any such requested consent or agreement.

12. Form of Payment. The Company may, in its sole discretion, settle the Employee's Units in the form of a cash payment to the extent settlement in Shares: (a) is prohibited under local law; (b) would require the Employee, the Company and/or its Subsidiaries to obtain the approval of any governmental and/or regulatory body in the Employee's country; (c) would result in adverse tax consequences for the Employee or the Company; or (d) is administratively burdensome. Alternatively, the Company may, in its sole discretion, settle the Employee's Units in the form of Shares but require the Employee to sell such Shares immediately or within a specified period of time following the Employee's Termination (in which case, this Agreement shall give the Company the authority to issue sales instructions on the Employee's behalf).

13. Private Placement. The grant of this Unit is not intended to be a public offering of securities in the Employee's country. The Company has not submitted any registration statement, prospectus or other filings with the local securities authorities (unless otherwise required under local law), and this grant of Units is not subject to the supervision of the local securities authorities.

14. Exchange Controls. As a condition to this grant of Units, the Employee agrees to comply with any applicable foreign exchange rules and regulations.

15. Compliance with Applicable Laws and Regulations.

- (a) The Company shall not be required to issue or deliver any Shares pursuant to this Agreement pending compliance with all applicable federal and state securities and other laws (including any registration requirements or tax withholding requirements) and compliance with the rules and practices of any stock exchange upon which the Company's Shares are listed.
- (b) Regardless of any action the Company or its Subsidiaries take with respect to any or all income tax, social insurance, payroll tax, payment on account or other tax-related items related to the Employee's participation in the Program and legally applicable to the Employee or deemed by

the Company or its Subsidiaries to be an appropriate charge to the Employee even if technically due by the Company or its Subsidiaries (“*Tax-Related Items*”), the Employee acknowledges that the ultimate liability for all Tax-Related Items is and remains the Employee’s responsibility and may exceed the amount actually withheld by the Company or its Subsidiaries, if any. The Employee further acknowledges that the Company and/or its Subsidiaries: (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Units, including, but not limited to, the grant, lapse of Restriction or settlement of the Units, the issuance of Shares upon payment of the Units, the subsequent sale of Shares acquired pursuant to such issuance and the receipt of any dividends and/or any Dividend Equivalents; and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Units to reduce or eliminate the Employee’s liability for Tax-Related Items or achieve any particular tax result. If the Employee has become subject to tax in more than one jurisdiction between the date of grant and the date of any relevant taxable event, the Employee acknowledges that the Company and/or its Subsidiaries may be required to withhold or account for Tax-Related Items in more than one jurisdiction. If the Employee relocates to another country, the Company may establish special or alternative terms and conditions as necessary or advisable to comply with local laws, rules or regulations, to facilitate the operation and administration of the Award and the Program and/or to accommodate the Employee’s relocation.

(c) The Employee acknowledges that, depending on the Employee’s or the broker’s country of residence or where the Shares are listed, the Employee may be subject to insider trading restrictions and/or market abuse laws which may affect his or her ability to accept, acquire, sell or otherwise dispose of Shares, rights to Shares (e.g., Units) or rights linked to the value of Shares during such times the Employee is considered to have “inside information” regarding the Company as defined in the laws or regulations in his or her country. Local insider trading laws and regulations may prohibit the cancellation or amendment of orders the Employee placed before he or she possessed inside information. Furthermore, the Employee could be prohibited from (i) disclosing the inside information to any third party (other than on a “need to know” basis) and (ii) “tipping” third parties or causing them otherwise to buy or sell securities. The Employee understands that third parties may include fellow employees. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. The Employee acknowledges that it is the Employee’s responsibility to comply with any restrictions and the Employee is advised to speak to his or her personal legal advisor on this matter.

16. Code Section 409A. Payments made pursuant to this Agreement are intended to be exempt from or otherwise comply with the provisions of Code Section 409A to the extent applicable. The Program and this Agreement shall be administered and interpreted in a manner consistent with this intent. If the Company determines that any payments under this Agreement are subject to Code Section 409A and this Agreement fails to comply with that section’s requirements, the Company may, at the Company’s sole discretion, and without the Employee’s consent, amend this Agreement to cause it to comply with Code Section 409A or otherwise be exempt from Code Section 409A.

To the extent required to avoid accelerated taxation and/or tax penalties under Code Section 409A and applicable guidance issued thereunder, the Employee shall not be deemed to have had a Termination unless the Employee has incurred a “separation from service” as defined in Treasury Regulation

§1.409A-1(h), and amounts that would otherwise be payable pursuant to this Agreement during the six-month period immediately following the Employee's Termination (including retirement) shall instead be paid on the first business day after the date that is six months following the Employee's Termination (or upon the Employee's death, if earlier). For purposes of Code Section 409A, to the extent applicable: (a) all payments provided hereunder shall be treated as a right to a series of separate payments and each separately identified amount to which the Employee is entitled under this Agreement shall be treated as a separate payment; (b) except as otherwise provided in Section 13(a) of the Program, upon the lapse of Restrictions pursuant to Section 5 of this Agreement, any Units not previously settled on a Delivery Date shall be settled as soon as administratively possible after, and effective as of, the date of the Change in Control or the date of the Employee's Termination (as applicable); (c) the term "as soon as administratively possible" means a period of time that is within 60 days after the Termination, Disability or Change in Control (as applicable); and (d) the date of the Employee's Disability shall be determined by the Company in its sole discretion.

Although this Agreement and the payments provided hereunder are intended to be exempt from or otherwise comply with the requirements of Code Section 409A, the Company does not represent or warrant that this Agreement or the payments provided hereunder will comply with Code Section 409A or any other provision of federal, state, local, or non-United States law. None of the Company, its Subsidiaries, or their respective directors, officers, employees or advisers shall be liable to the Employee (or any other individual claiming a benefit through the Employee) for any tax, interest, or penalties the Employee may owe as a result of compensation paid under this Agreement, and the Company and its Subsidiaries shall have no obligation to indemnify or otherwise protect the Employee from the obligation to pay any taxes pursuant to Code Section 409A.

17. No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Units, the Employee's participation in the Program or the Employee's acquisition or sale of the underlying Shares. The Employee is hereby advised to consult with the Employee's own personal tax, legal and financial advisors regarding participation in the Program before taking any action related to the Program.

18. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Employee's participation in the Program, on the Units and on any Shares acquired under the Program, to the extent the Company or any Subsidiary determines it is necessary or advisable to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Units and the Program, and to require the Employee to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing. The Employee agrees to take any and all actions, and consents to any and all actions taken by the Company and its Subsidiaries, as may be required to allow the Company and its Subsidiaries to comply with local laws, rules and regulations in the Employee's country. In addition, the Employee agrees to take any and all actions as may be required to comply with the Employee's personal obligations under local laws, rules and regulations in the Employee's country.

19. Determinations. Each decision, determination, interpretation or other action made or taken pursuant to the provisions of this Agreement by the Company, the Committee or any delegate of the Committee shall be final, conclusive and binding for all purposes and upon all persons, including, without limitation, the Company, the Employee, the Employee's Representative, and

the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution.

20. Electronic Delivery. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Program by electronic means. The Employee hereby consents to receive such documents by electronic delivery and agrees to participate in the Program through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

21. Addendum. This grant of Units shall be subject to any special terms and conditions set forth in any Addendum to this Agreement for the Employee's country or jurisdiction. Moreover, if the Employee relocates to one of the countries or jurisdictions included in the Addendum, the special terms and conditions for such country or jurisdiction will apply to the Employee, to the extent the Company determines that the application of such terms and conditions is necessary or advisable in order to comply with local laws, rules and/or regulations or facilitate the operation and administration of the Units and the Program (or the Company may establish alternative terms and conditions as may be necessary or advisable to accommodate the Employee's relocation). The Addendum constitutes part of this Agreement.

22. Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, and each other provision of this Agreement shall be severable and enforceable to the extent permitted by law. To the extent a court or tribunal of competent jurisdiction determines that any provision of this Agreement is invalid or unenforceable, in whole or in part, the Company, in its sole discretion, shall have the power and authority to revise or strike such provision to the minimum extent necessary to make it valid and enforceable to the full extent permitted under local law.

23. Entire Agreement. This Agreement and the Program constitute the entire agreement between the Employee and the Company regarding the Award and supersede all prior and contemporaneous agreements and understandings, oral or written, between the parties regarding the Award. Except as expressly set forth herein, this Agreement (and any provision of this Agreement) may not be modified, changed or clarified by the parties, except in a writing specifying the modification, change or clarification, signed by a duly authorized Company officer.

24. Succession. This Agreement shall be binding upon and operate for the benefit of the Company and its successors and assigns, and the Employee, the Employee's Representative, and the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution.

25. Language. The Employee acknowledges and agrees that it is the Employee's express intent that this Agreement, the Program and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the Award, be drawn up in English. If the Employee is in a country where English is not an official language, the Employee acknowledges that he or she is sufficiently proficient in English or has had the ability to consult with an advisor who is sufficiently proficient in the English language, so as to allow the Employee to understand the terms and conditions of this Agreement, the Program and any other documents related to the Award. If the Employee has received this Agreement or any other

document related to the Program translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.

26. Governing Law; Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to any state's conflict of laws principles. For any legal action relating to this Agreement, the parties to this Agreement consent to the exclusive jurisdiction and venue of the federal courts of the Northern District of Illinois, USA, and, if there is no jurisdiction in federal court, to the exclusive jurisdiction and venue of the state courts in Lake County, Illinois, USA.

EUROPEAN UNION ("EU") / EUROPEAN ECONOMIC AREA ("EEA") COUNTRIES, SWITZERLAND AND THE UNITED KINGDOM

Data Privacy. The following provision replaces Section 11 of the Agreement in its entirety:

Pursuant to applicable personal data protection laws, the Employee is hereby notified of the following in relation to the Employee's Personal Data (defined below) and the collection, processing and transfer in electronic or other form of such Personal Data in relation to the administration of the Program. The collection, processing and transfer of Personal Data is necessary for the legitimate purpose of the administration of the Program by the Company and the Subsidiary that employs the Employee and the Employee's participation in the Program, and the Employee's denial and/or objection to the collection, processing and transfer of Personal Data may affect his or her participation in the Program. As such, by participating in the Program, the Employee acknowledges the collection, use, processing and transfer of Personal Data as described herein.

The Employee understands that the Company and the Subsidiary that employs the Employee may hold certain personally identifiable information about the Employee, specifically his or her name, home address, email address and telephone number, date of birth, social security, passport or other identification number (resident registration number), salary, nationality, job title, any Shares or directorships held in the Company or its Subsidiaries, details of all entitlements to Shares (or cash) granted, awarded, canceled, vested, unvested or outstanding in the Employee's favor, for the purpose of managing and administering the Program ("*Personal Data*"). The Personal Data may be provided by the Employee or collected, where lawful, from third parties. The Company or the Subsidiary that employs the Employee each act as controllers of the Personal Data and will process the Personal Data in this context for the exclusive legitimate purpose of implementing, administering and managing the Employee's participation in the Program and meeting related legal obligations associated with these actions.

The processing will take place through electronic and non-electronic means according to logics and procedures correlated to the purposes for which the Personal Data was collected and with confidentiality and security provisions as set forth by applicable laws and regulations. Personal Data will be accessible within the Company's organization only by those persons requiring access for purposes of the implementation, administration and operation of the Program and other aspects of the employment relationship and for the Employee's participation in the Program.

The Company and the Subsidiary that employs the Employee will transfer Personal Data amongst themselves and their affiliates as necessary for the purpose of implementation, administration and management of the Employee's participation in the Program, and the Company and the Subsidiary that employs the Employee may each further transfer Personal Data to third parties assisting the Company or

the Subsidiary that employs the Employee in the implementation, administration and management of the Program, including E*TRADE Financial Corporate Services Inc. and its affiliates (“E*TRADE”) or any successor or other third party that the Company, the Subsidiary that employs the Employee or E*TRADE (or its successor) may engage to assist with the administration of the Program from time to time. These recipients may be located in the EU, EEA, Switzerland, the United Kingdom or elsewhere throughout the world, such as the United States. By participating in the Program, the Employee understands that these recipients may receive, possess, use, retain and transfer the Personal Data, in electronic or other form, for purposes of implementing, administering and managing the Employee’s participation in the Program, including any requisite transfer of such Personal Data as may be required for the administration of the Program and/or the subsequent holding of Shares on the Employee’s behalf to a broker or other third party with whom the Employee may elect to deposit any Shares acquired pursuant to the Program. The Employee further understands that he or she may request a list with the names and addresses of any potential recipients of Personal Data by contacting the Employee’s local Human Resources manager or AbbVie’s Human Resources Department. When transferring Personal Data to these potential recipients, the Company and the Subsidiary that employs the Employee may provide appropriate safeguards in accordance with EU Standard Contractual Clauses, or other legally binding and permissible arrangements. The Employee may request a copy of such safeguards from the Employee’s local Human Resources manager or AbbVie’s Human Resources Department.

To the extent provided by law, the Employee may, at any time, have the right to request: access to Personal Data, rectification of Personal Data, erasure of Personal Data, restriction of processing of Personal Data, and portability of Personal Data. The Employee may also have the right to object, on grounds related to a particular situation, to the processing of Personal Data, in any case without cost, by contacting in writing the Employee’s local Human Resources manager or AbbVie’s Human Resources Department. The Employee understands, however, that the only consequence of refusing to provide Personal Data is that the Company may not be able to grant the Units, or other equity awards or administer or maintain such awards.

When the Company and the Subsidiary that employs the Employee no longer need to use Personal Data for the purposes above or do not need to retain it for compliance with any legal or regulatory purpose, each will take reasonable steps to remove Personal Data from their systems and/or records containing the Personal Data and/or take steps to properly anonymize it so that the Employee can no longer be identified from it.

ALGERIA

Settlement in Cash. Notwithstanding Section 4 of the Agreement or any other provision in the Agreement to the contrary, pursuant to Section 12 of the Agreement, the Units will be settled in the form of a cash payment, except as otherwise determined by the Company.

ARGENTINA

Securities Notification. Neither the Units nor the underlying Shares are publicly offered or listed on any stock exchange in Argentina.

AUSTRALIA

1. Breach of Law. Notwithstanding anything to the contrary in the Agreement or the Program, the Employee will not be entitled to, and shall not claim any benefit (including without limitation a legal right) under the Program if the provision of such benefit would give rise to a breach of Part 2D.2 of the Corporations Act 2001 (Cth), any other provision of that Act, or any other applicable statute, rule or regulation which limits or restricts the giving of such benefits.

2. Australian Offer Document. In addition to the Agreement and the Program, the Employee must review the Australian Offer Document for additional important information pertaining to the Award. This document can be accessed via the E*TRADE website at <https://us.etrade.com/stock-plans>. By accepting the Award, the Employee acknowledges and confirms that the Employee has reviewed the Australian Offer Document.

3. Tax Information. The Program is a program to which Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) (the “Act”) applies (subject to the conditions in that Act).

BAHRAIN

Securities Notification. This Agreement does not constitute advertising or an offering of securities in Bahrain, nor does it constitute an allotment of securities in Bahrain. Any Shares issued pursuant to the Units under the Program shall be deposited into a brokerage account in the United States. In no event will Shares be issued or delivered in Bahrain. The issuance of Shares pursuant to the Units described herein has not and will not be registered in Bahrain and hence, the Shares described herein may not be admitted or used for offering, placement or public circulation in Bahrain. Accordingly, the Employee may not make any public advertising or announcements regarding the Units or Shares in Bahrain, promote these Shares to legal entities or individuals in Bahrain, or sell Shares directly to other legal entities or individuals in Bahrain. The Employee acknowledges and agrees that Shares may only be sold outside of Bahrain and on a stock exchange on which AbbVie is traded.

BRAZIL

Labor Law Acknowledgment. The Employee agrees, for all legal purposes, (i) the Benefits provided under the Agreement and the Program are the result of commercial transactions unrelated to the Employee’s employment; (ii) the Agreement and the Program are not a part of the terms and conditions of the Employee’s employment; and (iii) the income from the Units, if any, is not part of the Employee’s remuneration from employment.

CANADA

1. Settlement in Shares. Notwithstanding anything to the contrary in the Agreement, Addendum or the Program, the Employee’s Award shall be settled only in Shares (and may not be settled in cash).

2. Resale Restriction. The Employee is permitted to sell Shares acquired upon settlement of the Units through the designated broker appointed under the Program, provided the resale of Shares acquired under the Program takes place outside of Canada through the facilities of the stock exchange on which the Shares are listed. The Shares are currently listed on the New York Stock Exchange.

3. English Language. The parties to the Agreement acknowledge that it is their express wish that the Agreement, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English. *Les parties reconnaissent avoir exigé la rédaction en anglais de la présente convention, ainsi que de tous documents exécutés, avis donnés et procédures judiciaires intentées, directement ou indirectement, relativement à ou suite à la présente convention.*

4. Nature of Grant. The following provision supplements Section 7 of the Agreement:

For purposes of the Units, the Employee's employment relationship will be considered terminated as of the date the Employee is no longer actually employed or otherwise rendering services to the Company or, if different, the Subsidiary for which the Employee provides services (regardless of the reason for such termination and whether or not later found to be invalid or in breach of employment or other laws or otherwise rendering services or the terms of the Employee's Employee Agreement or other service agreement, if any). Unless otherwise extended pursuant to the terms of the Agreement or by the Company, the Employee's right to vest in the Units, if any, will terminate as of such date (the "*Termination Date*"). The Termination Date will not be extended by any common law notice period. Notwithstanding the foregoing, however, if applicable employment standards legislation specifically requires continued entitlement to vesting during a statutory notice period, the Employee's right to vest in the Units, if any, will be allowed to continue for that minimum notice period but then immediately terminate effective as of the last day of the Employee's minimum statutory notice period.

In the event the date the Employee is no longer providing actual service cannot be reasonably determined under the terms of this Agreement and/or the Program, the Committee or its delegate shall have the exclusive discretion to determine when the Employee is no longer actively providing services for purposes of the Units (including whether the Employee may still be considered to be providing services while on a leave of absence).

Unless otherwise provided in the Agreement or by the Company, any portion of the Units that is not vested on the Termination Date shall terminate immediately and be null and void. Unless the applicable employment standards legislation specifically requires, in the case of the Employee, the Employee will not earn or be entitled to any pro-rated vesting for that portion of time before the date on which his or her employment relationship is terminated (as determined under this provision) nor will the Employee be entitled to any compensation for lost vesting.

CHILE

Private Placement. The following provision shall replace Section 13 of the Agreement:

The grant of the Units hereunder is not intended to be a public offering of securities in Chile but instead is intended to be a private placement. The starting date of the offer will be the Grant Date (as defined in the Agreement), and this offer conforms to General Ruling no. 336 of the Chilean Commission for the Financial Market;

The offer deals with securities not registered in the registry of securities or in the registry of foreign securities of the Chilean Commission for the Financial Market, and therefore such securities are not subject to its oversight;

The issuer is not obligated to provide public information in Chile regarding the foreign securities, as such securities are not registered with the Chilean Commission for the Financial Market; and

The foreign securities shall not be subject to public offering as long as they are not registered with the corresponding registry of securities in Chile.

CHINA

Foreign Exchange Control Laws. The following provisions shall govern the Employee's participation in the Program if the Employee is a national of the People's Republic of China ("*China*") resident in mainland China, or if determined to be necessary or appropriate by the Company in its sole discretion:

The Employee agrees to hold the Shares received upon settlement of the Units and any and all previously granted restricted stock units with the Company's designated broker. If the Company changes its designated broker, the Employee acknowledges and agrees that the Company may transfer any Shares

issued under the Program to the new designated broker if necessary for legal or administrative reasons. The Employee agrees to sign any documentation necessary to facilitate the transfer. Upon a Termination, the Employee shall be required to sell all Shares issued pursuant to the Units within 180 days (or such shorter period as may be required by the State Administration of Foreign Exchange or the Company) of the Termination date and repatriate the sales proceeds to China in the manner designated by the Company. For purposes of the foregoing, the Company shall establish procedures for effectuating the forced sale of the Shares (including procedures whereby the Company may issue sale instructions on behalf of the Employee), and the Employee hereby agrees to comply with such procedures and take any and all actions as the Company determines, in its sole discretion, are necessary or advisable for purposes of complying with local laws, rules and regulations in China.

The Employee understands and agrees that the repatriation of dividends and sales proceeds may need to be effected through a special exchange control account established by the Company or its Subsidiaries, and the Employee hereby consents and agrees that dividends issued on Shares and sales proceeds from the sale of Shares acquired under the Program may be transferred to such account by the Company on the Employee's behalf prior to being delivered to the Employee. Dividends and/or sales proceeds may be paid to the Employee in U.S. dollars or local currency at the Company's discretion. If dividends and/or sales proceeds are paid to the Employee in U.S. dollars, the Employee understands that the Employee will be required to set up a U.S. dollar bank account in China so that the dividends or proceeds may be deposited into this account. If dividends and/or sales proceeds are paid to the Employee in local currency, the Employee acknowledges that the Company is under no obligation to secure any particular exchange conversion rate and that the Company may face delays in converting the dividends and/or proceeds to local currency due to exchange control restrictions. The Employee agrees to bear any currency fluctuation risk between the time dividends are issued or Shares are sold and the net proceeds are converted into local currency and distributed to the Employee. The Employee further agrees to comply with any other requirements that may be imposed by the Company or its Subsidiaries in China in the future in order to facilitate compliance with exchange control requirements in China. The Employee acknowledges and agrees that the processes and requirements set forth herein shall continue to apply following the Employee's Termination.

Neither the Company nor any of its Subsidiaries shall be liable for any costs, fees, lost interest or dividends or other losses the Employee may incur or suffer resulting from the enforcement of the terms of this Addendum or otherwise from the Company's operation and enforcement of the Program, the Agreement and the Units in accordance with Chinese law including, without limitation, any applicable State Administration of Foreign Exchange rules, regulations and requirements.

COLOMBIA

Nature of Grant. This provision supplements Section 10 of the Agreement:

The Employee acknowledges that, pursuant to Article 128 of the Colombian Labor Code, the Program and related benefits do not constitute a component of Employee's "salary" for any legal purpose. Therefore, they will not be included and/or considered for purposes of calculating any and all labor benefits, such as legal/fringe benefits, vacations, indemnities, payroll taxes, social insurance contributions and/or any other labor-related amount which may be payable.

Securities Law Information. Shares are not and will not be registered with the Colombian registry of publicly held securities (*Registro Nacional de Valores y Emisores*) and, therefore, the Shares may not be offered to the public in Colombia. Nothing in the Agreement should be construed as making a public offer of securities in Colombia.

DENMARK

The Act on Stock Options. In addition to the Agreement and the Program, the Employee must review the Employer Information Statement (Denmark) pursuant to the Danish Act on the Use of Rights to Purchase or Subscribe for Shares etc. in the Employment Relationship, as amended as of January 1, 2019 (the “*Stock Option Act*”) for additional important information pertaining to the Award. This document can be accessed via the E*TRADE website at <https://us.etrade.com/stock-plans>. By accepting the Award, the Employee acknowledges having received an “Employer Information Statement” in Danish, which is provided to comply with the Stock Option Act, as amended as of January 1, 2019.

FINLAND

Withholding of Tax-Related Items. Notwithstanding anything in Section 8 of the Agreement to the contrary, if the Employee is a local national of Finland, any Tax-Related Items shall be withheld only in cash from the Employee’s regular salary/wages or other amounts payable to the Employee in cash, or such other withholding methods as may be permitted under the Program and allowed under local law.

MEXICO

1. Commercial Relationship. The Employee expressly acknowledges that the Employee's participation in the Program and the Company's grant of the Award does not constitute an employment relationship between the Employee and the Company. The Employee has been granted the Award as a consequence of the commercial relationship between the Company and the Subsidiary in Mexico that employs the Employee, and the Company's Subsidiary in Mexico is the Employee's sole employer. Based on the foregoing: (a) the Employee expressly acknowledges that the Program and the benefits derived from participation in the Program do not establish any rights between the Employee and the

Subsidiary in Mexico that employs the Employee; (b) the Program and the benefits derived from participation in the Program are not part of the employment conditions and/or benefits provided by the Subsidiary in Mexico that employs the Employee; and (c) any modifications or amendments of the Program or benefits granted thereunder by the Company, or a termination of the Program by the Company, shall not constitute a change or impairment of the terms and conditions of the Employee's employment with the Subsidiary in Mexico that employs the Employee.

2. Extraordinary Item of Compensation. The Employee expressly recognizes and acknowledges that the Employee's participation in the Program is a result of the discretionary and unilateral decision of the Company, as well as the Employee's free and voluntary decision to participate in the Program in accordance with the terms and conditions of the Program, the Agreement and this Addendum. As such, the Employee acknowledges and agrees that the Company, in its sole discretion, may amend and/or discontinue the Employee's participation in the Program at any time and without any liability. The value of the Units is an extraordinary item of compensation outside the scope of the Employee's employment contract, if any. The Units are not part of the Employee's regular or expected compensation for purposes of calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits, or any similar payments, which are the exclusive obligations of the Company's Subsidiary in Mexico that employs the Employee.

3. Securities Law Notice. The Units and the Shares offered under the Program have not been registered with the National Register of Securities maintained by the Mexican National Banking and Securities Commission and cannot be offered or sold publicly in Mexico. NEW ZEALAND

Securities Law Notice.

Warning

This is an offer of Units which, upon vesting and settlement in accordance with the terms of the Program and the Agreement, will be converted into Shares. Shares give you a stake in the ownership of AbbVie Inc. You may receive a return if dividends are paid.

If AbbVie Inc. runs into financial difficulties and is wound up, you will be paid only after all creditors and holders of preference shares have been paid. You may lose some or all of your investment.

New Zealand law normally requires people who offer financial products to give information to investors before they invest. This information is designed to help investors make an informed decision. The usual rules do not apply to this offer because it is made under an employee share purchase scheme. As a result, you may not be given all the information usually required. You will also have fewer other legal protections for this investment.

Ask questions, read all documents carefully, and seek independent financial advice before committing.

Prior to the vesting and settlement of the Units, you will not have any rights of ownership (e.g., voting rights) with respect to the underlying Shares.

No interest in any Units may be transferred (legally or beneficially), assigned, mortgaged, charged or encumbered.

SPAIN

1. Acknowledgement of Discretionary Nature of the Program; No Vested Rights

By accepting the Award, the Employee consents to participation in the Program and acknowledges receipt of a copy of the Program.

The Employee understands that the Company has unilaterally, gratuitously and in its sole discretion granted Units under the Program to individuals who may be employees of the Company or its Subsidiaries throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Company or any of its Subsidiaries on an ongoing basis. Consequently, the Employee understands that the Units are granted on the assumption and condition that the Units and the Shares acquired upon settlement of the Units shall not become a part of any employment contract (either with the Company or any of its Subsidiaries) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. In addition, the Employee understands that this grant would not be made to the Employee but for the assumptions and conditions referenced above; thus, the Employee acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason the Award shall be null and void.

The Employee understands and agrees that, as a condition of the Award, unless otherwise provided in Section 4 of the Agreement, any unvested Units as of the date the Employee ceases active employment will be forfeited without entitlement to the underlying Shares or to any amount of indemnification in the event of Termination. The Employee acknowledges that the Employee has read and specifically accepts the conditions referred to in the Agreement regarding the impact of a Termination on the Units.

2. Termination for Cause. Notwithstanding anything to the contrary in the Program or the Agreement, “Cause” shall be as defined as set forth in the Agreement, regardless of whether the Termination is considered a fair termination (i.e., “despido procedente”) under Spanish legislation.

3. Securities Law Notice. No “offer of securities to the public,” as defined under Spanish law, has taken place or will take place in the Spanish territory. The Program, the Award, the Agreement, this Addendum and all other materials the Employee may receive regarding the Employee’s participation in the Program have not been nor will they be registered with the *Comisión Nacional del Mercado de Valores* (Spanish Securities Exchange Commission), and they do not constitute a public offering prospectus.

SWEDEN

The Employee acknowledges that any activity related to investments in foreign securities (e.g., the sale of Shares) should be conducted through a bank or financial intermediary institution licensed by the Turkey Capital Markets Board and should be reported to the Turkish Capital Markets Board. The Employee is solely responsible for complying with this requirement and should consult with a personal legal advisor for further information regarding any obligations in this respect.

UNITED KINGDOM

1. Payment of Taxes. Without limitation to Section 8 of the Agreement, the Employee hereby agrees that the Employee is liable for all Tax-Related Items and hereby covenants to pay all such Tax-Related Items, as and when requested by the Company or (if different) the Subsidiary that employs the Employee or by Her Majesty's Revenue & Customs ("HMRC") (or any other tax authority or any other relevant authority). The Employee also hereby agrees to indemnify and keep indemnified the Company and (if different) the Subsidiary that employs the Employee against any Tax-Related Items that they are required to pay or withhold on the Employee's behalf or have paid or will pay on the Employee's behalf to HMRC (or any other tax authority or any other relevant authority).

Notwithstanding the foregoing, if the Employee is a director or executive officer (as within the meaning of Section 13(k) of the U.S. Securities Exchange Act of 1934, as amended), the terms of the immediately foregoing provision will not apply. In the event that the Employee is a director or executive officer and income tax due is not collected from or paid by the Employee by within 90 days after the U.K. tax year in which an event giving rise to the indemnification described above occurs, the amount of any uncollected tax may constitute a benefit to the Employee on which additional income tax and national insurance contributions may be payable. The Employee acknowledges that the Employee ultimately will be responsible for reporting and paying any income tax due on this additional benefit directly to HMRC under the self-assessment regime and for reimbursing the Company or the Subsidiary that employs the Employee (as applicable) for the value of any employee national insurance contributions due on this additional benefit, which the Company and/or the Subsidiary that employs the Employee may recover from the Employee at any time thereafter by any of the means referred to in Section 8 of the Agreement.

2. Exclusion of Claim. The Employee acknowledges and agrees that the Employee will have no entitlement to compensation or damages insofar as such entitlement arises or may arise from the Employee's ceasing to have rights under or to be entitled to the Units, whether or not as a result of Termination (whether the Termination is in breach of contract or otherwise), or from the loss or diminution in value of the Units. Upon the grant of the Award, the Employee shall be deemed to have waived irrevocably any such entitlement.

VIETNAM

Settlement in Cash. Notwithstanding Section 4 of the Agreement or any other provision in the Agreement to the contrary, pursuant to Section 12 of the Agreement, the Units will be settled in the form of a cash payment, except as otherwise determined by the Company.

(ii) the failure by the Company or a Subsidiary to pay the Employee any portion of the Employee's current compensation, or to pay the Employee any portion of any installment of deferred compensation under any deferred compensation program of the Company, within seven days of the date such compensation is due;

(iii) a reduction in the Employee's annual base salary (or a material change in the frequency of payment) as in effect immediately prior to the Change in Control as the same may be increased from time to time;

(iv) the failure by the Company or a Subsidiary to award the Employee an annual bonus in any year which is at least equal to the annual bonus awarded to the Employee under the annual bonus plan of the Company or Subsidiary for the year immediately preceding the year of the Change in Control;

(v) the failure by the Company to award the Employee equity-based incentive compensation (such as stock options, shares of restricted stock, restricted stock units, or other equity-based compensation) on a periodic basis consistent with the Company's practices with respect to timing, value and terms prior to the Change in Control;

(vi) the failure by the Company or a Subsidiary to continue to provide the Employee with the welfare benefits, fringe benefits and perquisites enjoyed by the Employee immediately prior to the Change in Control under any of the Company's or Subsidiary's plans or policies, including, but not limited to, those plans and policies providing pension, life insurance, medical, health and accident, disability and vacation;

i. Program: The AbbVie Amended and Restated 2013 Incentive Stock Program.

j. Termination: A severance of employment for any reason (including retirement) from the Company and all Subsidiaries. Any Termination shall be effective on the last day the Employee performs services for or on behalf of the Company or a Subsidiary, and employment shall not be extended by any statutory or common law notice of termination period.

2. Delivery Date and Shareholder Rights. The delivery date for Shares underlying the Units is the date on which the Shares are payable to the Employee after the Restrictions on such Units lapse pursuant to Section 4 below (each a "*Delivery Date*"). Prior to the Delivery Date:

(a) the Employee shall not be treated as a shareholder as to those Shares underlying the Units, and shall have only a contractual right to receive Shares, unsecured by any assets of the Company or its Subsidiaries;

(b) the Employee shall not be permitted to vote the Shares underlying the Units; and

(c) the Employee's right to receive such Shares will be subject to the adjustment provisions relating to mergers, reorganizations, and similar events set forth in the Program.

Subject to the requirements of local law, if any dividend or other distribution is declared and paid on Shares underlying the Units (other than dividends or distributions of securities of the Company which may be issued with respect to its Shares by virtue of any stock split, combination, stock dividend or recapitalization) while any of the Units remain subject to this Award (meaning that any of the Shares into which Units would be converted are not otherwise issued and outstanding for purposes of the entitlement to the dividend or distribution), then a book account will be maintained for the Employee and credited with a phantom dividend that is equivalent to the actual dividend or distribution that would have been paid on the total number of Shares that may be distributed under this Award if that number of Shares had been issued and outstanding and entitled to the dividend or distribution. As any Units vest under this Award, the phantom dividends credited to the book account that are attributable to the Shares issuable with respect to such Units will vest and be distributed to the Employee (in the form in which the actual dividend or distribution was paid to shareholders or in such other form as the Administrator deems appropriate under the circumstances) concurrently with the issuance of the Shares resulting from the Unit vesting. Any such distribution is subject to the Company's collection of withholding taxes applicable to the distribution.

If any of the Units are forfeited as a result of the application of the vesting requirements or the forfeiture provisions of this Agreement or the Program, then the phantom dividends attributable to the Shares underlying the forfeited Units will be cancelled and the Employee will cease to have any right or entitlement to receive any distribution or other amount with respect to such cancelled phantom dividends. No phantom dividends will be paid or payable to or for the benefit of the Employee with respect to dividends or distributions for which the record date occurs on or after the date the Employee has forfeited the Units, or the date on which vested Units have been settled in Shares. For purposes of compliance with the requirements of Code Section 409A, to the extent applicable, the specified date for payment of any phantom dividend to which the Employee is entitled under this Section 2 is the calendar year in which the corresponding Units vest and are distributed to the Employee. The Employee has no right to determine the year in which phantom dividends will be paid.

3. Restrictions. The Units are subject to the forfeiture provisions in Sections 6 and 7 below. Units are not earned and may not be sold, exchanged, assigned, transferred, pledged or otherwise disposed of (collectively, the “*Restrictions*”) until the earliest to occur of the events described in subsections 4(a), (b), or (c) or Section 5.

4. Lapse of Restrictions. Subject to Sections 5, 6 and 7 below:

(a) **Passage of Time.** While the Employee is employed with the Company or its Subsidiaries, the Restrictions on 100% of the Units will lapse on the third anniversary of the Grant Date (the “*Delivery Date*”). Subject to subsections (b) and (c) below, Units for which Restrictions have lapsed, as described in this subsection 4(a), shall be settled in the form of Shares on the Delivery Date.

(b) **Death.** The Restrictions shall lapse on the date of the Employee’s Termination due to death, and the Units shall be settled (for the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution) in the form of Shares as soon as administratively possible after, and effective as of, the date of death.

(c) **Disability.** The Restrictions shall lapse on the date of the Employee’s Disability, and the Units shall be settled in the form of Shares as soon as administratively possible after, and effective as of, the date of Disability.

5. Change in Control. In the event of a Change in Control, the entity surviving such Change in Control or the ultimate parent thereof (referred to herein as the “*Surviving Entity*”) may assume, convert or replace this Award with an award of at least equal value and terms and conditions not less favorable than the terms and conditions provided in this Agreement, in which case the new award will vest according to the terms of the applicable award agreement. If the Surviving Entity does not assume, convert or replace this Award, the Restrictions shall lapse on the date of the Change in Control. If the Surviving Entity does assume, convert or replace this Award, then in the event the Employee’s Termination (a) occurs within the time period beginning six months immediately before a Change in Control and ending two years immediately following such Change in Control, and (b) was initiated by the Company (or the Surviving Entity) for a reason other than Cause or was initiated by the Employee for Good Reason, the Restrictions shall lapse on the later of the date of the Change in Control and the date of the Employee’s Termination. The provisions of this Section 5 shall supersede Section 13(a)(iii) and (v) of the Program.

6. Effect of Certain Bad Acts. Any Units not previously settled shall be cancelled and forfeited immediately if the Employee engages in activity that constitutes Cause, as determined in the sole opinion and discretion of the Committee or its delegate, whether or not the Employee experiences a Termination or remains employed with the Company or a Subsidiary.

7. Forfeiture of Units. In the event of the Employee's Termination for any reason other than those set forth in subsections 4(b) or (c) or Section 5, any Units with respect to which Restrictions have not lapsed as of the date of Termination shall be forfeited without consideration to the Employee or the Employee's Representative. In the event that the Employee is terminated by the Company other than for Cause and in a situation not covered by Section 5, the Company may, in its sole discretion, cause Restrictions on some or all of the Units not previously settled to lapse and be settled in the form of Shares on the Delivery Date set forth in subsection 4(a) above as if the Employee had remained employed on such date. In accepting this Award, the Employee acknowledges that in the event of Termination (whether or not in breach of local labor laws), the Employee's right to vest in the Units, if any, will cease and will not be extended by any notice period mandated under local law (*e.g.*, active employment does not include a period of "garden leave" or similar period pursuant to local law) and that the Company shall have the exclusive discretion to determine when Termination occurs.

8. Withholding Taxes. To the extent permitted under applicable law and by the Company, the Employee may satisfy any U.S. or non-U.S. federal, state, local or other applicable taxes arising from the grant of the Award, the lapse of Restrictions or the delivery of Shares pursuant to this Agreement by:

- (a) tendering a cash payment;
- (b) having the Company withhold Shares from the Shares to be delivered to satisfy the applicable withholding tax;
- (c) tendering Shares received in connection with the Units back to the Company; or
- (d) delivering other previously acquired Shares having a Fair Market Value approximately equal to the amount to be withheld.

The Company shall have the right and is hereby authorized to withhold from the Shares deliverable to the Employee pursuant to this Agreement or (to the extent permitted by applicable law, including without limitation Code Section 409A) from any other compensation or other amount owing to the Employee, such amount as may be necessary in the opinion of the Company to satisfy all such taxes, requirements and withholding obligations. If the Company withholds for tax purposes from the Shares otherwise to be delivered to the Employee, the Employee is deemed to have been issued the full number of Shares underlying the Units, subject to the Restrictions set forth in this Agreement.

Notwithstanding the foregoing, if the Employee is subject to Section 16(b) of the Exchange Act, the Company will withhold using the method described in subsection 8(b) above unless the use of such withholding method is problematic under applicable laws or has materially adverse accounting consequences, in which case the Committee shall determine which of the other methods described in this Section 8 or in the Program shall be used to satisfy the applicable withholding obligations.

9. No Right to Continued Employment. This Agreement and the Employee's participation in the Program do not and shall not be interpreted to:

- (a) form an employment contract or relationship with the Company or its Subsidiaries;
- (b) confer upon the Employee any right to continue in the employ of the Company or any of its Subsidiaries; or
- (c) interfere with the ability of the Company or its Subsidiaries to terminate the Employee's employment at any time.

10. Nature of Grant. In accepting this grant of Units, the Employee acknowledges and agrees that:

- (a) the Program is established voluntarily by the Company, it is discretionary in nature and it may be modified, amended, suspended or terminated by the Company at any time;
- (b) this Award is a one-time benefit and does not create any contractual or other right to receive future grants of Units, benefits in lieu of Units, or other Program Benefits in the future, even if Units have been granted repeatedly in the past;
- (c) all decisions with respect to future Unit grants, if any, and their terms and conditions, will be made by the Company, in its sole discretion;
- (d) nothing contained in this Agreement is intended to create or enlarge any other contractual obligations between the Company and the Employee;
- (e) the Employee is voluntarily participating in the Program;
- (f) the Units and Shares subject to the Units are:
 - (i) extraordinary items that do not constitute compensation of any kind for services of any kind rendered to the Company or its Subsidiaries, and are outside the scope of the Employee's employment contract, if any;
 - (ii) not intended to replace any pension rights or compensation;
 - (iii) not part of the Employee's normal or expected compensation or salary for any purpose, including, but not limited to, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, holiday pay, bonuses, long-service awards, pension or retirement or welfare benefits, or similar payments and in no event should they be considered as compensation for, or relating in any way to, past services for the Company or any of its Subsidiaries;
- (g) the future value of the Shares underlying the Units is unknown and cannot be predicted with certainty;
- (h) in consideration of the Award, no claim or entitlement to compensation or damages shall arise from the Units resulting from Termination (for any reason whatsoever) and the Employee irrevocably releases the Company and its Subsidiaries from any such claim that may arise; if any such claim is found by a

court of competent jurisdiction to have arisen, then, by signing or electronically accepting this Agreement, the Employee shall be deemed irrevocably to have waived the Employee's entitlement to pursue such claim;

(i) the Units and the Benefits under the Program, if any, will not automatically transfer to another company in the case of a merger, take-over or transfer of liability; and

(j) neither the Company nor any of its Subsidiaries shall be liable for any change in value of the Units, the amount realized upon settlement of the Units or the amount realized upon a subsequent sale of any Shares acquired upon settlement of the Units, resulting from any fluctuation of the United States Dollar/local currency foreign exchange rate.

11. Data Privacy.

(a) Pursuant to applicable personal data protection laws, the collection, processing and transfer of the Employee's personal Data is necessary for the Company's administration of the Program and the Employee's participation in the Program. The Employee's denial and/or objection to the collection, processing and transfer of personal Data may affect his or her ability to participate in the Program. As such (where required under applicable law), the Employee:

(i) voluntarily acknowledges, consents and agrees to the collection, use, processing and transfer of personal Data as described herein; and

(ii) authorizes Data recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, for purposes of implementing, administering and managing the Employee's participation in the Program, including any requisite transfer of such Data as may be required for the administration of the Program and/or the subsequent holding of Shares on the Employee's behalf to a broker or other third party with whom the Employee may elect to deposit any Shares acquired pursuant to the Program.

(b) Data may be provided by the Employee or collected, where lawful, from third parties, and the Company and the Subsidiary that employs the Employee (if applicable) will process the Data for the exclusive purpose of implementing, administering and managing the Employee's participation in the Program. Data processing will take place through electronic and non-electronic means according to logics and procedures strictly correlated to the purposes for which the Data is collected and with confidentiality and security provisions as set forth by applicable laws and regulations in the Employee's country of residence. Data processing operations will be performed minimizing the use of personal and identification data when such operations are unnecessary for the processing purposes sought. The Data will be accessible within the Company's organization only by those persons requiring access for purposes of the implementation, administration and operation of the Program and for the Employee's participation in the Program.

(c) The Company and the Subsidiary that employs the Employee (if applicable) will transfer Data as necessary for the purpose of implementation, administration and management of the Employee's participation in the Program, and the Company and the Subsidiary that employs the Employee (if applicable) may further transfer Data to any third parties assisting the Company in the implementation, administration and management of the Program. These recipients may be located throughout the world.

(d) The Employee may, at any time, exercise his or her rights provided under applicable personal data protection laws, which may include the right to:

- (i) obtain confirmation as to the existence of the Data;
- (ii) verify the content, origin and accuracy of the Data;
- (iii) request the integration, update, amendment, deletion or blockage (for breach of applicable laws) of the Data; and
- (iv) oppose, for legal reasons, the collection, processing or transfer of the Data which is not necessary or required for the implementation, administration and/or operation of the Program and the Employee's participation in the Program.

The Employee may seek to exercise these rights by contacting his or her local human resources manager.

(e) Upon request of the Company or the Subsidiary that employs the Employee, the Employee agrees to provide an executed data privacy consent form (or any other agreement or consent that may be required by the Company and/or the Subsidiary that employs the Employee) to the Company and/or the Subsidiary that employs the Employee that the Company and/or the Subsidiary that employs the Employee may deem necessary to obtain from the Employee for the purpose of administering his or her participation in the Program in compliance with the data privacy laws in the Employee's country, either now or in the future. The Employee understands and agrees that he or she will not be able to participate in the Program if the Employee fails to provide any such requested consent or agreement.

12. Form of Payment. The Company may, in its sole discretion, settle the Employee's Units in the form of a cash payment to the extent settlement in Shares: (a) is prohibited under local law; (b) would require the Employee, the Company and/or its Subsidiaries to obtain the approval of any governmental and/or regulatory body in the Employee's country; (c) would result in adverse tax consequences for the Employee or the Company; or (d) is administratively burdensome. Alternatively, the Company may, in its sole discretion, settle the Employee's Units in the form of Shares but require the Employee to sell such Shares immediately or within a specified period of time following the Employee's Termination (in which case, this Agreement shall give the Company the authority to issue sales instructions on the Employee's behalf).

13. Private Placement. This grant of Units is not intended to be a public offering of securities in the Employee's country. The Company has not submitted any registration statement, prospectus or other filings with the local securities authorities (unless otherwise required under local law), and this grant of Units is not subject to the supervision of the local securities authorities.

14. Exchange Controls. As a condition to this grant of Units, the Employee agrees to comply with any applicable foreign exchange rules and regulations.

15. Compliance with Applicable Laws and Regulations.

(a) The Company shall not be required to issue or deliver any Shares pursuant to this Agreement pending compliance with all applicable federal and state securities and other laws (including any registration

requirements or tax withholding requirements) and compliance with the rules and practices of any stock exchange upon which the Company's Shares are listed.

(b) Regardless of any action the Company or its Subsidiaries take with respect to any or all income tax, social insurance, payroll tax, payment on account or other tax-related items related to the Employee's participation in the Program and legally applicable to the Employee or deemed by the Company or its Subsidiaries to be an appropriate charge to the Employee even if technically due by the Company or its Subsidiaries ("*Tax-Related Items*"), the Employee acknowledges that the ultimate liability for all Tax-Related Items is and remains the Employee's responsibility and may exceed the amount actually withheld by the Company or its Subsidiaries, if any. The Employee further acknowledges that the Company and/or its Subsidiaries: (i) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Units, including, but not limited to, the grant, lapse of Restrictions or settlement of the Units, the issuance of Shares upon payment of the Units, the subsequent sale of Shares acquired pursuant to such issuance and the receipt of any dividends, phantom dividends and/or any Dividend Equivalents; and (ii) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Units to reduce or eliminate the Employee's liability for Tax-Related Items or achieve any particular tax result. If the Employee has become subject to tax in more than one jurisdiction between the date of grant and the date of any relevant taxable event, the Employee acknowledges that the Company and/or its Subsidiaries may be required to withhold or account for Tax-Related Items in more than one jurisdiction. If the Employee relocates to another country, the Company may establish special or alternative terms and conditions as necessary or advisable to comply with local laws, rules or regulations, to facilitate the operation and administration of the Award and the Program and/or to accommodate the Employee's relocation.

(c) The Employee acknowledges that, depending on the Employee's or the broker's country of residence or where the Shares are listed, the Employee may be subject to insider trading restrictions and/or market abuse laws which may affect his or her ability to accept, acquire, sell or otherwise dispose of Shares, rights to Shares (*e.g.*, Units) or rights linked to the value of Shares during such times the Employee is considered to have "inside information" regarding the Company as defined in the laws or regulations in his or her country. Local insider trading laws and regulations may prohibit the cancellation or amendment of orders the Employee placed before he or she possessed inside information. Furthermore, the Employee could be prohibited from (i) disclosing the inside information to any third party (other than on a "need to know" basis) and (ii) "tipping" third parties or causing them otherwise to buy or sell securities. The Employee understands that third parties may include fellow employees. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. The Employee acknowledges that it is the Employee's responsibility to comply with any restrictions and the Employee is advised to speak to his or her personal legal advisor on this matter.

16. Code Section 409A. Payments made pursuant to this Agreement are intended to be exempt from or otherwise comply with the provisions of Code Section 409A to the extent applicable. The Program and this Agreement shall be administered and interpreted in a manner consistent with this intent. If the Company determines that any payments under this Agreement are subject to Code Section 409A and this Agreement fails to comply with that section's requirements, the Company may, at the Company's sole discretion, and without the Employee's consent, amend this Agreement to cause it to comply with Code Section 409A or otherwise be exempt from Code Section 409A.

To the extent required to avoid accelerated taxation and/or tax penalties under Code Section 409A and applicable guidance issued thereunder, the Employee shall not be deemed to have had a Termination unless the Employee has incurred a “separation from service” as defined in Treasury Regulation §1.409A-1(h), and amounts that would otherwise be payable pursuant to this Agreement during the six-month period immediately following the Employee’s Termination (including retirement) shall instead be paid on the first business day after the date that is six months following the Employee’s Termination (or upon the Employee’s death, if earlier). For purposes of Code Section 409A, to the extent applicable: (a) all payments provided hereunder shall be treated as a right to a series of separate payments and each separately identified amount to which the Employee is entitled under this Agreement shall be treated as a separate payment; (b) except as otherwise provided in Section 13(a) of the Program, upon the lapse of Restrictions pursuant to Section 5 of this Agreement, any Units not previously settled on a Delivery Date shall be settled as soon as administratively possible after, and effective as of, the date of the Change in Control or the date of the Employee’s Termination (as applicable); (c) the term “as soon as administratively possible” means a period of time that is within 60 days after the Termination, Disability or Change in Control (as applicable); and (d) the date of the Employee’s Disability shall be determined by the Company in its sole discretion.

Although this Agreement and the payments provided hereunder are intended to be exempt from or otherwise comply with the requirements of Code Section 409A, the Company does not represent or warrant that this Agreement or the payments provided hereunder will comply with Code Section 409A or any other provision of federal, state, local, or non-United States law. None of the Company, its Subsidiaries, or their respective directors, officers, employees or advisers shall be liable to the Employee (or any other individual claiming a benefit through the Employee) for any tax, interest, or penalties the Employee may owe as a result of compensation paid under this Agreement, and the Company and its Subsidiaries shall have no obligation to indemnify or otherwise protect the Employee from the obligation to pay any taxes pursuant to Code Section 409A.

17. No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding the Units, the Employee’s participation in the Program or the Employee’s acquisition or sale of the underlying Shares. The Employee is hereby advised to consult with the Employee’s own personal tax, legal and financial advisors regarding participation in the Program before taking any action related to the Program.

18. Imposition of Other Requirements. The Company reserves the right to impose other requirements on the Employee’s participation in the Program, on the Units and on any Shares acquired under the Program, to the extent the Company or any Subsidiary determines it is necessary or advisable to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Units and the Program, and to require the Employee to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing. The Employee agrees to take any and all actions, and consents to any and all actions taken by the Company and its Subsidiaries, as may be required to allow the Company and its Subsidiaries to comply with local laws, rules and regulations in the Employee’s country. In addition, the Employee agrees to take any and all actions as may be required to comply with the Employee’s personal obligations under local laws, rules and regulations in the Employee’s country.

19. Determinations. Each decision, determination, interpretation or other action made or taken pursuant to the provisions of this Agreement by the Company, the Committee or any delegate of

the Committee shall be final, conclusive and binding for all purposes and upon all persons, including, without limitation, the Company, the Employee, the Employee's Representative, and the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution.

20. Electronic Delivery. The Company may, in its sole discretion, decide to deliver any documents related to current or future participation in the Program by electronic means. The Employee hereby consents to receive such documents by electronic delivery and agrees to participate in the Program through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

21. Addendum. This grant of Units shall be subject to any special terms and conditions set forth in any Addendum to this Agreement for the Employee's country or jurisdiction. Moreover, if the Employee relocates to one of the countries or jurisdictions included in the Addendum, the special terms and conditions for such country or jurisdiction will apply to the Employee, to the extent the Company determines that the application of such terms and conditions is necessary or advisable in order to comply with local laws, rules and/or regulations or facilitate the operation and administration of the Units and the Program (or the Company may establish alternative terms and conditions as may be necessary or advisable to accommodate the Employee's relocation). The Addendum constitutes part of this Agreement.

22. Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, and each other provision of this Agreement shall be severable and enforceable to the extent permitted by law. To the extent a court or tribunal of competent jurisdiction determines that any provision of this Agreement is invalid or unenforceable, in whole or in part, the Company, in its sole discretion, shall have the power and authority to revise or strike such provision to the minimum extent necessary to make it valid and enforceable to the full extent permitted under local law.

23. Entire Agreement. This Agreement and the Program constitute the entire agreement between the Employee and the Company regarding the Award and supersede all prior and contemporaneous agreements and understandings, oral or written, between the parties regarding the Award. Except as expressly set forth herein, this Agreement (and any provision of this Agreement) may not be modified, changed or clarified by the parties, except in a writing specifying the modification, change or clarification, signed by a duly authorized Company officer.

24. Succession. This Agreement shall be binding upon and operate for the benefit of the Company and its successors and assigns, and the Employee, the Employee's Representative, and the person or persons to whom rights under the Award have passed by will or the laws of descent or distribution.

25. Language. The Employee acknowledges and agrees that it is the Employee's express intent that this Agreement, the Program and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the Award, be drawn up in English. If the Employee is in a country where English is not an official language, the Employee acknowledges that he or she is sufficiently proficient in English or has had the ability to consult with an advisor who is sufficiently proficient in the English language, so

as to allow the Employee to understand the terms and conditions of this Agreement, the Program and any other documents related to the Award. If the Employee has received this Agreement or any other document related to the Program translated into a language other than English and if the meaning of the translated version is different than the English version, the English version will control.

26. Governing Law; Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to any state's conflict of laws principles. For any legal action relating to this Agreement, the parties to this Agreement consent to the exclusive jurisdiction and venue of the federal courts of the Northern District of Illinois, USA, and, if there is no jurisdiction in federal court, to the exclusive jurisdiction and venue of the state courts in Lake County, Illinois, USA.

EUROPEAN UNION ("EU") / EUROPEAN ECONOMIC AREA ("EEA") COUNTRIES, SWITZERLAND AND THE UNITED KINGDOM

Data Privacy. The following provision replaces Section 11 of the Agreement in its entirety:

Pursuant to applicable personal data protection laws, the Employee is hereby notified of the following in relation to the Employee's Personal Data (defined below) and the collection, processing and transfer in electronic or other form of such Personal Data in relation to the administration of the Program. The collection, processing and transfer of Personal Data is necessary for the legitimate purpose of the administration of the Program by the Company and the Subsidiary that employs the Employee and the Employee's participation in the Program, and the Employee's denial and/or objection to the collection, processing and transfer of Personal Data may affect his or her participation in the Program. As such, by participating in the Program, the Employee acknowledges the collection, use, processing and transfer of Personal Data as described herein.

The Employee understands that the Company and the Subsidiary that employs the Employee may hold certain personally identifiable information about the Employee, specifically his or her name, home address, email address and telephone number, date of birth, social security, passport or other identification number (resident registration number), salary, nationality, job title, any Shares or directorships held in the Company or its Subsidiaries, details of all entitlements to Shares (or cash) granted, awarded, canceled, vested, unvested or outstanding in the Employee's favor, for the purpose of managing and administering the Program ("*Personal Data*"). The Personal Data may be provided by the Employee or collected, where lawful, from third parties. The Company or the Subsidiary that employs the Employee each act as controllers of the Personal Data and will process the Personal Data in this context for the exclusive legitimate purpose of implementing, administering and managing the Employee's participation in the Program and meeting related legal obligations associated with these actions.

The processing will take place through electronic and non-electronic means according to logics and procedures correlated to the purposes for which the Personal Data was collected and with confidentiality and security provisions as set forth by applicable laws and regulations. Personal Data will be accessible within the Company's organization only by those persons requiring access for purposes of the implementation, administration and operation of the Program and other aspects of the employment relationship and for the Employee's participation in the Program.

The Company and the Subsidiary that employs the Employee will transfer Personal Data amongst themselves and their affiliates as necessary for the purpose of implementation, administration and management of the Employee's participation in the Program, and the Company and the Subsidiary that

employs the Employee may each further transfer Personal Data to third parties assisting the Company or the Subsidiary that employs the Employee in the implementation, administration and management of the Program, including E*TRADE Financial Corporate Services Inc. and its affiliates (“E*TRADE”) or any successor or other third party that the Company, the Subsidiary that employs the Employee or E*TRADE (or its successor) may engage to assist with the administration of the Program from time to time. These recipients may be located in the EU, EEA, Switzerland, the United Kingdom or elsewhere throughout the world, such as the United States. By participating in the Program, the Employee understands that these recipients may receive, possess, use, retain and transfer the Personal Data, in electronic or other form, for purposes of implementing, administering and managing the Employee’s participation in the Program, including any requisite transfer of such Personal Data as may be required for the administration of the Program and/or the subsequent holding of Shares on the Employee’s behalf to a broker or other third party with whom the Employee may elect to deposit any Shares acquired pursuant to the Program. The Employee further understands that he or she may request a list with the names and addresses of any potential recipients of Personal Data by contacting the Employee’s local Human Resources manager or AbbVie’s Human Resources Department. When transferring Personal Data to these potential recipients, the Company and the Subsidiary that employs the Employee may provide appropriate safeguards in accordance with EU Standard Contractual Clauses, or other legally binding and permissible arrangements. The Employee may request a copy of such safeguards from the Employee’s local Human Resources manager or AbbVie’s Human Resources Department.

To the extent provided by law, the Employee may, at any time, have the right to request: access to Personal Data, rectification of Personal Data, erasure of Personal Data, restriction of processing of Personal Data, and portability of Personal Data. The Employee may also have the right to object, on grounds related to a particular situation, to the processing of Personal Data, in any case without cost, by contacting in writing the Employee’s local Human Resources manager or AbbVie’s Human Resources Department. The Employee understands, however, that the only consequence of refusing to provide Personal Data is that the Company may not be able to grant the Units or other equity awards or administer or maintain such awards.

When the Company and the Subsidiary that employs the Employee no longer need to use Personal Data for the purposes above or do not need to retain it for compliance with any legal or regulatory purpose, each will take reasonable steps to remove Personal Data from their systems and/or records containing the Personal Data and/or take steps to properly anonymize it so that the Employee can no longer be identified from it.

ALGERIA

Settlement in Cash. Notwithstanding Section 4 of the Agreement or any other provision in the Agreement to the contrary, pursuant to Section 12 of the Agreement, the Units will be settled in the form of a cash payment, except as otherwise determined by the Company.

ARGENTINA

Securities Notification. Neither the Units nor the underlying Shares are publicly offered or listed on any stock exchange in Argentina.

AUSTRALIA

1. Breach of Law. Notwithstanding anything to the contrary in the Agreement or the Program, the Employee will not be entitled to, and shall not claim any benefit (including without limitation a legal right) under the Program if the provision of such benefit would give rise to a breach of Part 2D.2 of the

Corporations Act 2001 (Cth), any other provision of that Act, or any other applicable statute, rule or regulation which limits or restricts the giving of such benefits.

2. Australian Offer Document. In addition to the Agreement and the Program, the Employee must review the Australian Offer Document for additional important information pertaining to the Award. This document can be accessed via the E*TRADE website at <https://us.etrade.com/stock-plans>. By accepting the Award, the Employee acknowledges and confirms that the Employee has reviewed the Australian Offer Document.

3. Tax Information. The Program is a program to which Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) (the "Act") applies (subject to the conditions in that Act).

BAHRAIN

Securities Notification. This Agreement does not constitute advertising or an offering of securities in Bahrain, nor does it constitute an allotment of securities in Bahrain. Any Shares issued pursuant to the Units under the Program shall be deposited into a brokerage account in the United States. In no event will Shares be issued or delivered in Bahrain. The issuance of Shares pursuant to the Units described herein has not and will not be registered in Bahrain and hence, the Shares described herein may not be admitted or used for offering, placement or public circulation in Bahrain. Accordingly, the Employee may not make any public advertising or announcements regarding the Units or Shares in Bahrain, promote these Shares to legal entities or individuals in Bahrain, or sell Shares directly to other legal entities or individuals in Bahrain. The Employee acknowledges and agrees that Shares may only be sold outside of Bahrain and on a stock exchange on which AbbVie is traded.

BRAZIL

Labor Law Acknowledgment. The Employee agrees, for all legal purposes, (i) the Benefits provided under the Agreement and the Program are the result of commercial transactions unrelated to the Employee's employment; (ii) the Agreement and the Program are not a part of the terms and conditions of the Employee's employment; and (iii) the income from the Units, if any, is not part of the Employee's remuneration from employment.

CANADA

1. Settlement in Shares. Notwithstanding anything to the contrary in the Agreement, Addendum or the Program, the Employee's Award shall be settled only in Shares (and may not be settled in cash).

2. Resale Restriction. The Employee is permitted to sell Shares acquired upon settlement of the Units through the designated broker appointed under the Program, provided the resale of Shares acquired under the Program takes place outside of Canada through the facilities of the stock exchange on which the Shares are listed. The Shares are currently listed on the New York Stock Exchange.

3. English Language. The parties to the Agreement acknowledge that it is their express wish that the Agreement, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English. *Les parties reconnaissent avoir exigé la rédaction en anglais de la présente convention, ainsi que de tous documents exécutés, avis donnés et procédures judiciaires intentées, directement ou indirectement, relativement à ou suite à la présente convention.*

4. Nature of Grant. The following provision supplements Section 7 of the Agreement:

For purposes of the Units, the Employee's employment relationship will be considered terminated as of the date the Employee is no longer actually employed or otherwise rendering services to the Company or, if different, the Subsidiary for which the Employee provides services (regardless of the reason for such termination and whether or not later found to be invalid or in breach of employment or other laws or otherwise rendering services or the terms of the Employee's Employee Agreement or other service agreement, if any). Unless otherwise extended pursuant to the terms of the Agreement or by the Company, the Employee's right to vest in the Units, if any, will terminate as of such date (the "*Termination Date*"). The Termination Date will not be extended by any common law notice period. Notwithstanding the foregoing, however, if applicable employment standards legislation specifically requires continued entitlement to vesting during a statutory notice period, the Employee's right to vest in the Units, if any, will be allowed to continue for that minimum notice period but then immediately terminate effective as of the last day of the Employee's minimum statutory notice period.

In the event the date the Employee is no longer providing actual service cannot be reasonably determined under the terms of this Agreement and/or the Program, the Committee or its delegate shall have the exclusive discretion to determine when the Employee is no longer actively providing services for purposes of the Units (including whether the Employee may still be considered to be providing services while on a leave of absence).

Unless otherwise provided in the Agreement or by the Company, any portion of the Units that is not vested on the Termination Date shall terminate immediately and be null and void. Unless the applicable employment standards legislation specifically requires, in the case of the Employee, the Employee will not earn or be entitled to any pro-rated vesting for that portion of time before the date on which his or her employment relationship is terminated (as determined under this provision) nor will the Employee be entitled to any compensation for lost vesting.

CHILE

Private Placement. The following provision shall replace Section 13 of the Agreement:

The grant of the Units hereunder is not intended to be a public offering of securities in Chile but instead is intended to be a private placement.

- a. The starting date of the offer will be the Grant Date (as defined in the Agreement), and this offer conforms to General Ruling no. 336 of the Chilean Commission for the Financial Market;
- b. The offer deals with securities not registered in the registry of securities or in the registry of foreign securities of the Chilean Commission for the Financial Market, and therefore such securities are not subject to its oversight;
- c. The issuer is not obligated to provide public information in Chile regarding the foreign securities, as such securities are not registered with the Chilean Commission for the Financial Market; and
- d. The foreign securities shall not be subject to public offering as long as they are not registered with the corresponding registry of securities in Chile.

CHINA

Foreign Exchange Control Laws. The following provisions shall govern the Employee's participation in the Program if the Employee is a national of the People's Republic of China ("*China*") resident in mainland China, or if determined to be necessary or appropriate by the Company in its sole discretion:

The Employee agrees to hold the Shares received upon settlement of the Units and any and all previously granted restricted stock units with the Company's designated broker. If the Company changes its designated broker, the Employee acknowledges and agrees that the Company may transfer any Shares issued under the Program to the new designated broker if necessary for legal or administrative reasons. The Employee agrees to sign any documentation necessary to facilitate the transfer. Upon a Termination, the Employee shall be required to sell all Shares issued pursuant to the Units within 180 days (or such shorter period as may be required by the State Administration of Foreign Exchange or the Company) of the Termination date and repatriate the sales proceeds to China in the manner designated by the Company. For purposes of the foregoing, the Company shall establish procedures for effectuating the forced sale of the Shares (including procedures whereby the Company may issue sale instructions on behalf of the Employee), and the Employee hereby agrees to comply with such procedures and take any and all actions as the Company determines, in its sole discretion, are necessary or advisable for purposes of complying with local laws, rules and regulations in China.

The Employee understands and agrees that the repatriation of dividends and sales proceeds may need to be effected through a special exchange control account established by the Company or its Subsidiaries, and the Employee hereby consents and agrees that dividends issued on Shares and sales proceeds from the sale of Shares acquired under the Program may be transferred to such account by the Company on the Employee's behalf prior to being delivered to the Employee. Dividends and/or sales proceeds may be paid to the Employee in U.S. dollars or local currency at the Company's discretion. If dividends and/or sales proceeds are paid to the Employee in U.S. dollars, the Employee understands that the Employee will be required to set up a U.S. dollar bank account in China so that the dividends or proceeds may be deposited into this account. If dividends and/or sales proceeds are paid to the Employee in local currency, the Employee acknowledges that the Company is under no obligation to secure any particular exchange conversion rate and that the Company may face delays in converting the dividends and/or proceeds to local currency due to exchange control restrictions. The Employee agrees to bear any currency fluctuation risk between the time dividends are issued or Shares are sold and the net proceeds are converted into local currency and distributed to the Employee. The Employee further agrees to comply with any other requirements that may be imposed by the Company or its Subsidiaries in China in the future in order to facilitate compliance with exchange control requirements in China. The Employee acknowledges and agrees that the processes and requirements set forth herein shall continue to apply following the Employee's Termination.

Neither the Company nor any of its Subsidiaries shall be liable for any costs, fees, lost interest or dividends or other losses the Employee may incur or suffer resulting from the enforcement of the terms of this Addendum or otherwise from the Company's operation and enforcement of the Program, the Agreement and the Units in accordance with Chinese law including, without limitation, any applicable State Administration of Foreign Exchange rules, regulations and requirements.

COLOMBIA

Nature of Grant. This provision supplements Section 10 of the Agreement:

The Employee acknowledges that, pursuant to Article 128 of the Colombian Labor Code, the Program and related benefits do not constitute a component of Employee's "salary" for any legal purpose. Therefore, they will not be included and/or considered for purposes of calculating any and all labor benefits, such as legal/fringe benefits, vacations, indemnities, payroll taxes, social insurance contributions and/or any other labor-related amount which may be payable.

Securities Law Information. Shares are not and will not be registered with the Colombian registry of publicly held securities (*Registro Nacional de Valores y Emisores*) and, therefore, the Shares may not

be offered to the public in Colombia. Nothing in the Agreement should be construed as making a public offer of securities in Colombia.

DENMARK

The Act on Stock Options. In addition to the Agreement and the Program, the Employee must review the Employer Information Statement (Denmark) pursuant to the Danish Act on the Use of Rights to Purchase or Subscribe for Shares etc. in the Employment Relationship, as amended as of January 1, 2019 (the "*Stock Option Act*") for additional important information pertaining to the Award. By accepting the Award, the Employee acknowledges having received an "Employer Information Statement" in Danish, which is provided to comply with the Stock Option Act, as amended as of January 1, 2019.

FINLAND

Withholding of Tax-Related Items. HONG KONG

1. Settlement in Shares. Notwithstanding anything to the contrary in the Agreement, Addendum or the Program, the Award shall be settled only in Shares (and may not be settled in cash).

2. Lapse of Restrictions. If, for any reason, Shares are issued to the Employee within six months of the Grant Date, the Employee agrees that he or she will not sell or otherwise dispose of any such Shares prior to the six-month anniversary of the Grant Date.

3. IMPORTANT NOTICE. WARNING: The contents of the Agreement, the Addendum, the Program, and all other materials pertaining to the Units and/or the Program have not been reviewed by any regulatory authority in Hong Kong. The Employee is hereby advised to exercise caution in relation

The Employee understands and agrees that upon the Employee's sale of Shares, unless otherwise determined by the Company, (a) the repatriation of sales proceeds shall be effected through a trustee in Israel engaged by the Company (the "Trustee"), (b) the Trustee will withhold the requisite tax and other mandatory withholding (e.g., National Insurance payments) from the sales proceeds and (c) the Trustee will transfer the remaining sale proceeds (net of the requisite tax and other mandatory withholding) to the Employee. The Employee acknowledges and agrees that the process and requirements set forth herein shall continue to apply following the Employee's Termination.

MEXICO

1. **Commercial Relationship.** The Employee expressly acknowledges that the Employee's participation in the Program and the Company's grant of the Award does not constitute an employment relationship between the Employee and the Company. The Employee has been granted the Award as a consequence of the commercial relationship between the Company and the Subsidiary in Mexico that employs the Employee, and the Company's Subsidiary in Mexico is the Employee's sole employer. Based on the foregoing: (a) the Employee expressly acknowledges that the Program and the benefits derived from participation in the Program do not establish any rights between the Employee and the Subsidiary in Mexico that employs the Employee; (b) the Program and the benefits derived from participation in the Program are not part of the employment conditions and/or benefits provided by the Subsidiary in Mexico that employs the Employee; and (c) any modifications or amendments of the Program or benefits granted thereunder by the Company, or a termination of the Program by the Company, shall not constitute a change or impairment of the terms and conditions of the Employee's employment with the Subsidiary in Mexico that employs the Employee.

2. **Extraordinary Item of Compensation.** The Employee expressly recognizes and acknowledges that the Employee's participation in the Program is a result of the discretionary and unilateral decision of the Company, as well as the Employee's free and voluntary decision to participate in the Program in accordance with the terms and conditions of the Program, the Agreement and this Addendum. As such, the Employee acknowledges and agrees that the Company, in its sole discretion, may amend and/or discontinue the Employee's participation in the Program at any time and without any liability. The value of the Units is an extraordinary item of compensation outside the scope of the Employee's employment contract, if any. The Units are not part of the Employee's regular or expected compensation for purposes of calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits, or any similar payments, which are the exclusive obligations of the Company's Subsidiary in Mexico that employs the Employee.

3. **Securities Law Notice.** The Units and the Shares offered under the Program have not been registered with the National Register of Securities maintained by the Mexican National Banking and Securities Commission and cannot be offered or sold publicly in Mexico. In addition, the Program, the Agreement and any other document relating to the Units may not be publicly distributed in Mexico. These materials are addressed to the Employee only because of the Employee's existing relationship with the Company and these materials should not be reproduced or copied in any form. The offer contained in these materials does not constitute a public offering of securities but rather constitutes a private placement of securities addressed specifically to individuals who are present employees of the employer in Mexico made in accordance with the provisions of the Mexican Securities Market Law, and any rights under such offering shall not be assigned or transferred.

MOROCCO

NETHERLANDS

Waiver of Termination Rights. The Employee waives any and all rights to compensation or damages as a result of a Termination, insofar as those rights result or may result from: (a) the loss or diminution in value of such rights or entitlements under the Program; or (b) the Employee ceasing to have rights, or ceasing to be entitled to any Awards under the Program as a result of such Termination.

NEW ZEALAND

Securities Law Notice.

Warning

This is an offer of Units which, upon vesting and settlement in accordance with the terms of the Program and the Agreement, will be converted into Shares. Shares give you a stake in the ownership of AbbVie Inc. You may receive a return if dividends are paid.

If AbbVie Inc. runs into financial difficulties and is wound up, you will be paid only after all creditors and holders of preference shares have been paid. You may lose some or all of your investment.

New Zealand law normally requires people who offer financial products to give information to investors before they invest. This information is designed to help investors make an informed decision. The usual rules do not apply to this offer because it is made under an employee share purchase scheme. As a result, you may not be given all the information usually required. You will also have fewer other legal protections for this investment.

Ask questions, read all documents carefully, and seek independent financial advice before committing.

Prior to the vesting and settlement of the Units, you will not have any rights of ownership (*e.g.*, voting rights) with respect to the underlying Shares.

No interest in any Units may be transferred (legally or beneficially), assigned, mortgaged, charged or encumbered.

The Shares are quoted on the New York Stock Exchange. This means that if you acquire Shares under the Program, you may be able to sell them on the New York Stock Exchange if there are interested buyers. You may get less than you invested. The price will depend on the demand for the Shares.

RUSSIA

1. **Sale or Transfer of Shares.** Notwithstanding anything to the contrary in the Program or the Agreement, the Employee shall not be permitted to sell or otherwise dispose of the Shares acquired pursuant to the Award in Russia. The Employee may sell the Shares only through a broker established and operating outside Russia. Any Shares issued upon vesting shall be delivered to the Employee through a brokerage account in the U.S. The Employee may hold the Shares in his or her brokerage account in the U.S.; however, in no event will Shares issued to the Employee under the Program be delivered to the Employee in Russia. The Employee is not permitted to sell Shares directly to other Russian legal entities or individuals.

2. **Repatriation Requirements.** The Employee agrees to promptly repatriate proceeds resulting from the sale of Shares acquired under the Program to a foreign currency account at an authorized bank in Russia if legally required at the time Shares are sold and to comply with all applicable local foreign exchange rules and regulations. Neither the Company nor any of its Subsidiaries shall be liable for any fines or penalties resulting from the Employee's failure to comply with applicable laws.

Qualifying Person Exemption. The grant of the Award under the Program is being made pursuant to the “Qualifying Person” exemption under section 273(1)(f) of the Securities and Futures Act (Chapter 289, 2006 Ed.) (the “SFA”). The Program has not been and will not be lodged or registered as a prospectus with the Monetary Authority of Singapore and is not regulated by any financial supervisory authority pursuant to any legislation in Singapore. Accordingly, statutory liability under the SFA in relation to the content of prospectuses would not apply. The Employee should note that, as a result, the Award is subject to section 257 of the SFA and the Employee will not be able to make: (a) any subsequent sale of the Shares underlying the Award in Singapore; or (b) any offer of such subsequent sale of the Shares subject to the Award in Singapore, unless such sale or offer is made pursuant to the exemptions under Part XIII Division 1 Subdivision (4) (other than section 280) of the SFA.

SOUTH AFRICA

1. **Exchange Control Obligations.** The Employee is solely responsible for complying with applicable exchange control regulations and rulings (the “Exchange Control Regulations”) in South Africa. As the Exchange Control Regulations change frequently and without notice, the Employee should consult the Employee’s legal advisor prior to the acquisition or sale of Shares under the Program to ensure compliance with current Exchange Control Regulations. Neither the Company nor any of its Subsidiaries shall be liable for any fines or penalties resulting from the Employee’s failure to comply with applicable laws, rules or regulations.

2. **Securities Law Notice.** In compliance with South African securities laws, the Employee acknowledges that the documents listed below are available for review at the web addresses listed below:

SPAIN

1. Acknowledgement of Discretionary Nature of the Program; No Vested Rights

By accepting the Award, the Employee consents to participation in the Program and acknowledges receipt of a copy of the Program.

The Employee understands that the Company has unilaterally, gratuitously and in its sole discretion granted Units under the Program to individuals who may be employees of the Company or its Subsidiaries throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Company or any of its Subsidiaries on an ongoing basis. Consequently, the Employee understands that the Units are granted on the assumption and condition that the Units and the Shares acquired upon settlement of the Units shall not become a part of any employment contract (either with the Company or any of its Subsidiaries)

and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. In addition, the Employee understands that this grant would not be made to the Employee but for the assumptions and conditions referenced above; thus, the Employee acknowledges and freely accepts that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason the Award shall be null and void.

The Employee understands and agrees that, as a condition of the Award, unless otherwise provided in Section 4 of the Agreement, any unvested Units as of the date the Employee ceases active employment will be forfeited without entitlement to the underlying Shares or to any amount of indemnification in the event of Termination. The Employee acknowledges that the Employee has read and specifically accepts the conditions referred to in the Agreement regarding the impact of a Termination on the Units.

2. **Termination for Cause.** Notwithstanding anything to the contrary in the Program or the Agreement, “Cause” shall be as defined as set forth in the Agreement, regardless of whether the Termination is considered a fair termination (i.e., “despido procedente”) under Spanish legislation.

3. **Securities Law Notice.** No “offer of securities to the public,” as defined under Spanish law, has taken place or will take place in the Spanish territory. The Program, the Award, the Agreement, this Addendum and all other materials the Employee may receive regarding the Employee’s participation in the Program have not been nor will they be registered with the *Comisión Nacional del Mercado de Valores* (Spanish Securities Exchange Commission), and they do not constitute a public offering prospectus.

SWEDEN

Withholding of Tax-Related Items. The following provision shall supplement Section 8 of the Agreement:

Without limiting the authority of the Company and the Subsidiary that employs the Employee to satisfy their withholding obligations for Tax-Related items as set forth in Section 8 of the Agreement, the Employee authorizes the Company to withhold Shares otherwise deliverable to the Employee upon settlement of the Units to satisfy Tax-Related Items, regardless of whether the Company and/or the Subsidiary that employs the Employee has an obligation to withhold such Tax-Related Items.

SWITZERLAND

Securities Law Information. Neither this document nor any other materials relating to the Units (i) constitutes a prospectus according to articles 35 et seq. of the Swiss Federal Act on Financial Services (“*FinSA*”), (ii) may be publicly distributed nor otherwise made publicly available in Switzerland to any person other than an employee of the Company or (iii) has been or will be filed with, approved or supervised by any Swiss reviewing body according to article 51 of *FinSA* or any Swiss regulatory authority, including the Swiss Financial Market Supervisory Authority (“*FINMA*”).

TUNISIA

Settlement in Cash. Notwithstanding Section 4 of the Agreement or any other provision in the Agreement to the contrary, pursuant to Section 12 of the Agreement, the Units will be settled in the form of a cash payment, except as otherwise determined by the Company.

TURKEY

Securities Information. Under Turkish law, the Employee is not permitted to sell any Shares acquired under the Plan in Turkey. The Shares are currently traded on the New York Stock Exchange, which is located outside of Turkey, under the ticker symbol “ABBV” and the Shares may be sold through this exchange.

Financial Intermediary Obligation. The Employee acknowledges that any activity related to investments in foreign securities (e.g., the sale of Shares) should be conducted through a bank or financial intermediary institution licensed by the Turkey Capital Markets Board and should be reported to the Turkish Capital Markets Board. The Employee is solely responsible for complying with this requirement and should consult with a personal legal advisor for further information regarding any obligations in this respect.

UKRAINE

Settlement in Cash. Notwithstanding Section 4 of the Agreement or any other provision in the Agreement to the contrary, pursuant to Section 12 of the Agreement, the Units will be settled in the form of a cash payment, except as otherwise determined by the Company.

UNITED ARAB EMIRATES

Securities Information. The Units are granted under the Program only to select Employees and are in the nature of providing employee equity incentives in the United Arab Emirates. The Program and the Agreement are intended for distribution only to such Employees and must not be delivered to, or relied on by, any other person. Prospective acquirors of the securities offered should conduct their own due diligence on the securities. If the Employee does not understand the contents of the Program and the Agreement, the Employee should consult an authorized financial adviser. The Emirates Securities and Commodities Authority has no responsibility for reviewing or verifying any documents in connection with the Program. Neither the Ministry of Economy nor the Dubai Department of Economic Development has approved the Program or the Agreement nor taken steps to verify the information set out herein, and has no responsibility for such documents.

UNITED KINGDOM

1. **Payment of Taxes.** Without limitation to Section 8 of the Agreement, the Employee hereby agrees that the Employee is liable for all Tax-Related Items and hereby covenants to pay all such Tax-Related Items, as and when requested by the Company or (if different) the Subsidiary that employs the Employee or by Her Majesty’s Revenue & Customs (“HMRC”) (or any other tax authority or any other relevant authority). The Employee also hereby agrees to indemnify and keep indemnified the Company and (if different) the Subsidiary that employs the Employee against any Tax-Related Items that they are required to pay or withhold on the Employee’s behalf or have paid or will pay on the Employee’s behalf to HMRC (or any other tax authority or any other relevant authority).

Notwithstanding the foregoing, if the Employee is a director or executive officer (as within the meaning of Section 13(k) of the U.S. Securities Exchange Act of 1934, as amended), the terms of the immediately foregoing provision will not apply. In the event that the Employee is a director or executive officer and income tax due is not collected from or paid by the Employee by within 90 days after the U.K. tax year in which an event giving rise to the indemnification described above occurs, the amount of any uncollected tax may constitute a benefit to the Employee on which additional income tax and national insurance contributions may be payable. The Employee acknowledges that the Employee ultimately will be

responsible for reporting and paying any income tax due on this additional benefit directly to HMRC under the self-assessment regime and for reimbursing the Company or the Subsidiary that employs the Employee (as applicable) for the value of any employee national insurance contributions due on this additional benefit, which the Company and/or the Subsidiary that employs the Employee may recover from the Employee at any time thereafter by any of the means referred to in Section 8 of the Agreement.

2. **Exclusion of Claim**. The Employee acknowledges and agrees that the Employee will have no entitlement to compensation or damages insofar as such entitlement arises or may arise from the Employee's ceasing to have rights under or to be entitled to the Units, whether or not as a result of Termination (whether the Termination is in breach of contract or otherwise), or from the loss or diminution in value of the Units. Upon the grant of the Award, the Employee shall be deemed to have waived irrevocably any such entitlement.

VIETNAM

Settlement in Cash. Notwithstanding Section 4 of the Agreement or any other provision in the Agreement to the contrary, pursuant to Section 12 of the Agreement, the Units will be settled in the form of a cash payment, except as otherwise determined by the Company.
